7. **No Lease Agreements with State Purchasers.** Contractor is prohibited from leasing to State Purchasers under this Agreement. Any breach of this prohibition shall be grounds for termination of this Agreement by the State and the immediate cancellation of any applicable purchases. Additional Purchasers are not subject to this prohibition and may negotiate lease agreements directly with Contractor if and to the extent leasing is contemplated under the terms of the Master Agreement.
8. **Requirements for Ordering.**
 - a. Orders must be placed pursuant to this Agreement prior to the termination of this Agreement but may have a delivery date or performance period.

If the Per Unit is indicated in the Equipment Maintenance Information Section on an order, the Maintenance Base Charge and the Covered Images listed in each Section of the Face Page shall apply on a per unit basis for the Equipment listed in that Section. Unless otherwise indicated on the Face Page, you authorize DEALER to use networked features of the Equipment and remote reporting software ("Remote Software") to obtain meter readings, receive software updates, activate features/new licenses and transmit use and service data accumulated by the Equipment over your network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment, providing reports and product improvement.
- 2. HOURS OF OPERATION AND ACCESS TO EQUIPMENT.** Maintenance shall be performed during DEALER's local regular business hours (8:30 A.M. to 5:00 P.M. DEALER may terminate its Maintenance obligations for any Equipment you relocate to a site outside DEALER's service territory.

Toner is supplied for exclusive use with the unit of Equipment for which it is provided. DEALER may terminate the Maintenance under this Agreement if you use the consumables in a different manner. If your use of consumables exceeds the typical use pattern (as determined solely by DEALER) for these items by more than 10% of the published manufacturer specifications for conventional office image coverage, or should DEALER, in its sole discretion, determine that consumables are being misused in any fashion, DEALER may invoice you for such excess usage and you agree to pay for such improper or excess use, provided that DEALER shall not invoice you for excess toner usage as aforementioned unless and until DEALER has first notified you of the excess toner usage, and until you and DEALER have consulted in good faith in an attempt to identify the reason(s) for the excess toner usage and you have had a reasonable opportunity, if practicable, to rectify the excess toner usage. Consumable Inclusive Maintenance is predicated upon deployment of DEALER's remote reporting software, which may include Auto-Toner Replenishment. If expiration dates are indicated on your consumable containers, you shall use the oldest container(s) first. You shall bear all risk of loss, theft or damage to unused consumables, which shall remain DEALER's property and shall be returned promptly upon termination of Maintenance for the applicable unit of Equipment.

DEALER may withhold service under this Agreement in whole or in part until any delinquent payment is received by DEALER. DEALER may terminate this Agreement in whole or in part upon your default with thirty (30) days notice to you, unless such default is cured by you within the thirty (30) day period. If an overdue payment is disputed in good faith within thirty (30) days after the due date thereof, you shall pay all undisputed amounts and promptly make a good faith effort to resolve such dispute with DEALER. In the event of your default, DEALER may, without limiting its other rights and remedies available under applicable law and this Agreement, require you to pay all charges then due but unpaid, including any applicable late charges or early termination fees as allowed under the Master Agreement.

The term of this Master Agreement may be amended beyond the initial term for up to three (3) consecutive one (1) year additional terms, upon the mutual agreement of the Lead State and Contractor, by written Amendment. The total duration of the Master Agreement, including any extensions, shall not exceed five (5) years.
- 2.3 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

III. Order of Precedence

- 3.1 Order.** This Master Agreement will consist of the following documents:

Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement, nor will it include Products and Services not awarded under the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing

Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.

4.10 No Representations. The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

5.1 Applicability. NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

5.2 Administrative Fees

5.2.1 NASPO ValuePoint Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.1.1 Contractor will report on all Usage Based Equipment sales, and on Usage Based or Life Cycle Service and Supply sales. This method will no longer require the Contractor to capture the actual Service and Supply revenues that are billed to the customer each month.

5.2.1.2 Industry research has shown close to a 1:1 ratio between sales price on a piece of Equipment and the actual amount of Service and Supply costs required to operate that Equipment over its Useful Life. Therefore, to simplify the reporting process and remove the burden to capture the actual Service and Supply costs, the Contractor may report as follows:

5.2.1.2.1 Purchased Equipment: Contractor shall report the actual amount invoiced (less any taxes) for all Equipment sold under the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Life Cycle Service and Supplies," or an actual amount and identified as "Usage Based Service and Supplies," providing the customer elects to enter into a Maintenance Agreement. Thus, in the Contractor's Detailed Sales Report, for each item sold, there will be two-line items: one for the piece of Equipment, and one for the Life Cycle or Usage Based Service and Supplies. The amount reflected for the Life Cycle Service and Supplies must be equal to the amount of the Equipment.

5.2.1.2.2 Leased Equipment: Contractor may report sales according to the Purchased Equipment methodology described above, or they may report the actual amount invoiced (less any taxes) for the lease during the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Life Cycle Service and Supplies," or an actual amount and identified as "Usage Based

Service and Supplies.” Thus, in the Contractor’s Detailed Sales Report, for each item leased or rented, there will be two-line items: one for the invoice amount to the customer for the Equipment, and one for the Life Cycle or Usage Based Service and Supplies. The amount reflected for the Life Cycle Service and Supplies must be equal to the amount of the invoiced Equipment.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum (“Sales Data”). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

5.3.2 Summary Sales Data. “Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.

5.3.3 Detailed Sales Data. “Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.

5.3.4 Sales Data Crosswalks. Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and

specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Contractor’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.

5.3.5 Executive Summary. Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

5.4.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor’s contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

5.4.2 Onboarding Plan. Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor’s website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

5.4.3 Annual Contract Performance Review. Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

5.4.4 Use of NASPO ValuePoint Logo. The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.

5.4.5 Most Favored Customer. Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor

shall provide a copy of any such provisions.

- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Canadian Participation.** Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.
- 5.7 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed ("ceiling") price to any Purchasing Entity.
- 6.1.1** MSRP/List Price discount percentages must be guaranteed throughout the term of the Master Agreement, including any renewal terms, however; Contractor may increase its discount percentage at any time. The Lead State must be notified of any such discount percentage increase, and provided with a copy of the new Price List(s).
- 6.1.2** With the exception of Group C and Sub-Group C1 and C2 Devices, pricing must include all shipping, delivery, and installation costs associated with the Products. Excess installation charges however, may be billable. Refer to section IV.E.5 of Exhibit A, Statement of Work, for more information.
- 6.1.3** Price Lists received after the 1st day of the new quarter may not be approved for up to thirty (30) days following submission. In addition, errors in Contractor Price Lists may delay the approval process further.
- 6.1.4** Contractor may update their lease rates once per quarter by providing the Lead State with documentation regarding said rate changes. Updates to lease rates will not be permitted until 8/1/2025.
- 6.1.5** Pricing shall remain firm during the first twelve (12) months of the Master Agreement (e.g. 8/1/2024 – 7/31/2025). Contractor may then update their pricing

once per calendar year. All requested price increases must be sent to the Lead State and include documentation from Contractor which provides a detailed explanation for the increase. While there will not be any restrictions regarding direct and indirect cost increases, it will be at the Lead State's sole discretion to determine if the requested increase has a direct correlation to the Deliverables being offered under the Master Agreement. Price increases shall be allowed for all Products and all Services, including rate and fee structures on maintenance plans.

- 6.1.6** All approved Price Lists will be submitted by the Lead State to NASPO ValuePoint. Contractor shall then update all applicable websites with the new Price Lists after the NASPO ValuePoint website has been updated. Contractor is not permitted to send Price List updates directly to NASPO ValuePoint.
- 6.1.7** All inclusive Cost Per Copy (CPC) programs may be offered upon request by the Participating State or Entity, but pricing must not exceed Master Agreement pricing. Contractor must provide the Participating State or Entity with their pricing breakdown which enables the Participating State or Entity to easily compare the pricing in the CPC structure against the pricing in the Master Agreement.
- 6.1.8** Contractor may offer state-wide promotional discounts, customer location specific discounts, bulk discounts, or spot discounts. Contractor must notify the Participating State or Entity of special state-wide promotional discounts.
- 6.1.9** No retroactive adjustments to prices or rates will be allowed.

6.2 Payment. Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

6.3 Leasing or Alternative Financing Methods. The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. **Exhibit A, Statement of Work**, contains Leasing provisions; however, it shall be at the discretion of each Participating State or Entity to accept these terms, reject these terms, or further negotiate the terms with the Contractor, as long as those negotiations don't fall outside the original scope of the RFP or the Master Agreement.

