(hereinafter called “Contractor”), for the procurement of A3 MFD’s, A4 MFD’s, Single-function Printers, Large/Wide Format Equipment, Software, Consumable Supplies, Managed Print Services, Software Related Services (including cloud-based offerings and web-based fleet management tools), and Specialty Printers as approved per this Master Agreement, for the benefit of Participating States, Entity’s, and Purchasing Entities. The Contractor and the Lead State agree to the terms and conditions contained herein.
- 2.2 Initial Term.** The initial term of this Master Agreement is for two (2) years, with an effective date of August 1, 2024. The term of this Master Agreement may be amended beyond the initial term for up to three (3) consecutive one (1) year additional terms, upon the mutual agreement of the Lead State and Contractor, by written Amendment. The total duration of the Master Agreement, including any extensions, shall not exceed five (5) years.
- 2.3 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

III. Order of Precedence

- 3.1 Order.** This Master Agreement will consist of the following documents:
- 3.1.1** A Participating Entity’s Participating Addendum (“PA”), including its Attachments and Exhibits;

- 3.2 Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement, nor will it include Products and Services not awarded under the Master Agreement.

IV. Participants and Scope

- 4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.

- 4.2 Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to **section III**. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.
- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property for non-leased Equipment; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as

the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in **section V** are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

5.2 Administrative Fees

5.2.1 NASPO ValuePoint Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.1.1 Contractor will report on all Usage Based Equipment sales, and on Usage Based or Life Cycle Service and Supply sales. This method will no longer require the Contractor to capture the actual Service and Supply revenues that are billed to the customer each month.

5.2.1.2 Industry research has shown close to a 1:1 ratio between sales price on a piece of Equipment and the actual amount of Service and Supply costs required to operate that Equipment over its Useful Life. Therefore, to simplify the reporting process and remove the burden to capture the actual Service and Supply costs, the Contractor may report as follows:

5.2.1.2.1 Purchased Equipment: Contractor shall report the actual amount invoiced (less any taxes) for all Equipment sold under the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Life Cycle Service and Supplies," or an actual amount and identified as "Usage Based Service and Supplies," providing the customer elects to enter into a Maintenance Agreement. Thus, in the Contractor's Detailed Sales Report, for each item sold, there will be two-line items: one for the piece of Equipment, and one for the Life Cycle or

Usage Based Service and Supplies. The amount reflected for the Life Cycle Service and Supplies must be equal to the amount of the Equipment.

5.2.1.2.2 Leased Equipment: Contractor may report sales according to the Purchased Equipment methodology described above, or they may report the actual amount invoiced (less any taxes) for the lease during the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as “Life Cycle Service and Supplies,” or an actual amount and identified as “Usage Based Service and Supplies.” Thus, in the Contractor’s Detailed Sales Report, for each item leased, there will be two-line items: one for the invoice amount to the customer for the Equipment, and one for the Life Cycle or Usage Based Service and Supplies. The amount reflected for the Life Cycle Service and Supplies must be equal to the amount of the invoiced Equipment.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum (“Sales Data”). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

5.3.2 Summary Sales Data. “Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.

5.3.3 Detailed Sales Data. “Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint,

including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.

5.3.4 Sales Data Crosswalks. Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Contractor’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.

5.3.5 Executive Summary. Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

5.4.1 Staff Education. Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor’s contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

5.4.2 Onboarding Plan. Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor’s website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

5.4.3 Annual Contract Performance Review. Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

5.4.4 Use of NASPO ValuePoint Logo. The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.

5.4.5 Most Favored Customer. Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

5.5 Cancellation. In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

5.6 Canadian Participation. Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.

5.7 Additional Agreement with NASPO. Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

6.1 Pricing. The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed ("ceiling") price to any Purchasing Entity.

6.1.1 MSRP/List Price discount percentages must be guaranteed throughout the term of the Master Agreement, including any renewal terms, however; Contractor may increase its discount percentage at any time. The Lead State must be notified of any such discount percentage increase, and provided with a copy of the new Price List(s).

6.1.2 With the exception of Group C and Sub-Group C1 and C2 Devices, pricing must include all shipping, delivery, and installation costs associated with the Products. Excess installation charges however, may be billable. Refer to **section IV.E.5** of Exhibit A, Statement of Work, for more information.

