Purchasing Card Approved Contract Listing

July 2019

The Purchasing Card is authorized and may be used as a form of payment on commodity contracts that have been identified and approved by Purchasing. The Purchasing Card Approved Contract Listing is updated on a quarterly basis. Note: It is the Cardholder's responsibility to verify contract pricing on items and to ensure that the items are received when using the Purchasing Card.

Vendor	Contract #	Commodity Type
22 nd Century Technologies	34360	Temp Employment Services
3M Co. - Traffic Control	30476	License Plate Sheeting