***For example:** The maximum lease term on Group A Devices is 60 months; Contractor is not permitted to offer a lease term in excess of this.*

VII. Ordering

- 7.1 Order Numbers.** Purchase Order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and

policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

- 7.5.2** Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
- 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.
- 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

- 7.11** Contractor and/or Authorized Dealers may charge the Purchasing Entity a re-stocking fee for any Products that are not accepted. The amount of the fee shall be the lesser of 10% of the purchase price, or \$200.00, unless otherwise specified in a Participating Addendum.
- 7.12** Contractor and/or Authorized Dealers may estimate meter reads if a Purchasing Entity fails to submit the required information within the specified time-frame.
- 7.13** All software Orders shall reference the Manufacturer's most recent release or version of the Product, unless the Purchasing Entity specifically requests a different version.
- 7.14** Contractor, Third-Party leasing companies, and/or Authorized Dealers may bill property tax separately or as otherwise indicated in a Participating Addendum or an Order.
- 7.15** Contractor and/or Authorized Dealers shall have a process in place for resolving disputed invoices, including escalation procedures. In addition, Contractor and/or Authorized Dealers shall have a process in place for issuing refunds or credits due to invoicing errors, as well as over-payments and Product returns.
- 7.16** Internet-based Portal and Electronic Catalogs. If Contractor provides the ability to place an Order through an internet-based portal or electronic catalog, then Contractor shall maintain all necessary hardware, software, backup-capacity and network connections required to operate that internet-based portal or electronic catalog. - 7.16.5** Paper catalogs or other digital media catalogs must be supplied to the Participating State or Entity upon request.
- 7.17** **Communication.** All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- 7.18** **Substitutions.** If an ordered Product is out-of-stock, Contractor shall notify the Purchasing Entity and request approval before substituting for the out-of-stock item. Contractor's

request to substitute shall explain how the substituted Product compares with the out-of-stock item. Any substitute Product offered must be on the Contractor's Master Agreement Price List.

- 7.19 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.
- 7.20 Supplemental Documents.** All Attachments to this Master Agreement have been reviewed and negotiated by the Lead State only to the extent that they comply with the terms and conditions of RFP-NP-23-001 as well as this Master Agreement. Participating States and Entities are still advised however, to review each Supplemental Document and negotiate the terms and conditions further with Contractor if necessary. It shall be at the discretion of Contractor and Purchasing Entity to determine which Supplemental Documents are appropriate for each Order type. With the exception of End User License Agreements (EULA's), clickwrap agreements, and any third party software agreements, which have not been reviewed or negotiated by the Lead State, nor are they attached to this Master Agreement, only the Supplemental Documents attached to this Master Agreement are permitted to be used for any Order placed.

VIII. Shipping and Delivery

- 8.1 Shipping Terms.** With the exception of Group C and Sub-Groups C1 and C2 Devices, all Products must be shipped F.O.B. destination, standard freight pre-paid by the Contractor, to the Purchasing Entity's specified location, unless otherwise indicated in a Participating Addendum. Group C and Sub-Groups C1 and C2 shipping charges shall be quoted to the Purchasing Entity prior to Order confirmation.
- 8.1.1** Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until the Purchasing Entity has taken possession of the Device, at which point responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.
- 8.2 Available Products.** Devices that are in-stock or otherwise not subject to supply-chain shortages or issues, shall be delivered within thirty (30) calendar days after receipt of Order, unless otherwise specified by the Purchasing Entity.
- 8.3 Required Updates.** Contractor shall provide a minimum of semi-monthly updates to the Purchasing Entity regarding the status of all Devices that are, or will be expected to go, on backorder.
- 8.4 Software Installation.** Software related to the Device must be installed within five (5) Business Days of the Device installation, or as otherwise stated in an Order.
- 8.5 Delivery Days and Receiving Hours.** All deliveries shall be made during Normal Business Hours, which may vary for each Purchasing Entity of each Participating State. - 9.3** With the exception of drop-shipped Devices, Purchasing Entity shall confirm delivery, installation and Acceptance of all Devices covered by each purchase or lease Order, by signing a Delivery and Acceptance Certificate (D&A), as referenced in **Exhibit B, Sample D&A Certificate**, which shows Acceptance of the Device(s) and allows Contractor to invoice for the Device(s).
- 9.4** Purchasing Entity agrees to sign and return the D&A to Contractor (which, at mutual agreement, may be done electronically) within five (5) Business Days after any Device is installed, or as otherwise stated in a Participating Addendum.
- 9.5** Failure to sign the D&A or reject the Device(s) within the foregoing five (5) day period shall be deemed as Acceptance by the Purchasing Entity; however, it does not relieve the Contractor of liability for material (nonconformity that substantially impairs value) defects subsequently revealed when Devices are put to use. Acceptance of such Devices may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor shall be liable for any resulting expense incurred by the Purchasing Entity in relation to the preparation and shipping of Devices(s) rejected and returned, or for which Acceptance is revoked.
- 9.6 Inspection.** All Devices are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.
- 9.6.1** Devices that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.
- 9.6.2** Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Device

rejected and returned, or for which Acceptance is revoked.

- 9.7 Failure to Conform.** If any Services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the Services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of Services performed.
- 9.8 Acceptance Testing.** Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Device meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.
- 9.8.1** The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Device is delivered or, if installed by Contractor, the day after the Device is installed and Contractor certifies that the Device is ready for Acceptance Testing.
- 9.8.2** If the Device does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.
- 9.8.3** Upon rejection, the Contractor will have thirty (30) calendar days to cure. If after the cure period, the Device still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Device from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.
- 9.8.4** Contractor shall pay all costs related to the preparation and shipping of Device returned pursuant to the section.
- 9.8.5** No Device will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

- 10.5** If defects are identified, per mutual agreement of Contractor and the Purchasing Entity, Contractor obligations shall be limited solely to the repair or replacement of Devices proven to be defective upon inspection.

- 10.6** Replacement of Devices shall be on a like-for-like basis and shall be at no cost to the Purchasing Entity.
- 10.7** Repair of defective parts and/or Devices shall be at no cost to the Purchasing Entity.
- 10.8** Upon significant failure of a Device, the warranty period shall commence again for a minimum of ninety (90) days. Significant failure shall be determined by the Participating State.

 - 10.12.3** The application period is thirty-six (36) months from the date of Acceptance.
 - 10.12.4** This clause shall take precedence over any other warranty or Services clauses associated with the Contractor's Master Agreement, or as specified by a Participating State or Entity in their Participating Addendum.
 - 10.12.5** A Purchasing Entity must maintain an uninterrupted Maintenance Agreement on all purchased Devices in order for this clause to apply past the initial ninety (90) day warranty.
 - 10.12.6** Any Device that fails (except due to operator error) to function in accordance with the Manufacturer's published performance specifications, four (4) times in any four (4) week period and/or is subject to recurring related problems, shall be replaced with a like-for-like Device (i.e. similar usage, remaining useful life, etc.) that meets or exceeds the requirements of the original Device, at no cost to the Purchasing Entity.
- 10.13 Rights Reserved.** The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

XI. Equipment Title

- 11.1 Conveyance of Title.** Contractor shall have exclusive title to the Devices being delivered and the Devices shall be free and clear of all liens, encumbrances, and security interests. Title to the Device shall only pass to the Purchasing Entity upon:
- 11.1.1** Purchasing Entity up-front purchase of the Device;
 - 11.1.2** Purchasing Entity exercising the purchase option at the end of an FMV Lease;
 - 11.1.3** Expiration of a Purchasing Entity's Capital Lease; or
 - 11.1.4** Purchasing Entity has secured Third Party financing and payment is being made directly to the Contractor by the Purchasing Entity.
- 11.2 Embedded Software.** Transfer of title to the Device must include an irrevocable and perpetual license to use any Embedded Software in the Device. If Purchasing Entity subsequently transfers title of the Device to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Device title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.
- 11.3 License of Pre-Existing Intellectual Property.** Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

XII. Indemnification

- 12.1 General Indemnification.** The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any act, error, or omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master Agreement.
- 12.2 Intellectual Property Indemnification.** The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").

 - 12.2.1.2** specified by the Contractor to work with the Product;
 - 12.2.1.3** reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing

12.2.1.4 reasonably expected to be used in combination with the Product, system or method.

12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

12.2.3 The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. 13.7 Notice of Cancellation. Contractor shall pay premiums on all insurance policies. XIV. General Provisions

14.1.2 Without limiting any other remedy available to any governmental entity, the Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or Orders or underpayment of fees found as a result of the examination of the Contractor's records.

14.1.3 The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement that requires the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.

14.2.2.1 Contractor shall advise each of its employees and agents of their obligations to keep Confidential Information confidential. Contractor shall use commercially reasonable efforts to assist Purchasing Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information.

