2. Subject Matter. The subject matter of this contract is services generally on the subject of On-Site Hearing and Fit Testing. Detailed services to be provided by the contractor are described in Attachment A.

3. Maximum Amount. In consideration of the services to be performed by Contractor, the State agrees to pay Contractor, in accordance with the payment provisions specified in Attachment B, a sum not to exceed \$40,000.00.

4. Contract Term. The period of contractor's performance shall begin on April 1, 2016 and end on April 1, 2018.

5. Prior Approvals. If approval by the Attorney General's Office or the Secretary of Administration is required, (under current law, bulletins, and interpretations), neither this contract nor any amendment to it is binding until it has been approved by either or both such persons.

- Approval by the Attorney General's Office is required.
- Approval by the Secretary of Administration is not required.
- Approval by the CIO/Commissioner DII is not required.

6. Amendment. This agreement represents the entire agreement between the parties; No changes, modifications, or amendments in the terms and conditions of this contract shall be effective unless reduced to writing, numbered and signed by the duly authorized representative of the State and Contractor.

7. Cancellation. This contract may be canceled by either party by giving written notice at least 30 days in advance.

8. Attachments. This contract consists of 10 pages including the following attachments which are incorporated herein:

Attachment A - Specifications of Work to be Performed

Attachment B - Payment Provisions

Attachment C - "Standard State Provisions for Contracts and Grants" a preprinted form (revision date 09/01/2015).

9. Order of Precedence. Any ambiguity, conflict or inconsistency in the Contract Documents shall be resolved according to the following order of precedence:

- (1) Standard Contract
- (2) Attachment C (Standard Contract Provisions for Contracts and Grants)

employee participation. Services must be in accordance with all applicable OSHA/VOSHA requirements.

Health Questionnaire

- Paper or electronic questionnaires shall be sent to the client in advance of the scheduled test dates to be completed by employees.
- Employees must submit completed questionnaires to the unit for the testing appointment.
- The Contractor's Medical Review staff shall comprehensively review the questionnaires in accordance with OSHA requirements.

Height, Weight and Vitals

- Contractor's Field Technicians shall collect screening data specifically in the areas of blood pressure, pulse, height and weight measurements as required by established testing protocols.
- Contractor's Medical Review staff shall review data.
- Data shall be noted in each employee's record.
- Contractor's screenings are conducted at the request of the employer and are not designed to replace the employee's personal Physician.
- Employees that exhibit abnormally high or low blood pressures shall be advised that they should follow-up with their Primary Care Physician to confirm test results and discuss additional medical follow-up if needed.

Pulmonary Function Testing (PFT)

- Contractor's Technicians shall be NIOSH-certified to perform Pulmonary Function Testing (PFT).
- Contractor shall test and analyze employees' Forced Expiratory Volume and Forced Vital Capacity.

Chest X-Ray with B-Reading

- Contractor shall use modern X-Ray equipment including digital X-Ray processing methods to produce diagnostic images with high resolution quality for readable images.
- Pursuant to the OSHA Silica Standard (CFR1926.1153); Contractor shall have readings conducted by a Radiologist certified by the American Board of Radiology and by NIOSH as a B-Reader under the ILO specification system for the reading of Chest X-Rays.

Physical Exam

- Contractor shall provide a Physician or other Licensed Health Care Professional herein both referred to as (PLHCP) to review the Vitals, PFT and completed respiratory questionnaire prior to conducting a physical.

Examination specific to OSHA's Silica Standard (CFR1926.1153). The PLHCP will be versed in the Contractor-specific protocols and testing procedures required by the Contractor's Medical Director. All PLHCPs utilized by the Contractor shall be licensed in the State of Vermont.

TB Screening

- A skin test shall be used as a screening technique to determine if a participant has a TB infection. The PLHCP shall administer the TB Screening with an initial test material injection on the participant's forearm. Within 72 hours, the participant shall be able to see if there has been a reaction to the test.
- The Contractor shall provide a form to the participant to document the reaction. Instructions are left with the client on how to gather all the results post initial injection and how to provide them to the Contractor for review.

Recordkeeping

- Contractor shall maintain fit test history on each employee. Recordkeeping and employee confidentiality shall comply with 29CFR1910.1020 per 1910.134m and Silica related recordkeeping outlined in 29CFR1926.1153.
