Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under the Agreement.

Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State's sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State's immunities, defenses, rights or actions shall be implied or otherwise deemed to exist by reason of the State's entry into this Agreement.

5. No Employee Benefits For Party: The Party understands that the State will not provide any individual retirement benefits, group life insurance, group health and dental insurance, vacation or sick leave, workers compensation or other benefits or services available to State employees, nor will the state withhold any state or federal taxes except as required under applicable tax laws, which shall be determined in advance of execution of the Agreement. The Party understands that all tax returns required by the Internal Revenue Code and the State of Vermont, including but not limited to income, withholding, sales and use, and rooms and meals, must be filed by the Party, and information as to Agreement income will be provided by the State of Vermont to the Internal Revenue Service and the Vermont Department of Taxes.

The State shall notify the Party in the event of any such claim or suit, and the Party shall immediately retain counsel and otherwise provide a complete defense against the entire claim or suit. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits. In the event the State withholds approval to settle any such claim, then the Party shall proceed with the defense of the claim but under those circumstances, the Party's indemnification obligations shall be limited to the amount of the proposed settlement initially rejected by the State.

After a final judgment or settlement the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees in the event that the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

The Party agrees that in no event shall the terms of this Agreement nor any document required by the Party in connection with its performance under this Agreement obligate the State to defend or indemnify the Party or otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party except to the extent awarded by a court of competent jurisdiction.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. False Claims Act: The Party acknowledges that it is subject to the Vermont False Claims Act as set forth in 32 V.S.A. § 630 *et seq.* If the Party violates the Vermont False Claims Act it shall be liable to the State for civil penalties, treble damages and the costs of the investigation and prosecution of such violation, including attorney's fees, except as the same may be reduced by a court of competent jurisdiction. The Party's liability to the State under the False Claims Act shall not be limited notwithstanding any agreement of the State to otherwise limit Party's liability.

If a Single Audit is required, the Subrecipient will submit a copy of the audit report to the granting Party within 9 months. If a single audit is not required, only the Subrecipient Annual Report is required.

26. Force Majeure: Neither the State nor the Party shall be liable to the other for any failure or delay of performance of any obligations under this Agreement to the extent such failure or delay shall have been wholly or principally caused by acts or events beyond its reasonable control rendering performance illegal or impossible (excluding strikes or lock-outs) ("Force Majeure"). Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.

1. **Statement of Rights:** The State of Vermont reserves the right to obtain clarification or additional information necessary to properly evaluate a proposal. Vendors may be asked to give a verbal presentation of their proposal after submission. Failure of vendor to respond to a request for additional information or clarification could result in rejection of that vendor's proposal. To secure a project that is deemed to be in the best interest of the State, the State reserves the right to accept or reject any and all bids, in whole or in part, with or without cause, and to waive technicalities in submissions. The State also reserves the right to make purchases outside of the awarded contracts where it is deemed in the best interest of the State.
2. **Responses:** Responses must be submitted on, or in accordance with, forms or format requirements provided by the Office of Purchasing & Contracting. Prices and all other information entered on the quote, except signature of vendor, should be typed or printed for legibility. ALL SUBMISSIONS MUST BE SIGNED.
3. **Prices:** Unless otherwise stated, prices are net and no charge for packing, shipping, or for any other purpose will be allowed over and above the price quoted. Prices quoted for printing are to include printing, binding, wrapping, and packaging. All prices are delivered F.O.B. destination, unless otherwise stated.
4. **Taxes:** Most state purchases are not subject to federal or state sales or excise taxes and must be invoiced tax free. An exemption certificate will be furnished upon request covering taxable items. The contractor agrees to pay all Vermont taxes which may be due as a result of this order. If taxes are to be applied to the purchase it will be so noted in the response.
5. **Order of Precedence:** The order of precedence for documentation will be the State of Vermont Standard Contract Form and attachments, the bid document and any amendments, and the vendor's response and any amendments.
6. **Substitution:** Unless otherwise stated, vendors may offer substitutes to items identified by a manufacturer's number or brand. When offering a substitution, vendor must describe any differences and provide technical information that will assist in the evaluation. After an award is made, substitutions are not acceptable unless authorized in writing by the Office of Purchasing & Contracting.
7. **Specification Change:** Any changes or variations in the specifications must be received in writing from the Office of Purchasing & Contracting. Verbal instructions or written instructions from any other source are not to be considered.
8. **Method of Award:** Awards will be made under the provisions of 29 V.S.A. § 903. The State may award one or more contracts and reserves the right to make additional awards to other compliant bidders at any time during the first year of the contract if such award is deemed to be in the best interest of the State. All other considerations being equal, preference will be given to resident bidders of the State and/or to products raised or manufactured in the State.
9. **Default:** In case of default of the contractor, the State may procure the materials or supplies from other sources and hold the contractor responsible for any excess cost occasioned thereby, provided, that if public necessity requires the use of materials or supplies not conforming to the specifications they may be accepted and payment therefore shall be made at a proper reduction in price.
10. **Cancellation:** The State specifically reserves the right to cancel the contract or any portion thereof providing, in the opinion of its Commissioner of Buildings and General Services, the services or materials supplied by the contractor are not satisfactory or are not consistent with the terms of the contract.
11. **Delivery:** Responsibility for product delivery remains with the contractor until the product is properly delivered and signed for in accordance with the Office of Purchasing & Contracting terms and conditions. Shipments shall be securely and properly packed, according to accepted commercial practices, without extra charge for packing cases or other containers. Such containers will remain the property of the State unless otherwise stated. Delivered goods that do not conform to the specifications or are not in good condition upon receipt shall be replaced promptly by the contractor.
12. **Invoicing:** All invoices are to be rendered by the Contractor on the vendor's standard bill-head and forwarded directly to the institution or agency ordering materials or services.

13. **Non Collusion:** The State of Vermont is conscious of and concerned about collusion. It should therefore be understood by all that in signing bid and contract documents they agree that the prices quoted have been arrived at without collusion and that no prior information concerning these prices has been received from or given to a competitive company. If there is sufficient evidence to warrant investigation of the bid/contract process by the Office of the Attorney General, all bidders should understand that this paragraph might be used as a basis for litigation.
14. **Amendments:** No changes, modifications, or amendments in the terms and conditions of this contract shall be effective unless reduced to writing, numbered, and signed by the duly authorized representative of the State and Contractor.
15. **Confidentiality:** The successful response will become part of the contract file and will become a matter of public record as will all other responses received. If the response includes material that is considered by the bidder to be proprietary and confidential under 1 VSA, Chapter 5, the bidder shall clearly designate the material as such, explaining why such material should be considered confidential. The bidder must identify each page or section of the response that it believes is proprietary and confidential with sufficient grounds to justify each exemption from release, including the prospective harm to the competitive position of the bidder if the identified material were to be released. Under no circumstances can the entire response or price information be marked confidential. Responses so marked may not be considered.
16. **Certification for apparel, footwear, and textiles (sweatshop prohibition):** Before commencing work on this contract, the contractor must provide certification from each supplier that meets the requirements of 29 V.S.A. §922(a) as well as a list of the names and addresses of each supplier, as required by 29 V.S.A. §922(b). Contractor certifies that if, at any time during the contract period, there are changes to the information in the certification or to the list of suppliers the contractor will promptly inform the Commissioner of Buildings and General Services of such changes.