14.2.2.2 Without limiting the generality of the foregoing, Contractor shall advise Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person.

14.2.2.3 Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Purchasing Entity's request, Contractor shall turn over to Purchasing Entity all documents, papers, and other matter in Contractor's possession that embody Confidential Information.

14.2.2.4 Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits, and evidence of the performance of this Master Agreement.

14.2.3 Injunctive Relief. Contractor acknowledges that Contractor's breach of Section 14.2 would cause irreparable injury to the Purchasing Entity that cannot be adequately compensated in monetary damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

14.2.4 Purchasing Entity Law. These provisions will be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.

14.2.5 NASPO ValuePoint. The rights granted to Purchasing Entities and Contractor's obligations under this section will also extend to NASPO ValuePoint's Confidential Information, including but not limited to Participating Addenda, Orders or transaction data relating to Orders under this Master Agreement that identify the entity/customer, Order dates, line-item descriptions and volumes, and prices/rates. This provision does not apply to disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to this Master Agreement. To the extent permitted by law, Contractor shall notify the Lead State of the identity of any entity seeking access to the Confidential Information described in this subsection.

14.2.6 Public Information. This Master Agreement and all related documents are subject to disclosure pursuant to the Lead State's public information laws.

14.3 Assignment/Subcontracts

14.3.1 Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State.

14.4 Changes in Contractor Representation. The Contractor must, within ten (10) calendar days, notify the Lead State in writing of any changes in the Contractor's key administrative personnel managing the Master Agreement. The Lead State reserves the right to approve or reject changes in key personnel, as identified in the Contractor's proposal. The Contractor shall propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal.

14.5 Independent Contractor. Contractor is an independent contractor. Contractor has no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and shall not to hold itself out as agent except as expressly set forth herein or as expressly set forth in an applicable Participating Addendum or Order.

14.6 Cancellation. Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision will not affect the rights and obligations attending Orders outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.

14.7 Force Majeure. Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, acts of war which are beyond that party's reasonable control, pandemics, or epidemics that would negatively impact supply chain distribution. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement. This clause does not absolve Purchasing Entity of their payment obligations for goods or services received. Past due account charges will not accrue until the conclusion of the Force Majeure event, at which point Contractor shall also be expected to resume their Service obligations.

14.8 Defaults and Remedies

14.8.1 The occurrence of any of the following events will be an event of default under this Master Agreement:

14.8.1.1 Nonperformance of contractual requirements;

14.8.1.2 A material breach of any term or condition of this Master Agreement;

14.8.1.3 Any certification, representation or warranty by Contractor in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading;

14.8.1.4 Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or

14.8.1.5 Any default specified in another section of this Master Agreement.

14.8.2 Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of thirty (30) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.

14.8.3 If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach

of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

14.9 Waiver of Breach. Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

14.10 Debarment. The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

14.11 No Waiver of Sovereign Immunity

14.11.1 In no event will this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or

otherwise, from any claim or from the jurisdiction of any court.

- 14.11.2** This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

14.12 Governing Law and Venue

- 14.12.1** The laws of the Lead State shall govern the construction and effect of this Master Agreement. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.
- 14.12.2** The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.
- 14.12.3** If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): The Lead State for claims relating to the procurement, evaluation, award, or Contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

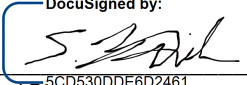

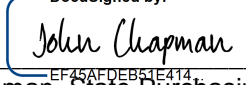

- 14.13 Assignment of Antitrust Rights.** Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

- 14.14 Survivability.** Unless otherwise explicitly set forth in a Participating Addendum or Order, the terms of this Master Agreement as they apply to the Contractor, Participating Entities, and Purchasing Entities, including but not limited to pricing and the reporting of sales and payment of administrative fees to NASPO ValuePoint, shall survive expiration of this Master Agreement and shall continue to apply to all Participating Addenda and Orders until the expiration thereof.

Financial Vehicle	Standard Terms Offered
Purchase	N/A
Fair Market Value Lease	12,18, 24, 36, 48 and 60 months

For example: A customer enters into a 36 month FMV Lease, and 12 months into that lease, they decide to add an Accessory to the Base Unit. The Contractor shall divide the 36 month cumulative Device Payment by 24 months to arrive at the monthly Coterminous payment for that Accessory. 7. Device returns must be performed within thirty (30) calendar days after the Contractor or Authorized Dealer provides return shipping instructions to the Purchasing Entity.

If Purchasing Entity fails to make Device available for pickup after thirty (30) calendar days, then Contractor or Authorized Dealer may bill the Purchasing Entity, at the total monthly payment amount for such Device, for each month that the Device remains at Purchasing Entity's location. Contractor or Authorized Dealer is not permitted to bill the Purchasing Entity for failure of Contractor or Authorized Dealer to pickup the Device when Purchasing Entity has made it available.
9. Contractor and/or Authorized Dealers shall be responsible for all Device pickup and return costs.
10. The maximum term on any Initial Lease Term shall be 60 months.
11. The length of a Renewal Term shall be at the discretion of the Participating State or Entity, but at no time shall the Renewal Term exceed the Useful Life of the Device.

TERMS AND CONDITIONS

- 1. AGREEMENT:** CFS leases to Customer, and Customer leases from CFS, with its place of business at 158 Gaither Drive, Suite 200, Mount Laurel, New Jersey 08054, all the equipment described above, together with all replacement parts and substitutions for and additions to such equipment ("Equipment"), upon the terms and conditions set forth in this NASPO Lease Agreement ("Agreement").
- 2. TERM OF AGREEMENT:** This Agreement shall be effective on the date the Equipment is delivered to Customer ("Commencement Date"), provided Customer executes CFS' form of acceptance ("Acceptance Certificate") or otherwise accepts the Equipment as specified herein. The term of this Agreement begins on the Commencement Date or any later date that CFS designates ("Agreement Date"), and shall consist of the payment periods specified above and any renewal periods. After acceptance of the Equipment, Customer shall have no right to revoke such acceptance or cancel this Agreement during the term hereof, except as set forth herein. The term of this Agreement shall end, unless sooner terminated by CFS after an event of default or under the Fiscal Funding provision, when all amounts required to be paid by Customer under this Agreement have been paid as provided. Except as provided herein, Customer has no right to return the Equipment to CFS.
- 3. RENEWAL OF LEASE; RETURNS OR PURCHASES OF EQUIPMENT; BUYOUTS:** Leases shall not be subject to automatic renewals, except as hereafter provided. With the exception of a Capital Lease arrangement, or unless exercising the purchase option on an FMV Lease, Customer shall return the Equipment at the end of the initial lease term, or at the end of the Renewal Lease Term, or CFS may pick the Equipment up, without any further financial obligations to Customer. FMV Leases Upon expiration of the initial lease term, Customer may do one of the following: (1) Exercise its purchase option, or; (2) Renew the lease on a month to month basis, or a 12-month basis, at the discretion of Customer, or; (3) Return the Equipment to CFS, or have CFS pick the Equipment up. Capital Leases Upon the expiration of the initial lease term, CFS shall provide title to the Equipment to the Customer, or as otherwise determined in a NASPO ValuePoint Participating Addendum ("Participating Addendum"), and Customer shall not be subject to any additional expense in order to assume possession of the Equipment. Straight Leases Upon the expiration

of the initial lease term, Customer may do one of the following: (1) Renew the lease on a month to month basis, or a 12-month basis, at the discretion of Customer, or; (2) Return the Equipment to CFS, or have CFS pick the Equipment up. If Customer desires to exercise a purchase, renewal, or return of the Equipment, it shall give CFS at least thirty (30) days written notice prior to the expiration of such lease term. Notwithstanding anything to the contrary, if Customer fails to notify CFS of its intent with respect to the exercise of a purchase, renewal, or return of the Equipment, the initial lease term shall be terminated on the date as stated in the Order and removal of the Equipment will be mutually arranged, unless otherwise specified in a Participating Addendum. Notwithstanding the foregoing, if Customer fails to notify CFS at least thirty (30) days prior to lease termination of a digital press Production Device and/or Industrial Print Equipment, then the lease will automatically renew on a month-to-month basis until Customer notifies CFS of its intent. In such a case, the automatic renewal term shall not exceed a maximum of 12 monthly payments. At which point in time, CFS will make arrangements to pick up the Equipment from Customer. If Customer does not exercise the purchase or renewal option, it will immediately make the Equipment available to Contractor in as good of condition as when Customer received it, except for ordinary wear and tear. Equipment Payments for renewal terms shall never exceed Master Agreement pricing. If Customer enters into a renewal term, then the Equipment Payment will be subject to the lease rates listed in the most recent Price List(s) posted on the NASPO ValuePoint website. Customers under FMV or Capital Leases shall have a Buyout to Keep Option. Customers under FMV, Capital or Straight Leases shall have a Buyout to Return Option. The Buyout to Return Option price shall be the Remaining Lease Balance (as hereinafter defined). The Buyout to Keep Option shall be the Remaining Lease Balance, less the Fair Market Value (as hereinafter defined). Customer must notify the CFS, in writing, at least thirty (30) days in advance, if it wishes to exercise the Buyout to Keep option on an FMV or Capital Lease. Customer must notify CFS, in writing, at least thirty (30) days in advance, if it wishes to exercise the Buyout to Return option on an FMV, Capital or Straight Lease, and return the Equipment to CFS in good working condition (ordinary wear and tear excepted).

