Awards are made by location, fuel type, and delivery method

= Vendor has changed from previous contract

= Vendor is the same as previous contract

= Location was not under contract previously

Delivery Methods

No Color

Tank Wagon = smaller shuttle deliveries

Motor Transport = large deliveries (tractor-trailer size)

New Fuel Accounts

New fuel requirements need to be processed through the Office of Purchasing & Contracting. Requesting Agencies/Departments need to complete and submit the Fuel Requirements Form (see below).

OPC will work with the fuel provider to establish the new account for you.
