FY2018 BUILDING COMMUNITIES GRANT PROGRAM: HUMAN SERVICES AND EDUCATIONAL FACILITIES GRANT

Enclosed you will find the FY2018 Human Services and Educational Facilities Grant Program application, administered by the Department of Buildings and General Services. The goal of the program is to provide competitive grants chapter 137 of Title 24 to municipalities and nonprofits with the intention of strengthening Vermont communities.

This is a competitive grant program and not all applicants will receive funding nor will awarded applicants necessarily receive the full amount of funds requested. This program provides last gap funding for shovel-ready projects and does not support ongoing fund-raising initiatives. It is the intent of the legislature that applicants applying for any of the Building Community Grant Awards **shall not apply for more than one grant** as defined in Chapter 137 of Title 24 for the **same project** in the current calendar year *in any category*. **(Building Community Grants Programs)**. This **does not prohibit** organizations from requesting funding for a **different** project in an alternate location under any of the grants.

Grants will be awarded by the selection committee on a competitive basis. The committee gives priority consideration to applicants demonstrating they have strong community support through the success of local fundraising campaigns. Grant awards recipients will be announced in the fall. If there are any remaining funds, they may be awarded on a rolling basis at the convenience of the grant committee.

Please pass this information along to any organization or other interested party that may qualify for this or one of our other grant programs. If you have any questions, please feel free to contact Judy Bruneau at our office at (802) 828-3519. You may also contact her by email at Judy.Bruneau@vermont.gov.
