3. **LIQUIDATED DAMAGES &/OR PRODUCT REJECTION, GENERALLY:** Delivered salt that does not meet the required specifications, shall be subject to Liquidated Damage and or price adjustment. Penalties, if any, for a multi-truckload delivery will be based on the single most unfavorable sample taken during that particular overall delivery. The state reserves the right to accept or reject any salt or deliveries which do not conform to the specifications for screen size, chemical quality or moisture content, or which are not delivered in good condition. Shipments that are rejected will be returned to the Contractor at no cost to the state. Contractor agrees to promptly replace all rejected deliveries of salt.

VTrans shall submit an invoice or statement to the Contractor to recover all liquidated damages. A summary of VTrans laboratory test results will accompany the statement. Contractor shall make settlement for each liquidated damage claim within fifteen (15) days of receipt of each claim. Contractor will be disqualified to bid on other state procurements if there remains an outstanding liquidated damage balance that is owed to VTrans, as applicable, unless waived by the State.

DELIVERIES WHICH DO NOT CONFORM TO THE SPECIFICATIONS OR ARE NOT IN GOOD CONDITION UPON RECEIPT SHALL BE REPLACED PROMPTLY BY THE CONTRACTOR, AND AT THE EXPENSE OF THE CONTRACTOR.

4. **CHEMICAL COMPOSITION:** Total chlorides expressed as NaCl shall be a minimum of 95%
5. **LIQUIDATED DAMAGES AS TO CHEMICAL COMPOSITION:** Liquidated Damages will be assessed against the accumulated and mixed samples of each day’s deliveries to each location for salt that does not meet the chemical composition of total chlorides as follows:

Percent (%) of Sodium Chloride	Percent (%) of Payment of Unit Bid Price
95% - 100%	100%
94% - 95%	96%
93% - 94%	92%
Below 93%	Rejected

6. **GRADING:** The sodium chloride shall conform to the following particle size distribution specifications as determined by laboratory sieves:

Passing a ½” sieve 100%

Passing a 3/8" sieve	95% - 100%
Passing a No. 4 sieve	20% - 80%
Passing a No 8 sieve	10% - 50%
Passing a No 30 sieve	0% - 10%

7. **LIQUIDATED DAMAGES AS TO GRADING:** A penalty will be assessed for gradations that exceed the maximums specified in the Detailed Specifications for Mined Rock Salt. The bid price of the salt will be reduced by one (1) percent for each percent by which gradation exceeds the maximum allowed for the #30 sieve. Salt that does not meet the gradation specified for any of the sieve sizes may be cause for rejection at the discretion of the State.
8. **MOISTURE CONTENT:** Salt shall be in a free-flowing condition when received at the delivery location with a moisture content not to exceed one (1) percent. Samples will be sent to the VTrans laboratory to perform moisture content, gradation, and purity tests. Laboratory test results reports will be used to assess Liquidated Damages and the truck moistures will only be for the immediate acceptance or rejection of the product.
9. **REJECTION FOR EXCESS MOISTURE:** Rock salt that exceeds two and a half (2.5) percent moisture content will be subject to rejection at the delivery point unless the state elects to accept the salt due to supply emergencies or other extenuating circumstances.

Visible moisture leakage from the delivery vehicle will be cause for immediate rejection of the load.

10. **LIQUIDATED DAMAGES AS TO MOISTURE CONTENT:** Salt which exceeds the moisture content as specified will be subject to Liquidated Damages according to the following formula:

MOISTURE CONTENT	PERCENT (%) OF PAYMENT OF PRICE*
0 – 1%	100%

1.51 – 2.00%	94%
2.01 – 2.50%	90%
Above 2.5%	** See below

**If the State of VT elects to accept salt exceeding 2.5% moisture content, the penalty/price reduction shall be as follows:

$$\text{Percentage (\%)} \text{ of payment of unit bid price} = 100 - 10 (\text{moisture content in \%} - 1) = X\%$$

Example: Moisture content of 2.5%

$$\text{Percentage (\%)} \text{ of payment of unit bid price} = 100 - 10 (2.5 - 1)$$

$$\text{Percentage (\%)} \text{ of payment of unit bid price} = 85\%$$

11. **ANTI-CAKING ADDITIVE:** Salt shall be loose and free of lumps and shall contain not less than 20 ppm of pure anti-caking agent. Contractor must provide the appropriate Safety Data Sheet(s) (SDS) to VTrans prior to commencing deliveries, and before any proposed change in type or amount of anti-caking additive; Contractor shall not switch type or amount of anti-caking additive without advance written permission from VTrans.
12. **TESTING BY STATE:** VTrans laboratory shall test all submitted samples within fifteen (15) calendar days of product delivery.

