

## **CURRENT FUEL MARKUP BY TOWN**

Awards are made by location, fuel type, and delivery method

 = Vendor has changed from previous contract

 = Vendor is the same as previous contract

 = Location was not under contract previously

### **Delivery Methods**

 = smaller shuttle deliveries

 = large deliveries (tractor-trailer size)

### **New Fuel Accounts**

New fuel requirements need to be processed through the Office of Purchasing & Contracting. Requesting Agencies/Departments need to complete and submit the Fuel Requirements Form (see below).

OPC will work with the fuel provider to establish the new account for you.