- 6.1.3** Price Lists received after the 1st day of the new quarter may not be approved for up to thirty (30) days following submission. In addition, errors in Contractor Price Lists may delay the approval process further.
- 6.1.4** Contractor may update their lease rates once per quarter by providing the Lead State with documentation regarding said rate changes. Updates to lease rates will not be permitted until 8/1/2025.
- 6.1.5** Pricing shall remain firm during the first twelve (12) months of the Master Agreement (e.g. 8/1/2024 – 7/31/2025). Contractor may then update their pricing **once per calendar year**. All requested price increases must be sent to the Lead State and include documentation from Contractor which provides a detailed explanation for the increase. While there will not be any restrictions regarding direct and indirect cost increases, it will be at the Lead State’s sole discretion to determine if the requested increase has a direct correlation to the Deliverables being offered under the Master Agreement. Price increases shall be allowed for all Products and all Services, including rate and fee structures on maintenance plans.
- 6.1.6** All approved Price Lists will be submitted by the Lead State to NASPO ValuePoint. Contractor shall then update all applicable websites with the new Price Lists after the NASPO ValuePoint website has been updated. Contractor is not permitted to send Price List updates directly to NASPO ValuePoint.
- 6.1.7** All inclusive Cost Per Copy (CPC) programs may be offered upon request by the Participating State or Entity, but pricing must not exceed Master Agreement pricing. Contractor must provide the Participating State or Entity with their pricing breakdown which enables the Participating State or Entity to easily compare the pricing in the CPC structure against the pricing in the Master Agreement.
- 6.1.8** Contractor may offer state-wide promotional discounts, customer location specific discounts, bulk discounts, or spot discounts. Contractor must notify the Participating State or Entity of special state-wide promotional discounts.
- 6.1.9** No retroactive adjustments to prices or rates will be allowed.
- 6.2** **Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.
- 6.3** **Leasing or Alternative Financing Methods.** The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. **Exhibit A, Statement of Work**, contains leasing provisions; however, it shall be at the discretion of each Participating State or Entity to accept these terms, reject these terms, or further negotiate the terms with the Contractor, as long as those negotiations don’t fall outside the original scope of the RFP or the Master Agreement.
- For example:** The maximum lease term on Group A Devices is 60 months; Contractor is not permitted to offer a lease term in excess of this.*

VII. Ordering

- 7.1 Order Numbers.** Purchase Order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

- 7.5.3** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.4** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement’s terms.
- 7.5.5** Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

- 7.11** Contractor and/or Authorized Dealers may charge the Purchasing Entity a re-stocking fee for any Products that are not accepted. The amount of the fee shall be the lesser of 10% of the purchase price, or \$200.00, unless otherwise specified in a Participating Addendum.
- 7.12** Contractor and/or Authorized Dealers may estimate meter reads if a Purchasing Entity fails to submit the required information within the specified time-frame.
- 7.13** All software Orders shall reference the Manufacturer's most recent release or version of the Product, unless the Purchasing Entity specifically requests a different version.
- 7.14** Contractor, Third-Party leasing companies, and/or Authorized Dealers may bill property tax separately or as otherwise indicated in a Participating Addendum or an Order.
- 7.15** Contractor and/or Authorized Dealers shall have a process in place for resolving disputed invoices, including escalation procedures. In addition, Contractor and/or Authorized Dealers shall have a process in place for issuing refunds or credits due to invoicing errors, as well as over-payments and Product returns.

- 7.18 Substitutions.** If an ordered Product is out-of-stock, Contractor shall notify the Purchasing Entity and request approval before substituting for the out-of-stock item. Contractor's request to substitute shall explain how the substituted Product compares with the out-of-stock item. Any substitute Product offered must be on the Contractor's Master Agreement Price List.
- 7.19 Contract Provisions for Orders Utilizing Federal Funds.** Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.
- 7.20 Supplemental Documents.** All Attachments to this Master Agreement have been reviewed and negotiated by the Lead State only to the extent that they comply with the terms and conditions of RFP-NP-23-001 as well as this Master Agreement. Participating States and Entities are still advised however, to review each Supplemental Document and negotiate the terms and conditions further with Contractor if necessary. It shall be at the discretion of Contractor and Purchasing Entity to determine which Supplemental Documents are appropriate for each Order type. With the exception of End User License Agreements (EULA's), clickwrap agreements, and any third party software agreements, which have not been reviewed or negotiated by the Lead State, nor are they attached to this Master Agreement, only the Supplemental Documents attached to this Master Agreement are permitted to be used for any Order placed.