13. **INSPECTIONS:** VTrans will collect a test sample at least once during the day during the course of a particular delivery, and shall have the option, in its sole discretion to test more than one individual delivered load during a multi-truckload delivery. Any Vermont political subdivision making use of a contract will be solely responsible for establishing and conducting their own testing processes, if any.
14. **PRODUCT SAMPLES:** VTrans reserves the right to visit and take samples from stockpile(s), transfer points or from shipments for gradation and moisture, storage conditions, etc. prior to award of Contract and at any time during the term of the contract. If the stockpile or stockpile site does not meet the specifications set forth in this document, VTrans reserves the right to reject the award of the contract.
15. **TEST RESULTS AND NOTIFICATION:** Once the test results are available, a copy of said test results will be emailed to the stated contact of the Contractor. The Contractor shall review the results and keep the results for their records. If Contractor wishes to dispute the supplied results, they will notify the State immediately in writing as to their reason for dispute. If during the contract period there are changes in Contractor contacts who receive test results, it shall be the contract Contractor's responsibility to communicate those changes to the State.
16. **ACCESS TO TEST SAMPLES:** Vermont Agency of Transportation does not retain samples.
17. **PRODUCT TESTING – ADDITIONAL PURCHASERS:** Additional purchasers who desire to test are responsible for establishing their own testing procedures. The process and any incurred cost associated with the process are the responsibility of the Additional Purchaser.
18. **SPECIFIED SOURCE:** Contractor must inform the State of the source of where the salt is being produced. If the source of the salt changes the Contractor is required to contact the purchasing agent prior to salt being delivered. The State has the right to reject any salt that comes from a different source without prior approval.
19. **STORAGE SPECIFICATIONS:** Contractor must inform the State of the location of where the salt is to be stored at prior to being delivered. If the location of the salt storage changes at any time throughout the contract, or if deliveries come from a different location, the Contractor is required to contact the VTrans Maintenance Director. The State has the right to reject any salt that comes from a different storage area without prior approval.
20. **COVERED STORAGE:** Salt piles are required to be covered at all times while at the Contractor's storage areas, except during active loading of delivery vehicles. Salt that is not covered is grounds for the State to reject any salt being delivered from uncovered storage locations.
21. **SALT PROTECTION DURING TRANSPORT:** Deliveries of salt shall be protected in transit by tight, waterproof coverings to avoid spillage. Said covering to be placed on load to prevent additional accumulation of moisture during transit and to insure the least possible moisture content upon delivery. Torn, ripped or permeable load covers are unacceptable and may be considered cause for rejection of load. Salt that has been contaminated with foreign matter will also be considered cause for rejection of load. Salt that is delivered without a VTrans employee inspecting the delivery may be considered cause for rejection of load.
22. **CONTRACTOR OBLIGATIONS AS TO FILL AT BEGINNING AND END OF SEASON:**
 - INITIAL FILL: FALL FILL OPTION:** Vermont shall notify Contractor by October 15, 2020 if Initial Fall Fill is required. If Fall Fill Option is required, Contractor shall complete the initial fill-up for Vermont AOT sheds in Districts 2, 3, 7, 8, and 9 by November 9, 2020.
 - SPRING FILL-UP/DEFERRED PAYMENT:** It is anticipated that a large portion of this contract will be used to fill storage sheds in the spring months. Vermont AOT provides district information for both the estimated usage as well as the capacities of the respective Sheds themselves. While usage figures across the State are

estimates, requirements for Spring Fill-up (shed capacities) are known, and therefore can be reasonably gauged as seasonal activity concludes. The State of Vermont reserves the right to make payment for such spring fill-up deliveries after July 1 of the contract year.

