**NOTE TO FILE**

**TO:** FILE  
**FROM:** Trevor R. Lewis  
**DATE:** July 20, 2021  
**SUBJECT:** Reflecting and Implementing Auto-Extensions of Participating Addenda:

**Auto Parts Contracts, Specifically:**

**40083 O'Reilly Auto Parts  
39961 Genuine Parts Company d/b/a NAPA Auto Parts  
39976 Automotive Supply Assoc., Inc d/b/a SanelNAPA<sup>1</sup>**

**To new end dates of 10/19/2021**

Each of these contracts is the product of Vermont's participation, via Participating Addenda, in collaborative multistate NASPO ValuePoint contracts for auto parts.

O'Reilly Auto Parts (hereinafter, O'Reilly) operates as a vertically integrated company in which the one company is the holder of the national contract, and also operates all retail stores in Vermont. It therefore holds the [master contract with the lead State of Oklahoma](#), and is the signatory on Vermont's Participating Addendum in the form of VT Contract 40083.

The NAPA arrangement is multi-layered. Genuine Parts Company d/b/a NAPA Auto Parts (hereinafter, "GPC") is the national-level company holding the [master contract with the State of Oklahoma](#), but GPC does not usually sell at retail to end-use customers. Rather, GPC has authorized independent NAPA distributors who perform sales to customers. Automotive Supply Assoc., Inc. d/b/a SanelNAPA (hereinafter, "Sanel") is one of those distributors, and is the distributor with the single largest number and most geographically diverse locations of retail stores within Vermont. As a result, in this scenario, there is the master GPC contract with the State of Oklahoma, a Vermont Participating Addendum with GPC, in the form of VT Contract 39961 with GPC, and an additional Vermont Participating Addendum with Sanel in the form of VT Contract 39976 with Sanel.

Based upon advice from the Attorney General's Office to the Office of Purchasing & Contracting, all three of the relevant Participating Addenda (40083, O'Reilly; 39961, GPC, and 39976, Sanel) do not include specific end dates, but, rather, intentionally base their end dates upon the end date of the relevant Oklahoma master contracts, with the intention that the VT Participating Addenda therefore self-extend, without need for amendment by Vermont, if, whenever, and to the extent that the relevant master(s) are extended.<sup>1</sup>

The original end dates of the relevant Oklahoma master contracts were July 21, 2021.

A new set of multistate collaborative contracts, intended as replacements, are being

---

<sup>1</sup> In the case of Sanel, Contract 39976, additional funds are also needed, therefore an actual amendment that **both adds funds and that makes note of the new end date** will be routed. However, as Sanel, Contract 39976, is integrally related to the GPC Contract 39961, this memo covers the totality of the overall situation.

headed up by the State of California. However, that is taking more time than anticipated, and, as a result, Oklahoma has extended the end dates of the existing Oklahoma master contracts from July 21, 2021 to October 19, 2021.

Because of the auto-extending end dates of the Vermont Participating Addenda(40083, O'Reilly; 39961, GPC, and 39976, Sanel), thus, from a purely transactional and legal standpoint, there is not a need for what ordinarily would be a contract amendment, to extend the end date. **As noted above in footnote 1, the Sanel contract 39976 also needs funds, so an actual amendment is needed and will be routed for that.**

However, for purposes of reliable, transparent, and consistent records and procedures with regard to contracts and contract-related systems and information, there is a need for specific actions. The end dates in the VISION financial system and Contract Tracking (CTS) currently reflect the 7/21/21 end dates as were in effect when the Vermont Participating Addenda (40083, O'Reilly; 39961, GPC, and 39976, Sanel) were put into effect.

These contracts (40083, O'Reilly; 39961, GPC, and 39976, Sanel) are highly relied-upon by the Agency of Transportation, BGS, Forests and Parks, Military, and others; it is important to keep them in effect until California completes its new process and Vermont/ OPC can put in place the new participating addenda that will "connect up with" the new CA-based contracts.

This memo and the accompanying RFRs, one, separately, for each contract, are intended to accomplish and memorialize the extension of the end dates of (40083, O'Reilly; 39961, GPC, and 39976, Sanel) from 7/21/21 to 10/19/21, and, accordingly, upon approval of each such RFR, the dates within VISION and Contract Tracking will then be changed to 10/19/2021.

Contract 39976 with Sanel has used \$246,115.93 out of its original \$250,000.00, and so does need additional funds – so, an actual amendment 1 to that Contract 39976 with Sanel, to add \$100,000.00 is being routed. The date extension, as described in this memo, is also identified and explained in that amendment.

These may each be reflected as a Change Order within the system(s) but do not need contractor signature or Commissioner signature on actual amendment(s).

I recommend approval of this action/update that notes and implements the extended end dates of 10/19/21 for (40083, O'Reilly; 39961, GPC, and 39976, Sanel) , and, in the case of Contract 39976 with Sanel, the Amendment to add \$100,000.00, in relation to each of these contracts.