- 8.2 Available Products.** Devices that are in-stock or otherwise not subject to supply-chain shortages or issues, shall be delivered within thirty (30) calendar days after receipt of Order, unless otherwise specified by the Purchasing Entity.
- 8.3 Required Updates.** Contractor shall provide a minimum of semi-monthly updates to the Purchasing Entity regarding the status of all Devices that are, or will be expected to go, on backorder.
- 8.4 Software Installation.** Software related to the Device must be installed within five (5)

Business Days of the Device installation, or as otherwise stated in an Order.

- 8.5 Delivery Days and Receiving Hours.** All deliveries shall be made during Normal Business Hours, which may vary for each Purchasing Entity of each Participating State. The Purchasing Entity shall not be responsible for any additional charges should the Contractor fail to observe specific delivery days and receiving hours. The delivery days and delivery hours shall be established by each individual Purchasing Entity upon Order placement.
- 8.6 Inside Deliveries.** All deliveries, with the exception of drop-shipped or desktop Devices, shall be made to the interior location specified by the Purchasing Entity. Specific delivery instructions will be noted on the Order. Any damage to the building interior, scratched walls, damage to the freight elevator, etc., will be the responsibility of the Contractor. - 9.2 Applicability.** Unless otherwise specified in the Participating Addendum, or ordering document, the terms of this **section IX** will apply. This section is not intended to limit rights and remedies under the applicable commercial code.
- 9.3** With the exception of drop-shipped Devices, Purchasing Entity shall confirm delivery, installation and Acceptance of all Devices covered by each purchase or lease Order, by signing a Delivery and Acceptance Certificate (D&A), as referenced in **Exhibit B, Sample D&A Certificate**, which shows Acceptance of the Device(s) and allows Contractor to invoice for the Device(s).
- 9.4** Purchasing Entity agrees to sign and return the D&A to Contractor (which, at mutual agreement, may be done electronically) within five (5) Business Days after any Device is installed, or as otherwise stated in a Participating Addendum.
- 9.5** Failure to sign the D&A or reject the Device(s) within the foregoing five (5) day period shall be deemed as Acceptance by the Purchasing Entity; however, it does not relieve the Contractor of liability for material (nonconformity that substantially impairs value) defects subsequently revealed when Devices are put to use. Acceptance of such Devices may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor shall be liable for any resulting expense incurred by the Purchasing Entity in relation to the preparation and shipping of Devices(s) rejected and returned, or for which Acceptance is revoked.
- 9.6 Inspection.** All Devices are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.

9.6.1 Devices that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.

9.6.2 Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Device rejected and returned, or for which Acceptance is revoked.

9.7 Failure to Conform. If any Services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the Services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of Services performed.

9.8 Acceptance Testing. Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Device meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.

9.8.1 The Acceptance Testing period will be five (5) Business Days, unless otherwise specified, starting from the day after the Device is delivered or, if installed by Contractor, the day after the Device is installed and Contractor certifies that the Device is ready for Acceptance Testing.

9.8.2 If the Device does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing for a maximum of ten (10) Business Days, until the standard of performance is met.

9.8.3 Upon rejection, the Contractor will have thirty (30) calendar days to cure. If after the cure period, the Device still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Device from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.

9.8.4 Contractor shall pay all costs related to the preparation and shipping of Device returned pursuant to the section.

9.8.5 No Device will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

X. Warranty

10.1 Applicability. Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this **section X** will apply.

10.2 The warranty period shall begin upon Acceptance of the Device, and shall be for a minimum of ninety (90) days for purchase or leased Devices. This warranty shall be extended to all Devices acquired under the Master Agreement, including Remanufactured and/or Refurbished Devices.

10.3 Devices that are sold under the resulting Master Agreement will come with the standard features as published on the Manufacturers website, and will not deviate from the stated

specifications.

- 10.4** Devices shall be in good working order, free from any defects in material and workmanship, and fit for the ordinary purposes they are intended to serve.
- 10.5** If defects are identified, per mutual agreement of Contractor and the Purchasing Entity, Contractor obligations shall be limited solely to the repair or replacement of Devices proven to be defective upon inspection.
- 10.6** Replacement of Devices shall be on a like-for-like basis and shall be at no cost to the Purchasing Entity.
- 10.7** Repair of defective parts and/or Devices shall be at no cost to the Purchasing Entity.
- 10.8** Upon significant failure of a Device, the warranty period shall commence again for a minimum of ninety (90) days. Significant failure shall be determined by the Participating State.

