This delegation authorizes the Department of Forests, Parks, and Recreation to make purchases that meet your requirements for Wildland Firefighting Tools and Personal Protective Equipment from:

Defense Logistics Agency
8725 John J. Kingman Road
Fort Belvoir, VA 22060

The BDA is needed for equipment purchased through one vendor Fed Mall/Department of Defense (DOD).

DOD provides a wildland firefighting catalog for the purchase of wildland firefighting equipment from Fed Mall/DOD. Each item comes from different vendors within that catalog. DOD has established this catalog based on a purchasing contract for the best prices.

FPR is required to provide towns with the wildland firefighting catalog link to select equipment for purchase from:

<https://www.fedmall.mil/wcsstore/FedMallSAS/Attachments/WildlandFireProtectionProgram2022Final.pdf>

No prior approval from this office will be necessary.

- When processing invoices for materials purchased under this BDA please reference VISION Procedure #3: PO's, Contracts and BDA's. VISION Procedure #3 can be found on the VISION homepage of the Department of Finance & Management's (F&M) website at <https://finance.vermont.gov/vision-financial-system>.
- It is the Department's responsibility to ensure that purchases made under this BDA comply with all applicable federal requirements including certification regarding debarment. The Commissioner of F&M issued F&M Policy #1: Suspension and Debarment Policies & Procedures. This policy was created to address federal requirements prohibiting purchases from vendors who have been suspended or debarred by the federal government. The policy extends the federal requirements to all purchases made by the State of Vermont (within certain thresholds), regardless of funding source. The policy requires departments to verify that a vendor has not been suspended or debarred before making a covered purchase. Policy #1 can be found on the Policies page of the F&M's website at <https://finance.vermont.gov/policies-and-procedures>. It describes the

procedures that must be followed to verify and document that a vendor has not been suspended or debarred.

- It is the Department's responsibility to ensure that purchases made under this BDA comply with all applicable state requirements including certification regarding debarment which requires the Agency of Administration to ensure that the state and any of its subdivisions do not contract, directly or indirectly, with employers who are prohibited from contracting by the Commissioner of the Department of Labor pursuant to 21 V.S.A. Sec. 692, 708, and 1314a or the Commissioner of banking, insurance, securities, and health care administration pursuant to 8 V.S.A. Section 3661. <https://bgs.vermont.gov/purchasing-contracting/debarment>
- Agency and Department heads are responsible for all actions taken under this delegation including compliance with all applicable laws and Administrative Bulletin 3.5. Managers are encouraged to require that competitive pricing be obtained whenever possible. The Office of Purchasing and Contracting is available to provide assistance and advice on sources and procedures.

This delegation is effective until June 30, 2023, at which time it may be reviewed.