Please contact Trevor R. Lewis at 828-2217 or email at [Trevor.R.Lewis@vermont.gov](mailto:Trevor.R.Lewis@vermont.gov) with any questions.

<sup>i</sup> Contract 40083, O'Reilly:

5. **Contract Term.** The period of Contractor's performance shall begin on and end upon expiration of the Master Agreement, unless terminated earlier in accordance with the terms of this Participating Addendum or the Master Agreement. An amendment to this Participating Addendum shall not be necessary in the event of the renewal or extension of the Master Agreement.

Contract 39961, GPC:

5. **Contract Term.** The period of Contractor's performance shall begin on May 15, 2020 and end upon expiration of the Master Agreement, unless terminated earlier in accordance with the terms of this Participating Addendum or the Master Agreement. An amendment to this Participating Addendum shall not be necessary in the event of the renewal or extension of the Master Agreement.

---

Contract 39976, Sanel:

4. ***Contract Term.*** The period of Contractor's performance shall begin on November 18, 2020 and end upon expiration or termination of the Participating Addendum, unless terminated earlier in accordance with this contract. An amendment to this contract shall not be necessary in the event of the renewal or extension of the Participating Addendum.

N.B.- the reason that the relevant clause in 39976, Sanel refers to the Participating Addendum rather than the Master is that 39961 (GPC) keys off the end date of the Master, and then 39976 (Sanel) keys off the end date of 39961 (Sanel)

8. **Requirements for Ordering.**

**Orders:** Any order placed by the State or an Additional Purchaser for a product or service available under this Participating Addendum (hereinafter "Purchase Order") shall be deemed to be a sale governed by the prices and other terms and conditions of this Participating Addendum, provided that the Master Agreement number and the Participating Addendum Number must appear on every Purchase Order placed under this Participating Addendum.

Purchase Orders may only be placed directly through Contractor or through a subcontractor of the Contractor that is both approved by Contractor and authorized by the State of Vermont (hereinafter "Distributor"). A Distributor shall not solicit or otherwise fulfill any Purchase Order unless the Distributor (i) is an entity approved by Contractor, in accordance with Contractor's established qualifying criteria, to provide sales and service support to participants in the NASPO ValuePoint Master Price Agreement on Contractor's behalf and (ii) has executed a separate agreement with the State that directly obligates Distributor to fulfill Purchase Orders in accordance with the terms and conditions set forth in this Participating Addendum and the Master Agreement.

Contractor may, in its sole discretion, add Distributors at any time during the term of this Participating Addendum. Except as otherwise set forth in the Master Agreement, Contractor will not, directly or indirectly, restrict any Distributor's participation or ability to quote pricing for the State. Distributors shall not offer less favorable pricing discounts than the discounts established under the Master Agreement. However, a Distributor may offer any additional incremental discounts to the State or any Additional Purchaser, and such additional discounts, if offered, may be provided to the State or an Additional Purchaser in the discretion and at the sole legal obligation of the Distributor.

The Master Agreement number and the Participating Addendum Number must appear on every Purchase Order placed under this Participating Addendum.

- a. **Method of Ordering for State Purchasers:** For any and all purchases made by State Purchasers under this Participating Addendum, a Purchase Order shall be issued when purchases are made. Written Purchase Orders must be used to order items available under this Participating Addendum. Verbal order shall not be accepted by Contractor or Contractor's Distributor unless or until a confirming Purchase Order is issued.
- b. In accordance with State of Vermont VISION Procedure #3, purchases made on contract by utilizing the State of Vermont Purchasing Card are exempt from requiring a Purchase Order.
- c. The Contractor acknowledges and agrees that any annual values or quantities included such bid solicitations are estimates only based on prior usage and that actual purchases may be higher or lower depending on Vermont's needs.

**9. Payment Provisions and Invoicing.**

- a. Product offerings and complete details of product pricing, including discounts, applicable to this Participating Addendum are set forth in the Price file (EXHIBIT C - CATEGORY DISCOUNTS) maintained on-line at Contractor's NASPO ValuePoint Webpage listed above.
- b. Purchasing Entities may solicit the Contractor or Distributor for deeper discounts than the minimum contract pricing as set forth in the Price Schedule (e.g., additional volume pricing, incremental discounts, firm fixed pricing or other incentives).
- c. If applicable, all equipment pricing is to include F.O.B. delivery to the ordering facility. No request for extra delivery cost will be honored.
- d. In the discretion of the Purchasing Entity, retainage may be specified in a Purchase Order, in an amount mutually agreeable to the parties.
- e. Payment terms are Net 30 days from the date the State receives an error-free invoice with all necessary and complete supporting documentation. Invoices shall itemize all work performed during the invoice period, including, as applicable, the dates of service, rates of pay, hours of work performed, and any other information and/or documentation appropriate and sufficient to substantiate the amount invoiced for payment. As applicable, a copy of the notice(s) of acceptance shall accompany invoices submitted for payment.
- f. Invoices shall be sent to the address identified on the Purchasing Entity's Purchase Order and shall specify the address to which payments will be sent. - h. Unopened Products can be returned with no restocking fee up to 30 days from the date of receipt.
- i. The State Purchasing Card may be used by State Purchasers for the payment of invoices. Use of the Purchasing Card requires all required documentation applicable to the purchase. The Purchasing Card is a payment mechanism, not a procurement approach and, therefore, does

not relieve State Purchasers from adhering to all procurement laws, regulations, policies, procedures, and best practices.