The obligation to fill the sheds at the end of the season is a separate and distinct contract requirement that is absolute, no matter how much salt the state uses in a given year.

- 23. **TRANSPORTATION COMPLIANCE:** The State of Vermont expects all deliveries of salt to be made in full conformance with existing State, National, or Provincial laws or regulations, in addition to the conditions and specifications set forth in this document and in any contracts resulting from this document. DELIVERIES WHICH DO NOT CONFORM TO THE SPECIFICATIONS OR ARE NOT IN GOOD CONDITION UPON RECEIPT SHALL BE REPLACED PROMPTLY BY THE CONTRACTOR, AND AT THE EXPENSE OF THE CONTRACTOR.

VEHICLE REGISTRATION AND DRIVER LICENSES

Vehicles must have a current commercial vehicle registration and inspection as applicable under state law. All drivers must meet all licensing requirements of the State of New Hampshire, or applicable governmental jurisdiction.

VERMONT REGISTRATIONS/PERMITS: The Trucker shall provide copies of any state vehicle registration and/or permits, including IFTA (International Fuel Tax Agreement) and Overweight Permits if applicable, with maximum registered gross weight indicated, to the District’s DTA or designee before acceptance of the material. Copies of permits provided after hauling has begun shall not be considered to be in effect for this contract prior to the date that the District’s DTA or designee receives the required copy

WEIGH SLIPS: All loads shall be weighed in accordance with 9 VSA (Vermont Statutes Annotated) Chapter 73 and Section 2744. NO split weighing shall be allowed. Contractor must provide a truck weight slip for each truckload of salt delivered and the slip numbers must appear on the invoice, delivered in-hand to an AOT employee with responsibility in connection with acceptance of deliveries, at place and time of delivery. All weight tickets shall be mechanically or electronically printed. Handwritten weight tickets will not be accepted and loads with hand-written tickets shall be rejected. PAYMENT SHALL NOT BE MADE FOR THAT PORTION OF ANY LOAD EXCEEDING THE LEGAL MAXIMUM REGISTERED GROSS WEIGHT OF THE DELIVERING VEHICLE. All such material shall be deposited along with the balance of the load at an appropriate VTrans facility under the terms of these specifications. Repeated violations can be the subject for disqualification of the Contractor, hauler, or both. All delivery vehicles will be required to obtain a tare weight daily prior to delivering any materials to VTrans. Vehicle manufacturers “Curb Weight” shall not be permissible for tare weights.

- 24. **REPORTING REQUIREMENTS:** Contractor will be required to submit quarterly product sales report to the Purchasing Agent pursuant to the schedule below detailing the purchasing of all items under this Contractor. Contractor’s reporting shall state "no activity" for any month in which there is no activity during a quarterly reporting period.

- a. The reports shall be an excel spreadsheet transmitted electronically to the Purchasing Agent.
- b. Reports are due for each quarter as follows:

Reporting Period	Report Due
January 1 to March 31	April 30

April 1 to June 30	July 31
July 1 to September 30	October 31
October 1 to December 31	January 31

- c. Failure to meet these reporting requirements may result in suspension or termination of this Contract.
- d. Notwithstanding the fact that any payment obligation for sales by contractor to any political subdivision or college, pursuant to “Purchasing Entities,” below, shall be solely between the political subdivision or college and the contractor, the contractor must include, in reporting to State, the figures on quantities sold by contractor to, and amounts paid to contractor by, any such political subdivisions or independent colleges.

25. **DELIVERY:** Responsibility for product delivery remains with Contractor until the product is properly delivered and signed for.

26. **STATE HOLIDAYS:** Unless otherwise arranged with the DTA or location contact in advance, deliveries will not be arranged or accepted on any official State of Vermont holiday. A list of state holidays is available at <https://humanresources.vermont.gov/benefits-wellness/holiday-schedule>

27. **DELIVERY TIME OBLIGATIONS:** Contractor must accomplish delivery of any item ordered under the contract within five (5) business days from request, when the State or Additional Purchaser indicates that time is of the essence, then Contractor will make all practicable efforts to deliver at Contractor’s earliest achievable opportunity.