4. PAYMENTS: Customer agrees to pay to CFS, as invoiced, during the term of this Agreement the payments specified under "Number and Amount of Payments" above ("Payments"). Such Payments are comprised of the principal and interest thereon. Customer's obligation to pay all amounts due under this Agreement and all other obligations hereunder shall be absolute and unconditional and is not subject to any abatements, set-off, defense or counterclaim for any reason whatsoever.

5. APPLICATION OF PAYMENTS: All Payments received by CFS from Customer under this Agreement will be applied to amounts due and payable hereunder chronologically, based on the date of the charge as shown on the invoice for each such amount, and among amounts having the same date in such order as CFS, in its discretion, may determine.

6. NO CFS WARRANTIES: CUSTOMER ACKNOWLEDGES THAT CFS IS NOT A MANUFACTURER, DEALER, OR SUPPLIER OF THE EQUIPMENT. CUSTOMER AGREES THAT THE EQUIPMENT IS LEASED "AS IS" AND IS OF A SIZE, DESIGN AND CAPACITY SELECTED BY CUSTOMER. CUSTOMER ACKNOWLEDGES THAT CFS HAS MADE NO REPRESENTATION OR WARRANTY WITH RESPECT TO THE SUITABILITY OR DURABILITY OF THE EQUIPMENT, THE ABSENCE OF ANY CLAIM OF INFRINGEMENT OR THE LIKE, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE EQUIPMENT INCLUDING, WITHOUT LIMITATION, THE IMPLIED

WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Any warranty with respect to the Equipment made by the manufacturer, dealer, or supplier is separate from, and is not a part of, this Agreement and shall be for the benefit of CFS, Customer and CFS' successors or assignees, if any. So long as Customer is not in breach or default of this Agreement, CFS assigns to Customer any warranties (including those agreed to between Customer and the manufacturer, dealer, or supplier) which CFS may have with respect to any item of Equipment; provided that the scope and limitations of any such warranty shall be solely as set out in any agreement between Customer and such manufacturer, dealer, or supplier or as otherwise specified in warranty materials from such manufacturer, dealer, or supplier and shall not include any implied warranties arising solely from CFS' acquisition of the Equipment. CUSTOMER ACKNOWLEDGES THAT NEITHER THE SUPPLIER NOR ANY DEALER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OF THIS AGREEMENT OR ANY SCHEDULE, OR TO MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THIS AGREEMENT OR THE EQUIPMENT ON BEHALF OF CFS.

7. NON-APPROPRIATION OF FUNDS: The continuation of any lease or rental agreement will be subject to, and contingent upon, sufficient funds being made available by the Participating State Legislature and/or federal sources. The Customer may terminate any such lease or rental agreement, and CFS waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Customer's funding sources are not available.

8. ACCEPTANCE; DELIVERY: Customer's execution of the Acceptance Certificate, or other confirmation of Customer's acceptance of the Equipment, shall conclusively establish that the Equipment has been delivered to and accepted by Customer for all purposes of this Agreement and Customer may not for any reason revoke that acceptance; however, if Customer has not, within five (5) days after delivery of such Equipment, delivered to CFS written notice of non-acceptance, specifying the reasons therefor and specifically referencing this Agreement, Customer shall be deemed to have irrevocably accepted such Equipment. CFS is the lessor and Customer is the lessee of the Equipment under this Agreement.

9. LOCATION; LIENS; NAMES; OFFICES: Customer shall not move the Equipment from the location specified herein except with the prior written consent of CFS. Customer shall keep the Equipment free and clear of all claims and liens other than those in favor of CFS. Customer's legal name (as set forth in its constituent documents filed with the

appropriate governmental office or agency) is as set forth herein. The chief executive office address of Customer is as set forth herein. Customer shall provide CFS with written notice at least thirty (30) days prior to any change of its legal name or chief executive office address, and shall execute and deliver to CFS such documents as required or appropriate.

10. WARRANTY OF BUSINESS PURPOSE; USE; PERSONAL PROPERTY; FINANCING STATEMENTS: Customer represents and warrants that the Equipment will not be used for personal, family, or household purposes. Customer shall comply with all laws and regulations relating to the use and maintenance of the Equipment. Customer shall put the Equipment only to the use contemplated by the manufacturer. The Equipment shall remain personal property regardless of whether it becomes affixed to real property or permanently rests upon any real property or any improvement to real property. Customer authorizes CFS (and any third party filing service designated by CFS) to execute and file (a) financing statements evidencing the interest of CFS in the Equipment (including forms containing a broader description of the Equipment than the description set forth herein), (b) continuation statements in respect thereof, and (c) amendments thereto, and Customer irrevocably waives any right to notice thereof.

11. RESERVED.

12. MAINTENANCE; ALTERATIONS: Customer shall at all times maintain and keep in effect a service contract, through one of Contractor's Authorized Dealers under the NASPO ValuePoint Master Agreement ("Master Agreement") or by other contractual arrangements, to keep and maintain the Equipment in good working order and to supply and install all replacement parts and accessories when required to maintain the Equipment in good working condition. Customer shall not, without the prior written consent of CFS, make any changes or substitutions to the Equipment. Any and all replacement parts, accessories, authorized changes to and/or substitutions for the Equipment shall become part of the Equipment and subject to the terms of this Agreement.

13. TAXES; OTHER FEES AND CHARGES: CUSTOMER SHALL PAY AND DISCHARGE WHEN DUE ALL LICENSE AND REGISTRATION FEES, ASSESSMENTS, SALES, USE AND OTHER TAXES, AND OTHER EXPENSES AND CHARGES, together with any applicable penalties, interest, and administrative fees now or at any time imposed upon any Equipment, the Payments, or Customer's performance or non-performance of its obligations hereunder, whether payable by or assessed to CFS or Customer. If Customer fails to pay any such fees, assessments, taxes, expenses or charges as required hereunder, CFS shall have the right but not the obligation to pay those fees, assessments, taxes, expenses and charges, and Customer shall promptly reimburse CFS, upon demand, for all such payments made plus administrative fees and costs, if any. Notwithstanding the generality of the foregoing, Customer shall not be liable for property taxes, which shall be the sole responsibility of CFS.

14. INSURANCE: Customer, at its sole cost and expense, shall, during the term hereof including all renewals and extensions, obtain, maintain and pay for (a) insurance against the loss, theft, or damage to the Equipment for the full replacement value thereof, and (b) comprehensive public liability and property damage insurance. All such insurance shall provide for a deductible not exceeding \$5,000 and be in form and amount, and with companies satisfactory to CFS. Each insurer providing such insurance shall name CFS as additional insured and loss payee and provide CFS thirty (30) days' written notice before the policy in question shall be materially altered or canceled. Customer shall pay the premiums for such insurance, shall be responsible for all deductible portions thereof, and shall deliver certificates or other evidence of insurance to CFS. The proceeds of such insurance, at the option of CFS, shall be applied to (a) replace or repair the Equipment, or (b) pay CFS the "Remaining Lease Balance," which shall be the sum of: (i) all amounts then owed by Customer to CFS under this Agreement; *plus* (ii) the present value of all remaining Payments for the full term of this Agreement; *plus* (iii) except in the case of Capital Leases, the Fair Market Value of the Equipment (as defined herein); *plus* (iv) any applicable taxes, and any expenses, charges or fees which may be payable as otherwise provided herein or in the Master Agreement or the applicable Participating Addendum. For purposes of determining present value, Payments shall be discounted at three percent (3%) per year. Customer hereby appoints CFS as Customer's attorney-in-fact solely to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts for any loss or damage to Equipment under any such insurance policy. If within ten (10) days after CFS' request, Customer fails to deliver satisfactory evidence of such insurance to CFS, then CFS shall have the right, but not the obligation, to obtain insurance covering CFS' interests in the Equipment, and add the costs of acquiring and maintaining such insurance, and an administrative fee, to the amounts due from Customer under this Agreement. CFS and any of its affiliates may make a profit on the foregoing.