**10. Approved Distributors.**

- a. Distributors are available for this Participating Addendum if and to the extent approved by the State Chief Procurement Officer (each an “Distributor”). Any approved Distributor shall be issued a contract under the terms of this Participating Addendum.
- b. All State policies, guidelines and requirements shall apply to Distributors.
- c. Contractor shall be responsible for successful performance and compliance with all requirements in accordance with the terms and conditions set forth by this Participating Addendum. - b. Reports are due for each quarter as follows:

Reporting Period	Report Due
January 1 to March 31	April 30
April 1 to June 30	July 31
July 1 to September 30	October 31
October 1 to December 31	January 31

- c. Failure to meet these reporting requirements may result in suspension or termination of this Participating Addendum.

12. **Prior Approvals.** In accordance with current State law, bulletins, and interpretations, this Participating Addendum shall not be binding until it has been approved by the Vermont Attorney General's Office, the Secretary of Administration, and the State's Chief Information Officer.
13. **Amendment.** No changes, modifications, or amendments in the terms and conditions of this Participating Addendum shall be effective unless reduced to writing, numbered and signed by the duly authorized representative of the State and Contractor.
14. **Termination.** This Participating Addendum may be terminated by the State at any time upon 30 days prior written notice to the Contractor. Upon termination or expiration of this Participating Addendum, each party will assist the other in orderly termination of the Participating Addendum and the transfer of all assets, tangible and intangible, as may facilitate the orderly, non-disrupted business continuation of each party. This provision shall not relieve the Contractor of the obligation to perform under any order executed prior to the effective date of termination or other expiration of this Participating Addendum.

- a. Notwithstanding any contrary language anywhere, in no event shall the terms of this contract or any document furnished by Contractor in connection with performance under this contract obligate the State to (1) defend or indemnify Contractor or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of Contractor or any third party.
- b. **Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial:** This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Contractor in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. i. Notwithstanding the expiration or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration or termination of this Master Agreement, or otherwise inconsistent with its terms. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each

Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate data bases.

Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or orders or underpayment of fees found as a result of the examination of the Contractor's records.

The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. ## **28. Standard of Performance and Acceptance**

Any standard of performance under this Master Agreement applies to all Products purchased under this Master Agreement, including any additional, replacement, or substitute Product(s) and any Product(s) which are modified by or with the written approval of Contractor after Acceptance by the Purchasing Entity. The Acceptance Testing period shall be thirty (30) calendar days or other time period identified in the solicitation or the Participating Addendum, starting from the day after the Product is

delivered or, if installed, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing. If the Product does not meet the standard of performance during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met. Upon rejection, the Contractor will have fifteen (15) calendar days to cure the standard of performance issue(s). If after the cure period, the Product still has not met the standard of performance, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor. Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section. No Product shall be accepted and no charges shall be paid until the standard of performance is met. The warranty period will begin upon Acceptance.

Upon breach of the warranty, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license shall be at no additional

cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

### **32. Waiver of Breach**

Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Purchase Order.

### **33. Assignment of Antitrust Rights**

Contractor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

### **34. Debarment**

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

### **35. Governing Law and Venue**

a. The procurement, evaluation, and award of the Master Agreement shall be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award shall be governed by the law of the state serving as Lead State (in most cases also the Lead State). The construction and effect of any Participating Addendum or Order against the Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

b. Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning

any Order placed against the Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity's State.

c. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

### **36. NASPO ValuePoint eMarket Center**

In July 2011, NASPO ValuePoint entered into a multi-year agreement with SciQuest, Inc. whereby SciQuest will provide certain electronic catalog hosting and management services to enable eligible NASPO ValuePoint's customers to access a central online website to view and/or shop the goods and services available from existing NASPO ValuePoint Cooperative Contracts. The central online website is referred to as the NASPO ValuePoint eMarket Center.

The Contractor will have visibility in the eMarket Center through Ordering Instructions. These Ordering Instructions are available at no cost to the Contractor and provide customers information regarding the Contractors website and ordering information. At a minimum, the Contractor agrees to the following timeline: NASPO ValuePoint eMarket Center Site Admin shall provide a written request to the Contractor to begin Ordering Instruction process. The Contractor shall have thirty (30) days from receipt of written request to work with NASPO ValuePoint to provide any unique information and ordering instructions that the Contractor would like the customer to have.