Truck deliveries for Vermont AOT Districts will be accepted only during the hours of 7:00 am to 3:30 pm Monday through Friday (except Vermont State holidays), unless otherwise arranged with the District Transportation Administrator (DTA) or location contact (General Manager) prior to each delivery.

Delivery times for other State agencies and any other Additional Purchaser will be determined between each such purchaser and Contractor.

The use of a private carrier to make delivery does not relieve the Contractor from the responsibility of meeting the delivery requirement.

28. **DELIVERY LOGISTICS:** All truck deliveries are to be made to the doorways of the salt shed. State Personnel will push salt into the shed. Contractor must coordinate deliveries with Districts to ensure that appropriate resources are available to inspect and receive salt deliveries. Contractor shall make every effort to have deliveries be continuous until quantity ordered has been delivered to accommodate scheduling of personnel and equipment within the District. Contractor will make every effort to have delivery vehicles arrival times spread out so as not to exceed the capacity of the equipment used to pile the salt. Contractor should note that the configuration of some areas might make the use of tractor-trailer delivery unacceptable, specially, Jamaica under District 2 tractor-trailers cannot be used, and North Hero and Georgia sites under District 8 prefer dump trucks. District’s DTA or designees are to cooperate with the contractor in making adequate arrangements at salt shed locations so that the contractor can unload 20-ton loads speedily at the locations.

29. **DEFAULT:** In case of default of the Contractor, the State may procure the materials or supplies from other

sources and hold the Contractor responsible for any excess cost occasioned thereby, provided, that if public necessity requires the use of materials or supplies not conforming to the specifications they may be accepted and payment therefore shall be made at a proper reduction in price.

Without limiting the foregoing: The State reserves the right to order salt from another Contractor when the Contractor is unable to complete an order per these specifications and the area receiving the shipment has a salt supply on hand less than the requirement for 48 hours of storm coverage, as determined by the District's DTA or designee. Difference in cost between contracted amount and that which is paid by the State will be charged to the account of the original contractor.

claims or audit findings involving the records have been resolved.

14. Fair Employment Practices and Americans with Disabilities Act: Party agrees to comply with the requirement of 21 V.S.A. Chapter 5, Subchapter 6, relating to fair employment practices, to the full extent applicable. Party shall also ensure, to the full extent required by the Americans with Disabilities Act of 1990, as amended, that qualified individuals with disabilities receive equitable access to the services, programs, and activities provided by the Party under this Agreement.

15. Set Off: The State may set off any sums which the Party owes the State against any sums due the Party under this Agreement; provided, however, that any set off of amounts due the State of Vermont as taxes shall be in accordance with the procedures more specifically provided hereinafter.

16. Taxes Due to the State:

- A. - D. Party also understands the State may set off taxes (and related penalties, interest and fees) due to the State of Vermont, but only if the Party has failed to make an appeal within the time allowed by law, or an appeal has been taken and finally determined and the Party has no further legal recourse to contest the amounts due.

17. Taxation of Purchases: All State purchases must be invoiced tax free. An exemption certificate will be furnished upon request with respect to otherwise taxable items.

18. Child Support: (Only applicable if the Party is a natural person, not a corporation or partnership.) Party states that, as of the date this Agreement is signed, he/she:

- A. is not under any obligation to pay child support; or
- B. is under such an obligation and is in good standing with respect to that obligation; or
- C. has agreed to a payment plan with the Vermont Office of Child Support Services and is in full compliance with that plan.

Party makes this statement with regard to support owed to any and all children residing in Vermont. In addition, if the Party is a resident of Vermont, Party makes this statement with regard to support owed to any and all children residing in any other state or territory of the United States.

19. Sub-Agreements: Party shall not assign, subcontract or subgrant the performance of this Agreement or any portion thereof to any other Party without the prior written approval of the State. Party shall be responsible and liable to the State for all acts or omissions of subcontractors and any other person performing work under this Agreement pursuant to an agreement with Party or any subcontractor.

In the case this Agreement is a contract with a total cost in excess of \$250,000, the Party shall provide to the State a list of all proposed subcontractors and subcontractors' subcontractors, together with the identity of those subcontractors' workers compensation insurance providers, and additional required or requested information, as applicable, in accordance with Section 32 of The Vermont Recovery and Reinvestment Act of 2009 (Act No. 54).