15. LOSS; DAMAGE: Customer assumes and shall bear the entire risk of loss, theft of, or damage to the Equipment from any cause whatsoever, effective upon delivery to the Customer, except that Customer shall be relieved of all risks of loss or damage to the Equipment during periods of transportation and de-installation. No such loss, theft or damage shall relieve Customer of any obligation with respect to its lease of the Equipment. If any Equipment is lost or stolen, Customer, at the option of CFS, will (a) replace the same with like equipment in a condition acceptable to CFS and convey clear title to such equipment to CFS (and such equipment will become "Equipment" and be subject to the terms of this Agreement), or (b) pay CFS the Remaining Lease Balance. Upon CFS' receipt of the Remaining Lease Balance, CFS shall transfer the applicable Equipment to Customer "AS-IS, WHERE-IS" without any representation or warranty whatsoever, except for title, and this Agreement shall terminate with respect to such Equipment.

16. DEFAULT: Any of the following events or conditions shall constitute an Event of Default under this Agreement: (a) Customer fails to pay any Payment within forty-five (45) days (or as otherwise agreed to in a Participating Addendum) of its due date; (b) Any representation or warranty made by Customer in these lease terms or in the Master Agreement is

false or incorrect and Customer does not perform any of its obligations under these lease terms or in the Master Agreement, and this failure continues for forty-five (45) days (or as otherwise agreed to in a Participating Addendum) after CFS has notified Customer; (c) Customer or any Guarantor becomes insolvent or makes an assignment for the benefit of creditors; (d) Any guarantor dies, stops doing business as a going concern, or transfers all or substantially all of such guarantor's assets; or (e) Customer stops doing business as a going concern or transfers all or substantially all of Customer's assets.

17. REMEDIES: If Customer defaults on a lease, then CFS, in addition to, or in lieu of, the remedies set forth in the Master Agreement, and Participating Addendum, may do one or more of the following: (a) Cancel or terminate the Order; (b) Require Customer to immediately pay to Contractor, as compensation for loss of Contractor's bargain and not as a penalty, a sum equal to the Remaining Lease Balance.

18. EXPENSES OF ENFORCEMENT: Customer shall reimburse CFS for all of its out-of-pocket costs and expenses incurred in exercising any of its rights or remedies hereunder or in enforcing any of the terms of this Agreement, including, without limitation, reasonable fees and expenses of attorneys and collection agencies, whether or not suit is brought. If CFS should bring court action, Customer and CFS agree that attorney's fees equal to twenty-five percent (25%) of the total amount sought by CFS shall be deemed reasonable for purposes of this Agreement.

19. ASSIGNMENT: (i) Customer has no right to sell, transfer, encumber, sublet or assign the Equipment or any lease agreement without Contractor's prior written consent (which consent shall not be unreasonably withheld). (ii) CFS may not sell or assign any portion of CFS' interests in the Equipment or any Order for leases, without notice to Customer even if less than all the payments have been assigned. In that event, the assignee (the "Assignee") will have such rights as CFS assigns to them, but none of CFS' obligations (CFS will keep those obligations) and the rights of the Assignee will not be subject to any claims, defenses or set offs that Customer may have against CFS.

20. DATA: Customer acknowledges that the hard drive(s) on the Equipment, including attached devices, may retain images, content or other data that Customer may store for purposes of normal operation of the Equipment ("Data"). Customer acknowledges that CFS is not storing Data on behalf of Customer and that exposure or access to the Data by CFS, if any, is purely incidental to the services performed by CFS. CFS does not have an obligation to erase or overwrite Data upon Customer's return of the Equipment to CFS. This section survives termination or expiration of the lease term under the applicable Order. The terms of this section are without limitation of Contractor's obligations with respect to Data under the Master Agreement, the applicable Participating Addendum, and the applicable Order.

21. MAXIMUM INTEREST; RECHARACTERIZED AGREEMENT: No Payment is intended to exceed the maximum amount of interest permitted to be charged or collected by applicable laws, and any such excess Payment will be applied to payments due under the applicable Order, in inverse order of maturity, and thereafter shall be refunded. If the lease under any Order is characterized as a conditional sale or loan, Customer hereby grants to CFS, its successors and assigns, a security interest in the Equipment to secure payment and performance of Customer's obligations under such Order.

22. UCC-ARTICLE 2A: CUSTOMER ACKNOWLEDGES AND AGREES THAT THIS AGREEMENT IS INTENDED AS A "FINANCE LEASE" AS THAT TERM IS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE ("UCC 2A") AND THAT CFS IS ENTITLED TO ALL BENEFITS, PRIVILEGES, AND PROTECTIONS OF A LESSOR UNDER A FINANCE LEASE. CUSTOMER WAIVES ITS RIGHTS AS A LESSEE UNDER UCC 2A SECTIONS 508-522.

23. WAIVER OF OFFSET: This Agreement is a net lease. If the Equipment is not properly installed, does not operate as represented or warranted, or is unsatisfactory for any reason, Customer shall make such claim solely against the supplier, dealer, or manufacturer. Customer waives any and all existing and future claims and offsets against any Payments or other charges due under this Agreement, and unconditionally agrees to pay such Payments and other charges, regardless of any offset or claim which may be asserted by Customer or on its behalf.

24. AUTHORITY AND AUTHORIZATION: Customer represents and agrees that (a) Customer is a state or a political subdivision, institution of higher education, or agency of a state; (b) that entering into and performance of the Agreement is authorized under Customer's state laws and Constitution and does not violate or contradict any judgment, law, order, or regulation, or cause any default under any agreement to which Customer is party; and (c) Customer has complied with any bidding requirements and, where necessary, has properly presented this Agreement for approval and adoption as a valid obligation on Customer's part. Upon request, Customer agrees to provide CFS with an opinion of counsel as to clauses (a) through (c) above, an incumbency certificate, and other documents that CFS may request, with all such documents being in a form satisfactory to CFS.

25. GOVERNMENT USE: Customer agrees that the use of the Equipment is essential for Customer's proper, efficient and economic operation, Customer will be the only entity to use the Equipment during the term of this Agreement and Customer will use the Equipment only for Customer's governmental purposes. Upon request, Customer agrees to provide CFS with an essential use letter in a form satisfactory to CFS as to the preceding sentence.

ADDITIONAL TERMS AND CONDITIONS

1. MAINTENANCE / TERM / CHARGES. DEALER will keep the Equipment in good working order subject to the terms of this Agreement. Maintenance shall include emergency break fix service, routine preventative maintenance, including inspection, adjustment, parts replacement, drums, and cleaning material required for proper Equipment operation. Maintenance shall start on the date (the "Start Date") of installation for newly installed Equipment (inclusive of standard embedded Firmware). Unless otherwise set forth on the Face Page, Service Charges shall start billing and Customer shall start payment upon the completion of installation. Maintenance Base Charge(s) and Per Image Charge(s) as listed on the Face Page (collectively "Service Charges") are billed for full calendar month periods, with Maintenance Base Charge(s) billed in advance and Per Image Charge(s) billed in arrears. Invoices shall be due and payable within 30 days of the invoice date unless otherwise stated on the invoice. Applicable taxes shall be added to the charges. If Aggregate plan is indicated on the Face Page, the Maintenance Base Charge and the Covered Images listed on the Face Page apply to all of the Equipment listed, unless otherwise indicated. When Fleet Plan is indicated on the Face Page, the Maintenance Base Charge and the Covered Images listed Face Page apply to all of the Equipment ordered schedule and other orders referencing Fleet plan for the Equipment. If the Listed Items on the Face Page are added to an existing Fleet Coverage Plan under a previous transaction or contract between you and DEALER, (i) the fleet shall include the equipment listed under the previous order or contract, and all other order schedules or contracts for which the add to existing fleet option was selected, and (ii) the maintenance term for all Listed Items under this Agreement shall be the same as the maintenance term for all listed items under all such previous orders or contracts. If the Listed Items on an order are added to an existing Aggregate Coverage Plan under a previous order or contract between you and DEALER, the Covered Images shall apply to all of the Equipment on the Face Page, unless otherwise indicated, plus the listed items under previous order(s) or contract(s), and all other orders or contracts for which the add to existing Aggregate Coverage Plan was selected, on an aggregated basis, for so long as the maintenance term for all such listed items continues. If the Per Unit is indicated in the Equipment Maintenance Information Section on an order, the Maintenance Base Charge and the Covered Images listed in each Section of the Face Page shall apply on a per unit basis for the Equipment listed in that Section. Unless otherwise indicated on the Face Page, you authorize DEALER to use networked features of the Equipment and remote reporting software ("Remote Software") to obtain meter readings, receive software updates, activate features/new licenses and transmit use and service data accumulated by the Equipment over your network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment, providing reports and product improvement.

