7. **No Lease Agreements.** Contractor is prohibited from leasing to State Purchasers under this Participating Addendum. Additional Purchasers are not subject to this prohibition and may negotiate lease agreements with Contractor if the terms of the Master Agreement permit leasing.

8. **Requirements for Ordering.**

**Orders:** Any order placed by the State or an Additional Purchaser for a product or service available under this Participating Addendum (hereinafter "Purchase Order") shall be deemed to be a sale governed by the prices and other terms and conditions of this Participating Addendum, provided that the Master Agreement number and the Participating Addendum Number must appear on every Purchase Order placed under this Participating Addendum.

Purchase Orders may only be placed directly through Contractor or through a subcontractor of the Contractor that is both approved by Contractor and authorized by the State of Vermont (hereinafter "Distributor"). A Distributor shall not solicit or otherwise fulfill any Purchase Order unless the Distributor (i) is an entity approved by Contractor, in accordance with Contractor's established qualifying criteria, to provide sales and service support to participants in the NASPO ValuePoint Master Price Agreement on Contractor's behalf and (ii) has executed a separate agreement with the State that directly obligates Distributor to fulfill Purchase Orders in accordance with the terms and conditions set forth in this Participating Addendum and the Master Agreement.

The Master Agreement number and the Participating Addendum Number must appear on every Purchase Order placed under this Participating Addendum.

- a. **Method of Ordering for State Purchasers:** For any and all purchases made by State Purchasers under this Participating Addendum, a Purchase Order shall be issued when purchases are made. Written Purchase Orders must be used to order items available under this Participating Addendum. Verbal order shall not be accepted by Contractor or Contractor's Distributor unless or until a confirming Purchase Order is issued.
- b. In accordance with State of Vermont VISION Procedure #3, purchases made on contract by utilizing the State of Vermont Purchasing Card are exempt from requiring a Purchase Order.
- c. The Contractor acknowledges and agrees that any annual values or quantities included such bid solicitations are estimates only based on prior usage and that actual purchases may be higher or lower depending on Vermont's needs.

9. **Payment Provisions and Invoicing.**

- a. Product offerings and complete details of product pricing, including discounts, applicable to this Participating Addendum are set forth in the Price File (Exhibit B) maintained on-line at Contractor's NASPO ValuePoint Webpage listed above.

- d. In the discretion of the Purchasing Entity, retainage may be specified in a Purchase Order, in an amount mutually agreeable to the parties.

Invoices shall itemize all work performed during the invoice period, including, as applicable, the dates of service, rates of pay, hours of work performed, and any other information and/or documentation appropriate and sufficient to substantiate the amount invoiced for payment. As applicable, a copy of the notice(s) of acceptance shall accompany invoices submitted for payment.
  - f. Invoices shall be sent to the address identified on the Purchasing Entity's Purchase Order and shall specify the address to which payments will be sent.   - h. Unopened Products can be returned with no restocking fee up to 30 days from the date of receipt.
  - i. The State Purchasing Card may be used by State Purchasers for the payment of invoices. Use of the Purchasing Card requires all required documentation applicable to the purchase. The Purchasing Card is a payment mechanism, not a procurement approach and, therefore, does not relieve State Purchasers from adhering to all procurement laws, regulations, policies, procedures, and best practices.
10. **Reporting.** Contractor shall submit quarterly reports electronically in the same format as set forth under the Master Agreement, detailing the purchasing of all items under this Participating Addendum. Contractor's reporting shall state "no activity" for any month in which there is no activity during a quarterly reporting period.

Upon termination or expiration of this Participating Addendum, each party will assist the other in orderly termination of the Participating Addendum and the transfer of all assets, tangible and intangible, as may facilitate the orderly, non-disrupted business continuation of each party. This provision shall not relieve the Contractor of the obligation to perform under any order executed prior to the effective date of termination or other expiration of this Participating Addendum.