Party shall include the following provisions of this Attachment C in all subcontracts for work performed solely for the State of Vermont and subcontracts for work performed in the State of Vermont: Section 10 ("False Claims Act"); Section 11 ("Whistleblower Protections"); Section 12 ("Location of State Data"); Section 14 ("Fair Employment Practices and Americans with Disabilities Act"); Section 16 ("Taxes Due the State"); Section 18 ("Child Support"); Section 20 ("No Gifts or Gratuities"); Section 22 ("Certification Regarding Debarment"); Section 30 ("State Facilities"); and Section 32.A ("Certification Regarding Use of State Funds").

20. No Gifts or Gratuities: Party shall not give title or possession of anything of substantial value (including property, currency, travel and/or education programs) to any officer or employee of the State during the term of this Agreement.

21. Copies: Party shall use reasonable best efforts to ensure that all written reports prepared under this Agreement are printed using

both sides of the paper.

22. Certification Regarding Debarment: Party certifies under pains and penalties of perjury that, as of the date that this Agreement is signed, neither Party nor Party's principals (officers, directors, owners, or partners) are presently debarred, suspended, proposed for debarment, declared ineligible or excluded from participation in Federal programs, or programs supported in whole or in part by Federal funds.

Party further certifies under pains and penalties of perjury that, as of the date that this Agreement is signed, Party is not presently debarred, suspended, nor named on the State's debarment list at: <http://bgs.vermont.gov/purchasing/debarment>

23. Conflict of Interest: Party shall fully disclose, in writing, any conflicts of interest or potential conflicts of interest.

24. Confidentiality: Party acknowledges and agrees that this Agreement and any and all information obtained by the State from the Party in connection with this Agreement are subject to the State of Vermont Access to Public Records Act, 1 V.S.A. § 315 et seq.

25. Force Majeure: Neither the State nor the Party shall be liable to the other for any failure or delay of performance of any obligations under this Agreement to the extent such failure or delay shall have been wholly or principally caused by acts or events beyond its reasonable control rendering performance illegal or impossible (excluding strikes or lock-outs) ("Force Majeure"). Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.

26. Marketing: Party shall not refer to the State in any publicity materials, information pamphlets, press releases, research reports, advertising, sales promotions, trade shows, or marketing materials or similar communications to third parties except with the prior written consent of the State.

27. Termination:

- A. Non-Appropriation:** If this Agreement extends into more than one fiscal year of the State (July 1 to June 30), and if appropriations are insufficient to support this Agreement, the State may cancel at the end of the fiscal year, or otherwise upon the expiration of existing appropriation authority. In the case that this Agreement is a Grant that is funded in whole or in part by Federal funds, and in the event Federal funds become unavailable or reduced, the State may suspend or cancel this Grant immediately, and the State shall have no obligation to pay Subrecipient from State revenues.
- B. Termination for Cause:** Either party may terminate this Agreement if a party materially breaches its obligations under this Agreement, and such breach is not cured within thirty (30) days after delivery of the non-breaching party's notice or such longer time as the non-breaching party may specify in the notice.
- C. Termination Assistance:** Upon nearing the end of the final term or termination of this Agreement, without respect to cause, the Party shall take all reasonable and prudent measures to facilitate any transition required by the State. All State property, tangible and intangible, shall be returned to the State upon demand at no additional cost to the State in a format acceptable to the State.

28. Continuity of Performance: In the event of a dispute between the Party and the State, each party will continue to perform its obligations under this Agreement during the resolution of the dispute until this Agreement is terminated in accordance with its terms.

29. No Implied Waiver of Remedies: Either party's delay or failure to exercise any right, power or remedy under this Agreement shall not impair any such right, power or remedy, or be construed as a waiver of any such right, power or remedy. All waivers must be in writing.

30. State Facilities: If the State makes space available to the Party in any State facility during the term of this Agreement for purposes of the Party's performance under this Agreement, the Party shall only use the space in accordance with all policies and procedures governing access to and use of State facilities which shall be made available upon request. State facilities will be made available to Party on an "AS IS, WHERE IS" basis, with no warranties whatsoever.