2. HOURS OF OPERATION AND ACCESS TO EQUIPMENT. Maintenance shall be performed during DEALER's local regular business hours (8:30 A.M. to 5:00 P.M. Monday through Friday, excluding DEALER holidays). For all Maintenance service calls outside normal business hours, DEALER shall quote you on an as needed basis, but at no time will pricing exceed what listed in the NASPO ValuePoint Master Agreement Price List(s). You shall give DEALER reasonable and safe access to the Equipment and DEALER shall provide labor or routine, remedial and preventive Maintenance as well as remedial parts. DEALER may terminate its Maintenance obligations for any Equipment you relocate to a site outside DEALER's service territory.

3. ITEMS NOT COVERED UNDER MAINTENANCE. Service calls not covered under this maintenance agreement shall be quoted on an as needed basis, but at not time will pricing exceed what is listed in the NASPO ValuePoint Master Agreement ("Master Agreement") Price List(s). The following items are NOT covered under Maintenance unless otherwise set forth on the Face Page: (a) all consumable supply items not provided as part of toner inclusive service, including, without limitation, paper, staples, other media, print heads and puncher dies; (b) repairs resulting from factors other than normal use including, without limitation, any willful act, negligence, abuse, accident, disaster (e.g., effects of water, wind, lightning, etc.) or misuse of the Equipment; (c) repairs due to the use of parts, supplies or software which are not supplied by DEALER and which cause abnormally frequent service calls or service problems; (d) repairs to fix problems resulting from service performed by personnel other than DEALER personnel; (e) repairs due to use of the Equipment with non-compatible hardware or software components; electrical power malfunction or heating, cooling or humidity ambient conditions; (f) relocation of Equipment including de-installation and re-installation, which is a separate chargeable service, per the pricing in the Master Agreement; (g) repairs to or realignment of Equipment, and related training, necessitated by changes you made to your system configuration or network environment; (h) work which you request to be performed outside of DEALER's regular business hours; (i) repair of network/system connection device, except when listed on the Face Page; or (j) repairs due to the use of paper/media not in compliance with manufacturer's published specifications.

4. CONSUMABLE INCLUSIVE (INCLUDING TONER ABUSE). Consumable Supplies: All consumables are the property of DEALER until used. Consumables Inclusive Maintenance includes replenishment of toner only (unless other consumables are specified on the Face Page and applicable to the unit of Equipment). Toner is supplied for exclusive use with the unit of Equipment for which it is provided. DEALER may terminate the Maintenance under this Agreement if you use the consumables in a different manner. If your use of consumables exceeds the typical use pattern (as determined solely by DEALER) for these items by more than 10% of the published manufacturer specifications for conventional office image coverage, or should DEALER, in its sole discretion, determine that consumables are being misused in any fashion, DEALER may invoice you for such excess usage and you agree to pay for such improper or excess use, provided that DEALER shall not invoice you for excess toner usage as aforementioned unless and until DEALER has first notified you of the excess toner usage, and until you and DEALER have consulted in good faith in an attempt to identify the reason(s) for the excess toner usage and you have had a reasonable opportunity, if practicable, to rectify the excess toner usage. Consumable Inclusive Maintenance is predicated upon deployment of DEALER's remote reporting software, which may include Auto-Toner Replenishment. If expiration dates are indicated on your consumable containers, you shall use the oldest container(s) first. You shall bear all risk of loss, theft or damage to unused consumables, which shall remain DEALER's property and shall be returned promptly upon termination of Maintenance for the applicable unit of Equipment.

5. BILLING / METER COLLECTION. (a.) You agree to provide timely meter readings to DEALER and to comply with the billing procedures designated by DEALER. If DEALER does not receive timely meter readings from you, you agree to pay invoices that reflect DEALER's estimates of meter readings. DEALER reserves the right to verify the accuracy of any meter readings from time to time, and to invoice you for any shortfall in the invoice for the next periodic billing cycle. In accordance with DEALER's normal procedures and the meter read option selected; (b.) You agree that DEALER shall be entitled to acquire meter readings using DEALER's remote reporting software, however if it does not communicate with DEALER for any reason, you agree to timely provide manual meter readings.

6. DEFAULT. You shall be in default of this Agreement if you fail to perform any of your obligations under this Agreement, including making prompt undisputed payments when due. DEALER may withhold service under this Agreement in whole or in part until any delinquent payment is received by DEALER. DEALER may terminate this Agreement in whole or in part upon your default with thirty (30) days notice to you, unless such default is cured by you within the thirty (30) day period. If an overdue payment is disputed in good faith within thirty (30) days after the due date thereof, you shall pay all undisputed amounts and promptly make a good faith effort to resolve such dispute with DEALER. In the event of your default, DEALER may, without limiting its other rights and remedies available under applicable law and this Agreement, require you to pay all charges then due but unpaid, including any applicable late charges or early termination fees as allowed under the Master Agreement.

7. LIMITED WARRANTY. All Equipment is provided with a manufacturer's end user limited warranty from Canon U.S.A., Inc. Authorized Dealer is an authorized Canon service dealer and provides warranty service under the Canon U.S.A., Inc. limited warranties. All other Products are provided subject to such end user warranties and license terms as are provided by the manufacturer or developer as packaged or otherwise provided with the Listed Items. Authorized Dealer shall upon your request provide to you copies of all such end user warranties and license. SUCH WARRANTIES, TOGETHER WITH WARRANTIES AS PROVIDED IN THE MASTER AGREEMENT AND THE APPLICABLE NASPO VALUEPOINT PARTICIPATING ADDENDUM, ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, RELATING TO THE USE OR PERFORMANCE OF THE PRODUCTS, AND ALL SUCH OTHER WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED. YOU EXPRESSLY ACKNOWLEDGE THAT SUCH WARRANTIES DO NOT ASSURE UNINTERRUPTED OPERATION AND USE OF THE PRODUCTS.

8. LIMITATION OF LIABILITY. NEITHER AUTHORIZED DEALER NOR CONTRACTOR SHALL BE LIABLE FOR EXPENDITURES FOR SUBSTITUTE EQUIPMENT OR SERVICES, LOSS OF REVENUE OR PROFIT, LOSS, CORRUPTION OR RELEASE OF DATA, FAILURE TO REALIZE SAVINGS OR OTHER BENEFITS, STORAGE CHARGES OR INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT REGARDLESS OF THE LEGAL THEORY ON WHICH THE CLAIM IS BASED AND EVEN IF AUTHORIZED DEALER OR CONTRACTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

