ATTACHMENT A – STATEMENT OF WORK

The Contractor shall provide all labor, materials and equipment necessary to satisfactorily complete Portable Restroom services as identified below.

Contractor shall provide:

- 1.1 This Contract may be utilized for small Portable Restroom services, emergency repairs, and/or on an as-needed basis. Projects are not to exceed (\$50,000.00), including all costs associated with the individual project, such as labor, material, equipment, etc.
- 1.2 All Contractor work performed under this contract shall be planned and scheduled by Project Managers from the Agency/Department coordinating the work. The Project Manager will work closely with both Contractor and the Agency/Department requiring the work and will approve all invoices for work completed under this Contract.
 - 1.2.1 If the Contractor is selected to perform work on a project, the Agency/Department will issue a Purchase Order (PO) with a project Statement of Work and the Project Manager shall provide a PO number to the Contractor to reference on their invoice for services completed under that specific work assignment.
 - 1.2.2 The resultant Purchase Order will be administered by the Agency/Department coordinating the work.
- 1.3 Contractor's typical working hours under this Contract will range between 6:00 AM and 5:00 PM, Monday through Friday, but occasions may arise which would require work to be performed before or after these hours, on weekends, or Federal government observed holidays. The typical working hours may vary by the type of facility or the operational needs of the Agency/Department where work is being performed and, if typical work hours vary from the above, such hours will be established at the beginning of each project.
- 1.4 Contractor shall notify the Project Manager of any maintenance related issues that are discovered while performing work.
- 1.5 All unclaimed work articles found in or about the work area by the Contractor shall be turned in immediately to the Project Manager, with the location where the article was found.
- 1.6 Contractor acknowledges that security procedures in some State buildings require a background clearance be performed on any contractor working inside the building, prior to beginning work. Projects at Correctional Facilities, Courthouses, and Public Safety buildings may all require clearances.
- 1.7 Contractor shall secure and pay for any permits and inspections required by the authorities having jurisdiction, or for warranty purposes. Contractor shall ensure that any inspections are made by the appropriate State or local authority having jurisdiction, or manufacturer from which the warranty will be issued.
- 1.8 Subcontractors, if required, shall be approved in writing by the Project Manager prior to performing work as part of the contract.
- 1.9 SITE SUPERVISION:
 - 1.9.1 Contractor shall provide adequate supervision of his employees to ensure complete and satisfactory performance of all work in accordance with the terms of the contract. Contractor

shall have a responsible supervisor on the job at all times when the work of the contract is being carried out.

- 1.9.2 Contractor's site supervisor shall be responsible for communication with the State's representatives and shall meet with the Project Manager at the site on a weekly basis to discuss project status, including any problems, ideas, or concerns related to the project work.
- 1.9.3 Contractor and its employees shall be subject to all applicable State and Federal statutes and regulations for the conduct of personnel.
- 1.9.4 The Contractor shall provide adequate supervision of his/her subcontractors and their employees at all times.

1.10 WORKMANSHIP AND MATERIALS:

- 1.10.1 Contractor shall furnish all supervision, labor, transportation, materials, tools and equipment necessary to satisfactorily complete the service in a manner consistent with the Project Manager's plan and schedule. Contractor's equipment shall be of the size and type appropriate for completing the various types of work described in the contract or any associating Purchase Order. Contractor shall ensure that any equipment considered by the Project Manager to be improper or inadequate for this purpose is removed from the site and replaced with satisfactory equipment.
 - 1.10.2 All work performed under this contract shall be completed in accordance with local, state, and national codes and standards, and other recognized industry standards associated with the work.
 - 1.10.3 The Contractor guarantees that all materials shall be of the best quality, that all work shall be done in a professional manner, and that all aspects of the project will be delivered in good working order, complete and perfect in every respect, and that all systems and materials necessary to make the project completely operational as contemplated by the above description of the project, even if those systems and materials are not specifically described in this Contract, shall be included in the contract price.
 - 1.10.4 Contractor shall ensure that all supplies, equipment and machines shall be kept free of traffic lanes or other areas that may be hazardous. Contractor shall further ensure that all dirt and debris resulting from the work under this contract shall be disposed of at the end of each day or at the completion of work in each building.
 - 1.10.5 Contractor shall, at no additional cost to the State, repair furnishings, equipment, facilities or other property of the State damaged by Contractor, its officers, employees, agents, contractors, subcontractors and invitees. Contractor acknowledges that the determination of the need for, and extent of, any repair work shall be made at the sole discretion of the Project Manager.
 - 1.10.6 It is the contractor's responsibility to contact Dig-Safe prior to beginning any excavation work. For private complexes, such as prisons, the contractor will need to contact a private underground utility locator prior to beginning work.
- 1.11 In the event of Contractor default, the State may procure the services, materials and/or supplies from other sources and hold Contractor responsible for any excess cost occasioned thereby, provided that, if public necessity requires the use of services, materials and/or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.
- 1.12 FUNDING SOURCE: This project is being funded, in whole or in part, through the state's capital construction act(s) and shall require compliance with the Vermont Prevailing Wage and Fringe Benefit Rate requirements (reference Instructions to Bidders, Prevailing Wage Rate Requirements). A complete
