Purchase Orders may only be placed directly through Contractor or through a subcontractor of the Contractor that is both approved by Contractor and authorized by the State of Vermont (hereinafter "Reseller"). A Reseller shall not solicit or otherwise fulfill any Purchase Order unless the Reseller (i) is an approved Fulfillment Partner listed on Contractor dedicated (cooperative contract) website as an entity approved by Contractor, in accordance with Contractor's established qualifying criteria, to provide sales and service support to participants in the WSCA-NASPO Master Price Agreement on Contractor's behalf and (ii) has executed a separate agreement with the State that directly obligates Reseller to fulfill Purchase Orders in accordance with the terms and conditions set forth in this Participating Addendum and the Master Agreement.

Contractor may, in its sole discretion, add Fulfillment Partners at any time during the term of this Participating Addendum. Contractor may designate a minimum of two Fulfillment Partners and no set maximum number of Fulfilment Partners to provide sales and services support. Contractor, in its sole discretion, is not required to add, and may delete upon thirty (30) days written notice, any Fulfillment Partner who does not meet Contractor's established qualifying criteria, or where the addition of the entity would violate any state or federal law or regulation. Except as otherwise set forth in the Master Agreement, Contractor will not, directly or indirectly, restrict any Reseller's participation or ability to quote pricing for the State. Resellers shall not offer less favorable pricing discounts than the discounts established under the Master Agreement. State or an Additional Purchaser in the discretion and at the sole legal obligation of the Reseller.

a. **Method of Ordering for State Purchasers:** For any and all purchases made by State Purchasers under this Participating Addendum, a Purchase Order shall be issued when purchases are made. This restriction is not applicable to Additional Purchasers.

State Purchasers may not procure Software as a Service without first preparing specific terms for the procurement and obtaining prior approval from the Office of the Attorney General and State CIO/ADS Secretary. The foregoing restriction does not apply to Additional Purchasers. Any additional software license terms and conditions that require separate terms and conditions shall be presented to the ordering entity at the time of quote.

c. **No Lease Agreements:** State Purchasers are prohibited from leasing under this Participating Addendum. This restriction is not applicable to Additional Purchasers. The Neopost Government Product Lease Agreement submitted with the NASPO Master Agreement is approved for use by Additional Purchasers.

d. **Delivery:** Title and Risk of Loss remains with the Contractor until the product is properly delivered in accordance with this Participating Addendum as outlined in the Master Agreement Section 5.0 (beginning at page 9 of the Master Agreement) and Section 11 (at page 41 of the Master Agreement). Contractor shall ensure that shipments are securely and properly packed, according to accepted commercial practices, without extra charge for packing cases or other containers. Upon delivery, such containers will become the property of the State unless otherwise stated. Delivered goods that either do not conform to the specifications or are not in good condition upon receipt shall be replaced promptly by Contractor.

The State does not agree to reimburse Contractor for expenses except as may be specified in Attachment B to this Participating Addendum.

A Purchasing Entity shall determine whether all Products and Services delivered meet the Contractor's published specifications (a.k.a. "Specifications"). No payment shall be made for any Products or Services until the Purchasing Entity has accepted the Products or Services. The Purchasing Entity will make every effort to notify the Contractor within seven (7) business days following delivery of non-acceptance of a Product or Service. In the event that the Contractor has not been notified within 7 business days from delivery of Product or completion of Service, the Product and Services will be deemed accepted on the 8th business day after delivery of Product or completion of Services. This clause shall not be applicable if accepting testing and corresponding terms have been mutually agreed by both parties in writing.

e. **Quality:** All products provided by Contractor under this contract will be new and unused, unless otherwise stated. Factory seconds or remanufactured products will not be accepted unless specifically requested by the State. All products provided by Contractor must meet all federal, state, and local standards for quality and safety requirements. Products not meeting these standards will be deemed unacceptable and returned to Contractor for credit at no charge to the State.

ATTACHMENT B: PAYMENT PROVISIONS

1. **Payment Terms:** Net 30 from the date the State receives an error-free invoice with full and complete supporting documentation.

2. **F.O.B. Delivered:** All equipment pricing is to include F.O.B. delivery to the ordering facility. No request for extra delivery cost will be honored.

3. **Pricing:** Product offerings and complete details of product pricing applicable to this PA are set forth in the Pricing Document which is maintained on-line at http://www.naspovaluepoint.org/#/current-contracts/contractors/results/538.

   Contractor discounts are off the entire U.S. Global Price Lists as set forth in the PSS Discount Schedule. The discounts provided will remain valid for the Contract Term and will be applied as a discount off Contractor's then-current baseline Price List.

   The discounts provided are floor discounts (minimum guarantees). Additional volume pricing is available and individual transactions may qualify for additional, incremental discounts/firm fixed pricing or incentives provided by Contractor's Authorized Resellers at their sole discretion. NASPO ValuePoint, the Participating States and/or the Participating Entities may also actively solicit Contractor's Authorized Resellers for deeper discounts than the minimum contract pricing as set forth in the Product and Services Discount Schedule. In any event, final transactional pricing shall be determined by the Authorized Resellers and not by Contractor; provided, however, that the minimum discounts set forth on the Cost Schedule are met.

4. **Invoicing:** Invoices shall be submitted on the Contractor's standard billhead and forwarded directly to the institution or agency ordering materials or services and shall specify the address to which payments will be sent.

5. **Purchasing Card:** The State Purchasing Card may be used by State Purchasers for the payment of invoices. Use of the Purchasing Card requires all required documentation applicable to the purchase. The Purchasing Card is a payment mechanism, not a procurement approach and, therefore, does not relieve departments from adhering to all procurement laws, regulations, policies, procedures, and best practices. This includes but is not limited to the application of all sales and use tax laws, rules and policies as applicable to the purchase. Purchasing cards cannot be used for postage.