ATTACHMENT 3 – CANON SAMPLE MPS AGREEMENT TERMS AND CONDITIONS

1. **TERM.** The Managed Print Services (“MPS”) shall begin on the Start Date and continue for the initial term specified above.
2. **CHARGES.** Authorized Dealer agrees that pricing shall remain firm for the initial terms of the Maintenance Agreement. Upon expiration of the initial contract term, or during any renewal period, Dealer reserves the right to increase the pricing upon thirty (30) days prior written notice, based on any changes to the fleet, or services being delivered, provided these changes are outside the scope of the original statement of work, and provided the pricing does not exceed the NASPO ValuePoint Master Agreement (“Master Agreement”) pricing. If you have selected the Fleet Coverage Plan, the Base Charge, Covered Images and Per Image Charges noted above shall apply to all of the Equipment on the Schedule. If you have selected the Per Unit Coverage Plan, the Base Charge, Covered Images and the Per Image Charges for each unit shall be reflected on the Schedule.
3. **PRIOR ASSESSMENT.** As part of an initial assessment, Authorized Dealer has performed a network and system discovery analysis of your IT environment in which services are to be rendered under this Agreement. Additionally, as part of the initial assessment, Authorized Dealer has used certain discovery tools to identify the components and conditions of your IT environment.
4. **COVERED PRINTERS.** This agreement is intended to provide services for your entire fleet of printers; however, certain models of printers may not be eligible for services under this contract due to age, geographic location or other reasons determined by Authorized Dealer. At Authorized Dealer’s discretion, the ineligible printers may be placed under a “Standard Plan” and identified on the associated schedule (“Schedule B”) and shall only receive toner cartridges and monitoring services. The “Premier” scope of services as defined in Paragraph 7 covers only the printers identified on the associated schedule (“Schedule A” or “Schedule A-MICR”). The parties may agree to add or remove printers from time to time during the Term by mutual execution of an Authorized Dealer MPS Change Order. Customer shall provide Authorized Dealer a standard device configuration sheet showing the start meter reading of the added printer(s) as of the start date of this contract. Otherwise, Authorized Dealer may compute a start reading for the printer(s) utilizing the current meter reading and subtracting an estimated monthly volume per printer, as determined by Authorized Dealer. In the event Customer acquires additional devices subsequent to the start date of this Agreement, the start meter shall be zero. If the quantity of printers changes during the Term from the original quantity listed on Schedule A, Schedule A-MICR or Schedule B, Authorized Dealer reserves the right to adjust the pricing accordingly.
5. **YOUR RESPONSIBILITIES. As a condition precedent to Authorized Dealer’s duties:**
 - (a) The Printers shall meet the “Fit for Service” requirements outlined in the MPS Customer Expectation Document (CED) and shall be in good working condition on the Start Date (as determined solely by Authorized Dealer in its reasonable discretion.)
 - (b) You shall provide Authorized Dealer with an accurate location and printed configuration page for each printer placed under this Agreement. You shall notify Authorized Dealer if you relocate any printers from the address indicated on Schedule A, A-MICR, B or any related Change Order.
 - (c) You shall use only Authorized Dealer-approved parts and supplies for the Printers.
 - (d) You shall have proper electrical and network connections, install, and use Authorized Dealer approved surge protector where appropriate.
 - (e) You shall provide a Key Operator responsible for designated duties in the operator’s manual and insure that the proper supplies are being installed and/or used correctly with the printers.
 - (f) You are solely responsible for security of your electronic and other data.
 - (g) You must install and keep the Data Collection Agent (“DCA”) installed on your network for networked devices and locally for non-networked devices throughout the Term of this Agreement. If the DCA does not communicate with Authorized Dealer, you agree to provide manual meter readings upon request.
 - (h) You agree that Authorized Dealer may use estimated meter readings if it does not receive timely meter reading on any Printers covered by this Agreement.
 - (i) You shall utilize the Authorized Dealer ordering procedures for adding or deleting printers and ordering Toner Cartridges. You acknowledge that Authorized Dealer will not deliver services or toner for printers not listed on Schedule A, Schedule A-MICR, Schedule B or any related Change Order until you complete the proper ordering procedure to add the printer to the Agreement.
 - (j) You shall provide timely meter readings for any printer not connected to the DCA for any reason.

ADDITIONAL TERMS AND CONDITIONS

6. AUTHORIZED DEALER RESPONSIBILITIES

- (a) Authorized Dealer may tag each Printer initially listed on Schedule A, Schedule A-MICR or Schedule B with an Authorized Dealer Service tag indicating serial # and Authorized Dealer contact information.
- (b) Printers listed on Schedule A, A-MICR and B are provided replenishment of Original Equipment Manufacturer ("OEM") or 3rd Party manufactured toner cartridges, as indicated on Page 1, for exclusive use with the Printers specified on Schedule A, A-MICR and B. The pricing in this agreement is based upon 5% toner coverage for black & white and 20% for color letter size pages. You agree that Authorized Dealer may invoice you for excess usage in the event your actual toner usage exceeds these assumptions by more than 10%. Excess toner charges shall be computed using the expected print volume ("EPV") minus the actual print volume reported. The EPV = actual number of cartridges shipped x the toner yield per cartridge x 90%. You shall bear all risk of loss, theft or damage to unused toner cartridges provided to you under this Agreement, which shall remain Authorized Dealer's property and shall be returned promptly upon termination of this Agreement.
- (c) Authorized Dealer may perform an initial walkthrough of Customer locations covered under this Agreement. Customer shall identify each networked and non-networked device to be covered under this agreement. Authorized Dealer will deliver, install, configure and test its network Data Collection Agent ("DCA") with your IT staff assistance. Authorized Dealer will provide all technical support, updates and maintenance for the DCA.
- (d) You acknowledge that Authorized Dealer's ability to deliver the services is dependent upon your full and timely cooperation with Authorized Dealer, as well as the accuracy and completeness of the information provided by you to Authorized Dealer. If, during the initial three (3) months of the Term, the assumptions used to develop the pricing and any related Statement of Work is found to be incorrect or misstated, the parties agree to meet and in good faith negotiate equitable changes in the scope of work and associated charges. You agree to follow the detailed operational procedures and program guidelines, which are explained in the MPS Customer Expectation Document, which you hereby acknowledge, receipt of at the time of executing this agreement.

7. SERVICES. YOU SHALL RECEIVE THE SERVICES DESCRIBED IN THIS PARAGRAPH 7 ONLY FOR THE EQUIPMENT LISTED ON A SCHEDULE A, SCHEDULE A-MICR, CHANGE ORDER FORM A, OR CHANGE ORDER FORM A-MICR . SUCH SERVICES ARE SUBJECT TO THE EXCLUSIONS HERINAFTER DESCRIBED.**8. COVERED SERVICES**

- (b) You shall afford Authorized Dealer full, free and safe access to the Printers to perform on-site service. Authorized Dealer may terminate its maintenance obligations as to any Printers if you relocate it to a site outside Authorized Dealer's authorized service territory. If, in Authorized Dealer's opinion, any Printers cannot be maintained in good working order through Authorized Dealer's routine maintenance services, Authorized Dealer shall, at its option, either (i) substitute comparable Printers or (ii) cancel the balance of any remaining term of this Agreement as to such Printers and refund the unearned portion of any prepaid charges hereunder. Parts replaced or removed by Authorized Dealer in connection with maintenance services hereunder shall become the property of Authorized Dealer and you disclaim any interest therein.

9. NON-COVERED SERVICE. You acknowledge that Authorized Dealer shall not have obligations related to i) overhauls and/or reconditioning of printers; ii) printer user errors; (iii) the alteration, modification or customization of any software controlling, used by, installed on or embedded in the Printers; (iv) the service or repair of devices, accessories, power, data or communication lines or other instruments which are external to or otherwise not a component part of the Printers; (v) hard drive removal or (vi) supplying external communications or data transfer lines, paper or other throughput, staples, cassettes, exit trays or other like items or supplies (other than toner cartridges as defined in section 3) used or consumed in the normal operations of the Printers ("Excluded Items"). - (a) replacement of any consumable supply item other than toner;
- (b) repairs necessitated by factors other than normal use including, without limitation, any willful act, negligence, abuse or misuse of the Printers; the use of parts, supplies or software which are not supplied by Authorized Dealer and which cause abnormally frequent service calls or service problems; service performed by personnel other than Authorized Dealer personnel; transportation of the Printers; accident; use of the Printers with non-compatible hardware or software components; electrical power malfunction or heating, cooling or humidity ambient conditions;
- (c) re-installation or relocation of Printers;
- (d) repairs to or realignment of Printers, and related training, necessitated by changes you made to your system configuration or network environment;

- (e) repairs or service required because of inadequate operation of the Printers (e.g., Authorized Dealer technician is dispatched to rectify a problem described in the operator manual); and
- (f) work that you request to be performed outside of Authorized Dealer's regular business hours.

10. DATA. You acknowledge that the hard drive(s) on the Equipment may retain images, content or other data that you may store for purposes of normal operation of the Equipment ("Data"). You acknowledge that Authorized Dealer is not storing Data on your behalf and that exposure or access to the Data by Authorized Dealer, if any, is purely incidental to the services performed by Authorized Dealer. You are solely responsible for the Data. The Canon branded Equipment contains various security features that you can utilize. Upon your request, Authorized Dealer will work with you to provide information regarding your options and offer services to assist you. Please note that Canon offers basic data security options free of charge; however, other optional services may have an additional cost associated. 11. TERMINATION. Either party may terminate this Agreement, with or without cause, by providing thirty (30) days written notice to the other party.

