ATTACHMENT A – STATEMENT OF WORK

1. Contractor shall provide labor, materials and equipment necessary to satisfactorily provide the moving and hauling services outlined below.

1.1. All work performed under this contract will be coordinated and scheduled through a Buildings & General Services (BGS) Contract Coordinator. The BGS Contract Coordinator will work closely with both the Contractor and the Agency/Department requesting services.

1.2. Contractor shall perform moving and hauling services in a complete and workmanlike manner in strict accordance with the standards, schedule, and conditions set forth herein. The work consists of furnishing all labor, materials, tools, equipment, supplies, and supervision necessary to perform services in accordance with this contract. In most instances, the Contractor will receive moving and hauling requests, from the BGS Contract Coordinator, several days before the move is to be performed. However, occasionally there will be a same day move request.

1.3. The requesting Agency/Department shall supply their own packing boxes and tags. Agency/Department items that are scheduled to be moved shall be packed and labeled for the Contractor upon arrival on moving day. Contractor may also provide packing boxes and tags at an additional cost to the Agency/Department. If the Agency/Department has a need for packing supplies the BGS Contract Coordinator shall contact the Contractor before scheduled moving date.

1.4. Contractor may be required to breakdown modular style furniture and perform height adjustments to stationary desk. Contractor shall furnish the necessary tools to carry out these duties.

1.5. Contractor's equipment shall be adequate for accomplishing the various phases of work described herein. Equipment considered by the BGS Contract Coordinator to be improper or inadequate for moving and hauling services shall be removed from the job and replaced with satisfactory equipment by the contractor at no additional cost to the State of Vermont.

1.6. When applicable, the Contractor’s employees operating Contractor’s vehicles or equipment must be certified to operate those vehicles or equipment used in moving and hauling services.

1.7. Typical working hours will range between 6:00 AM and 5:00 PM, Monday through Friday, but occasions may arise which would require work to be performed before or after these hours, on weekends, or Federal government observed holidays. The typical working hours may vary by the type of facility or the operational needs of the Agency/Department where work is being performed and, if typical work hours will vary from the above, such hours will be established at the time moving and hauling services are scheduled.

1.8. Subcontractors, if required, shall be approved by the BGS Contract Coordinator prior to performing duties as part of the contract.

1.9. All unclaimed property found in or about the work areas by the Contractor shall be turned in immediately to the BGS Contract Coordinator, with the location where article was found.

1.10. Contractor must remove all recycle, trash, debris, and other forms of waste generated by their moving services and while on the premises. Contractor is expected to leave work areas clean and
organized and dispose of said waste at the end of each day or at the completion of work in each building.

1.11. Damage to the State's property: The Contractor, at no additional cost to the State, shall be financially responsible for the repair or replacement of furnishings, facilities, or other property of the State that was damaged while carrying out duties under the contract. Contractor shall notify the BGS Contract Coordinator of any damage done to electrical or plumbing disconnection or re-connection due to moving. Determination of the need for and extent of any repair work is at the sole discretion of the BGS Contract Coordinator.

1.12. Contractor may be required to dispose of furniture via either a dump/landfill or metal scrap yard. Contractor will be required to pay for disposal fees and back charge the State, as a separate line item, on the invoice accompanied by a certified receipt from the disposal entity. The Agency/Department requesting the services shall receive credit on invoices for any funds recovered, by the Contractor, from metal scrap accompanied by a copy of the certified receipt from the metal yard.

1.13. The Contractor shall provide adequate supervision of his/her employees to ensure complete and satisfactory performance of all work in accordance with the terms of the contract. The Contractor will have a responsible supervisor on the job at all times when the work of the contract is being carried out. If any such employees are in any manner unsatisfactory to the State, the contractor shall immediately replace them upon request by the BGS Contract Coordinator.

1.14. The Contractor and their employees are expected to be professional and courteous to State employees and respectful of the work environment while on State premises. Disruption to State employees should be kept to a minimum. If the BGS Contract Coordinator finds one or more of the employees’ language, behavior, or attitude unacceptable in the given work environment, Contractor’s employee will be asked to leave the jobsite.

1.15. Employees of the Contractor shall wear identifying uniforms (i.e. company shirt, hat, etc.) while performing duties requested by the State.

1.16. Safety: The Contractor shall be responsible for instructing his/her employees in safety measures considered appropriate. The Contractor shall not permit placing of equipment in traffic lanes or other locations in such a manner to create safety hazards. Contractor's employees shall be required to interrupt their work at any time to allow passage of personnel. Contractor will be expected to provide their employees with proper protective equipment (hardhats, eye/ear protection, gloves, etc.) as working conditions or job sites require. Contractor must comply with all federal and state safety laws and regulations.

1.17. Contractor's employees will park responsibly in legal parking areas at their own discretion. Parking tickets and meter costs are the sole responsibility of the Contractor. Parking restrictions may require walking to and from State facilities while performing duties. If circumstances deem it necessary or practical to have Contractor’s equipment in a zone not designated for parking, Contractor will be required to get permission from Town/City authorities for permission prior to arriving on site.

1.18. The Contractor shall ensure that all of its employees and subcontractors performing services under this contract understand the sensitive nature of the information that they may have access to and may be required to sign a confidentiality agreement regarding the information's confidential and non-public nature.

Definitions: For purposes of this Attachment, “Party” shall mean the Contractor, Grantee or Subrecipient, with whom the State of Vermont is executing this Agreement and consistent with the form of the Agreement. “Agreement” shall mean the specific contract or grant to which this form is attached.

2. Entire Agreement: This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State’s sovereign status or under the Eleventh Amendment to the United States Constitution. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys’ fees, collection costs or other costs of the Party or any third party.