31. Requirements Pertaining Only to Federal Grants and Subrecipient Agreements: If this Agreement is a grant that is funded in whole or in part by Federal funds:

- A. Requirement to Have a Single Audit:** The Subrecipient will complete the Subrecipient Annual Report annually within 45 days after its fiscal year end, informing the State of Vermont whether or not a Single Audit is required for the prior fiscal year. If a Single Audit is required, the Subrecipient will submit a copy of the audit report to the granting Party within 9

months. If a single audit is not required, only the Subrecipient Annual Report is required.

For fiscal years ending before December 25, 2015, a Single Audit is required if the subrecipient expends \$500,000 or more in Federal assistance during its fiscal year and must be conducted in accordance with OMB Circular A-133. For fiscal years ending on or after December 25, 2015, a Single Audit is required if the subrecipient expends \$750,000 or more in Federal assistance during its fiscal year and must be conducted in accordance with 2 CFR Chapter I, Chapter II, Part 200, Subpart F. The Subrecipient Annual Report is required to be submitted within 45 days, whether or not a Single Audit is required.

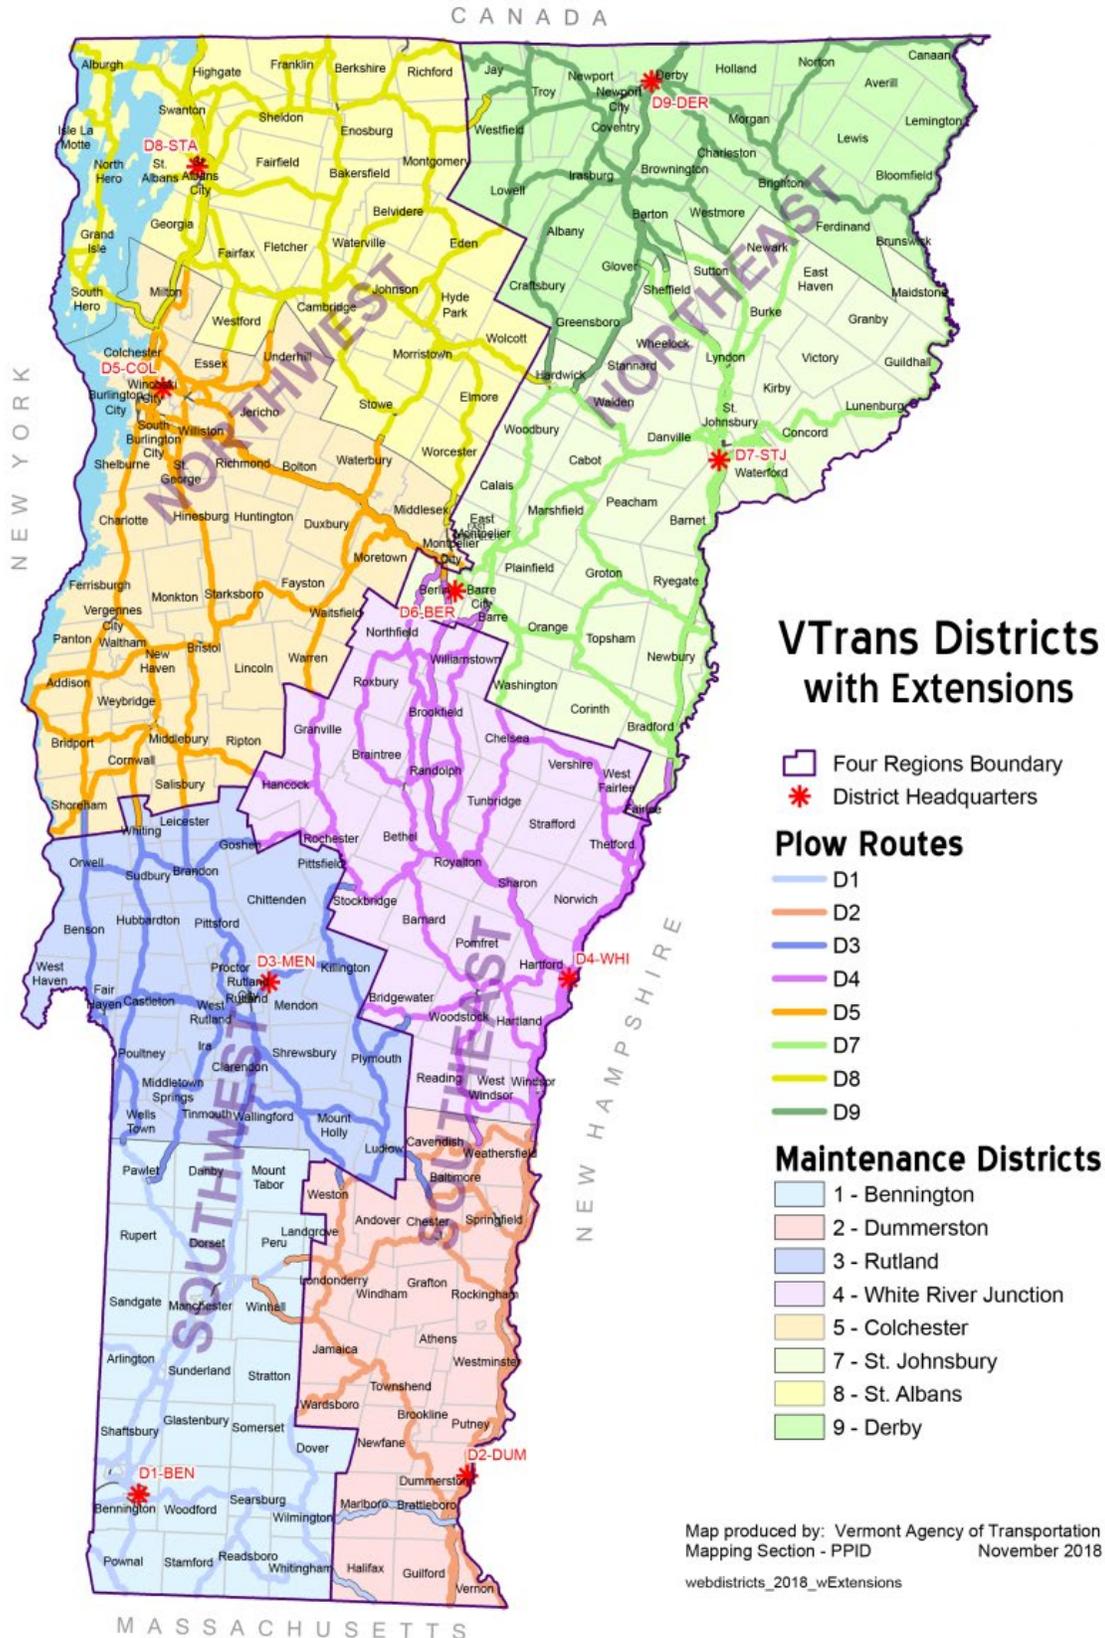

- B. Internal Controls:** In accordance with 2 CFR Part II, §200.303, the Party must establish and maintain effective internal control over the Federal award to provide reasonable assurance that the Party is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in “Standards for Internal Control in the Federal Government” issued by the Comptroller General of the United States and the “Internal Control Integrated Framework”, issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- C. Mandatory Disclosures:** In accordance with 2 CFR Part II, §200.113, Party must disclose, in a timely manner, in writing to the State, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to make required disclosures may result in the imposition of sanctions which may include disallowance of costs incurred, withholding of payments, termination of the Agreement, suspension/debarment, etc.

32. Requirements Pertaining Only to State-Funded Grants:

- A. Certification Regarding Use of State Funds:** If Party is an employer and this Agreement is a State-funded grant in excess of \$1,001, Party certifies that none of these State funds will be used to interfere with or restrain the exercise of Party’s employee’s rights with respect to unionization.
- B. Good Standing Certification (Act 154 of 2016):** If this Agreement is a State-funded grant, Party hereby represents: (i) that it has signed and provided to the State the form prescribed by the Secretary of Administration for purposes of certifying that it is in good standing (as provided in Section 13(a)(2) of Act 154) with the Agency of Natural Resources and the Agency of Agriculture, Food and Markets, or otherwise explaining the circumstances surrounding the inability to so certify, and (ii) that it will comply with the requirements stated therein.