ATTACHMENT 4 – CANON SAMPLE MPS CUSTOMER EXPECTATIONS DOCUMENT

1. **Introduction.** This Customer Expectation Document is designed to provide details related to the Canon Managed Print Services (“MPS”) Program and to answer commonly asked questions. The terms and conditions of the MPS program can be found in the associated Managed Print Services Agreement.
2. **Program Objectives.** The MPS program is designed to help organizations achieve business efficiencies and cost savings through better management and administration of print environments. Our unique consulting process contemplates collaboration with our customers to identify areas for print optimization, increased productivity and cost savings. Critical to this process is the availability of print volume data from all sources within the print enterprise. The success of the program is dependent on uninterrupted communication with the printers or alternative sources of data capture in order for Authorized Dealer to perform the services and provide accurate and timely billing under the agreement.
3. **Initial Contract Set-up**
 - a) **Start Date.** The contract becomes effective approximately 10 days after the Customer executes the MPS Agreement accompanied by a complete listing of the covered Printers on Schedule A and Schedule B, if applicable. This allows Authorized Dealer ample time to prepare its systems to accept customer calls and begin to provide services.
 - b) **Initial Printer Listing.** Schedule A and B contain all relevant information on each printer initially covered under the MPS Agreement. Printers listed in Schedule B will only be eligible for toner fulfillment and monitoring services. The Customer is responsible for discovering and identifying the required information for all printers to be covered under this agreement. Although Authorized Dealer software tools may help discover devices based on detection of activity, idle units and units with no network connection may not be detected during this discovery process. In the event a customer identifies additional equipment which was mistakenly excluded from the original schedules, additional printers can be added using the Change Order form along with a printed configuration page for each printer added and made retroactive to the start date. Customers who call for services or toner for units not yet added to the contract may be told their printer is not covered since it will not appear in the Authorized Dealer system.
 - c) **“Fit for Service” Requirements.** Prior to the start of the contract, the following must be confirmed:
 - i. Each printer must have a minimum of 25% toner remaining in the cartridge;
 - ii. Each printer must have a minimum of 25% life remaining for other consumable maintenance items (fuser kit, maintenance kit, drums);
 - iii. Any printer displaying a service or supplies alert (error codes, low consumables, etc.) or demonstrating a technical or performance issue (regardless of alert status) must have the condition corrected;
 - iv. Any printer with an image quality issue must have the condition corrected; and
 - v. Any printer inadvertently placed on an MPS contract that does not meet “Fit for Service” requirements, must have the issues promptly remediated or the Printer must be removed from the MPS contact.
 - d) Customers can contact Authorized Dealer Customer Service (see Section 5 below) to purchase the required consumable items (toner cartridge, maintenance kit, fuser kit, drum, etc.) and/or request a service call to remediate technical issues, so the printer can be added to an MPS contract.
 - e) **Tagging.** Each printer initially covered under the agreement may be tagged with an Authorized Dealer Service tag by an Authorized Dealer representative. The tag includes the serial # of the printer, the phone # for service and supplies and other relevant information. The tag should not be removed from the printer during the term of the agreement. Authorized Dealer may mail tags to the customer for placement on the printers for machine additions or remote locations during the term of the contract.
 - f) **Installation of DCA Software.** Authorized Dealer will work with the Customer’s IT staff to perform the initial installation of the Data Collection Agent (“DCA”) software for networked devices. Additionally, Authorized Dealer may assist the Customer’s IT staff to push the local client version of the DCA software for use with any non-networked printers. It is the Customer’s responsibility to keep the DCA installed during the term including any reinstallation that may be required because of change in the Customer’s infrastructure or environment.
4. **Ordering Procedures**
 - a) **Toner.** Printer toner cartridges may be ordered from Authorized Dealer by either calling Customer Service or by placing an on-line order (if applicable). Customers who wish to use on-line ordering must first register through Authorized Dealer’s on-line customer portal. Customers will be asked to provide the related serial # or asset tag# located on the asset tag placed on the printer. The maximum toner order is limited to one (1) cartridge per serial#.

Authorized Dealer Reserves the right to limit toner shipments based upon print volume/utilization. Canon's Managed Print Services program does not contemplate the provision of "shelf stock" at Customer locations. Customers that require extra toner stored onsite may purchase shelf stock by contacting Customer Service (see Section 5 below).

- b) **Service Calls.** Requests for repair may be placed by either calling Authorized Dealer's Dispatch Center or by placing a service request on-line within the Authorized Dealer's on-line customer portal (if applicable).
- c) **Add/Remove.** Additions or deletions of printers covered under the MPS Agreement are made by executing and submitting an MPS Change Order form indicating the pertinent information on the specific units being added or removed from the agreement or submitting such request on-line within the customer portal (if applicable). Additionally, Customers must provide a printed configuration page from each added or removed unit that provides Authorized Dealer necessary meter, quality and other information necessary to make the change effective. Please note that changes to the printer fleet configuration may impact the price per copy reflected in the contract on a prospective basis.

5. Customer Service. For any questions or contract changes, please reference the following contact information:

Email: _____

Phone: _____

- 6. Relocations.** If Customers relocate any printers under the agreement, they must promptly notify Authorized Dealer in order to change the location information in the Authorized Dealer database. Customers are responsible for de-installing and reinstalling all relocated printers including installation of the DCA in order to keep the printers communicating with Authorized Dealer. Please note that printers relocated outside of Authorized Dealer's Servicing geography may not be eligible to be covered under this agreement.
- 7. Meter Collection.** The MPS program is designed to automatically collect periodic meter readings from the printers covered under this agreement using the DCA software program. The DCA program is initially installed on the Customer network for connectivity to networked printing devices. A local DCA program must be installed on individual networked computers in order to communicate with non-networked printers. It is extremely important to keep the DCA software connected in order for Authorized Dealer to capture information in order to provide the services under the MPS Agreement. Customers are responsible to maintain this critical connection that may require reinstallation of the local DCA software when upgrading, replacing or repairing related computers.
- 8. Fixed Volume.** If Authorized Dealer does not receive timely meter readings from the DCA software or alternatively from the Customer through other means of communication, Authorized Dealer will estimate the usage on the related devices utilizing predetermined average monthly volume information, which are based on Authorized Dealer standard usage rates by model.
- 9. Toner Usage Reconciliation.** The MPS program includes replenishment of toner cartridges based upon toner page coverage of 5% for black toner and 20% for color toner. Customers who print images with more toner average coverage should expect to pay additional charges. Toner usage reconciliation is done separately for black toner, color toner, and MICR toner. Please see the reconciliation example below:

Toner Manufacturer Yield per Cartridge	3,000
# of Cartridges shipped to Customer*	<u>x 10</u>
Manufacturer Expected Print Volume	30,000
Extra 10% provided by Authorized Dealer	<u>3,000</u>
Authorized Dealer Expected Print Volume	27,000
Actual Print Volume	<u>25,500</u>
Volume Reconciliation	1,500
Price per Page	<u>x \$.0200</u>
Toner Usage Reconciliation Charge	\$30.00

* **Note 1:** Certain cartridges for the same models may contain different manufacturer yields.

* **Note 2:** Cartridge yield associated with "Unused Toner Cartridges" (see definition in Section 12 below) purchased from Authorized Dealer for purposes of "shelf stock" may be considered during toner reconciliation, when the Actual Print Volume exceeds the Authorized Dealer Expected Print Volume.

- 10. Quarterly Review Process.** Customers are entitled to a quarterly review discussion to review expectations, charges, print volume data and recommendations for further optimization of the print environment.

11. Renewal and End of Term Process

- a) The MPS agreement will not automatically renew. If the Customer wishes to renew, then Authorized Dealer shall promptly provide a renewal quote for the renewal period. Upon mutual agreement, a new agreement shall be executed for the renewal term.
- b) If the Customer does not choose to renew, the Customer may return unused toner cartridges within 30 days of the end of term and Authorized Dealer will adjust the # of cartridges shipped for computing the final toner reconciliation described above.
- c) Customers must contact Authorized Dealer's Customer Service to obtain return instructions and return authorization # prior to mailing the returned supplies back to Authorized Dealer. In the event Authorized Dealer is unable to obtain a final meter reading from the DCA or other reasonable means, Authorized Dealer will estimate the final meter reading using customer volume history or utilizing the Authorized Dealer standard usage rates by model.

12. Unused Toner Cartridges. Unused toner cartridges are defined as the original items shipped to Customers, which:

- a) were provided to the Customer by Authorized Dealer;
- b) are in the original box, which is unopened and undamaged;
- c) the contents (toner cartridges) are sealed and undamaged; and
- d) are deemed resalable, in Authorized Dealer's sole discretion.

13. Restocking Fee. A restocking fee of 10 percent (10%) of the MSRP value shall be charged for all unused toner cartridges returned to Authorized Dealer, unless the returned cartridge is deemed defective or the restocking fee is prohibited by law.

14. Toner Availability. Authorized Dealer shall use commercially reasonable efforts to procure toner cartridges for the printer(s) covered by the MPS contract. In the event OEM toner is no longer readily available (discontinued by the manufacturer, restricted distribution, exhausted inventory, etc.) Authorized Dealer shall, at its option, either (i) substitute OEM cartridges with compatible (3rd party) toner cartridges, or (ii) substitute comparable printer(s) at your expense, or (iii) cancel the balance of any remaining term of the MPS contract for the affected printer(s) and refund the unearned portion of any prepaid charges associated with the printer(s).

DCA Software & Technical Requirements

Authorized Dealer must utilize data collection software to provide services under this agreement. Authorized Dealer is responsible to maintain the software, provide updates when necessary, and assist with the initial installation as necessary.