 - 10.9.3** The Device is relocated to any place where Contractor Services are not available.
- 10.10** Contractor agrees to perform its Services in a professional manner, consistent with applicable industry standards.
- 10.11** It will be at the discretion of each Participating State or Entity to negotiate additional warranty requirements with the Contractor.
- 10.12 Lemon Clause**
 - 10.12.1** This clause shall apply to all Devices that are purchased or leased under the Contractor's Master Agreement. Contractor will utilize its Total Quality Commitment to meet its requirements.
 - 10.12.2** This clause shall not apply if Supplies are used in the Devices that were not manufactured, provided, or authorized by the Contractor.
 - 10.12.3** The application period is thirty-six (36) months from the date of Acceptance.
 - 10.12.4** This clause shall take precedence over any other warranty or Services clauses associated with the Contractor's Master Agreement, or as specified by a Participating State or Entity in their Participating Addendum.
 - 10.12.5** A Purchasing Entity must maintain an uninterrupted Maintenance Agreement with Contractor or their Authorized Dealer, on all purchased Devices in order for this clause to apply past the initial ninety (90) day warranty.
 - 10.12.6** Any Device that fails (except due to operator error) to function in accordance with the Manufacturer's published performance specifications, four (4) times in any four (4) week period due to the same functional issue and/or is subject to recurring related problems, shall be replaced with a new Device that meets or exceeds the requirements of the original Device, at no cost to the Purchasing Entity.

10.13 Rights Reserved. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

XI. Equipment Title

11.1 Conveyance of Title. Contractor shall have exclusive title to the Devices being delivered and the Devices shall be free and clear of all liens, encumbrances, and security interests. Title to the Device shall only pass to the Purchasing Entity upon:

11.1.1 Purchasing Entity up-front purchase of the Device;

11.1.2 Purchasing Entity exercising the purchase option at the end of an FMV Lease;

11.1.3 Expiration of a Purchasing Entity's Capital Lease; or

11.1.4 Purchasing Entity has secured Third Party financing and payment is being made directly to the Contractor by the Purchasing Entity.

11.2 Embedded Software. Transfer of title to the Device must include an irrevocable and perpetual license to use any Embedded Software in the Device. If Purchasing Entity subsequently transfers title of the Device to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Device title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

11.3 License of Pre-Existing Intellectual Property. Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement solely for Purchasing Entity, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

XII. Indemnification

12.1 General Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any negligent act, error, or willful omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master Agreement, except to the extent such death, injury, or damage to property is arising out of or caused by the negligence or willful misconduct of NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, or their officers, agents, and employees.

12.2 Intellectual Property Indemnification. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim"), except to the extent such

Intellectual Property Claim is arising out of or caused by the actions, modifications or alterations to the Product made by NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, or their officers, agents, and employees, without the express written consent of the Contractor.

12.2.1 The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

12.2.1.1 provided by the Contractor or the Contractor's subsidiaries or affiliates;

12.2.1.2 specified by the Contractor to work with the Product;

12.2.1.3 reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

12.2.1.4 reasonably expected to be used in combination with the Product, system or method.

12.2.2 The Indemnified Party shall promptly notify the Contractor after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

12.2.3 The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in each Participating Entity's state and having a rating of A-, Class VII or better, in the most recently published edition of Best's Reports. Before performance of any Purchase Order issued after execution of a Participating Addendum authorizing it, the Contractor shall provide to a Purchasing Entity or Participating Entity who requests it the same information described in this subsection.

- 13.7 Notice of Cancellation.** Contractor shall pay premiums on all insurance policies. XIV. General Provisions

14.1 Records Administration and Audit

Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or Orders or underpayment of fees found as a result of the examination of the Contractor's records.

- 14.1.3** The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement that requires the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.

14.2 Confidentiality, Non-Disclosure, and Injunctive Relief

- 14.2.1 Confidentiality.** Contractor acknowledges that it and its employees or agents may, in the course of providing a Product under this Master Agreement, be exposed to or acquire information that is confidential to Purchasing Entity or Purchasing Entity's clients.

14.2.1.1 Any and all information of any form that is marked as confidential or would by its nature be deemed confidential obtained by Contractor or its employees or agents in the performance of this Master Agreement, including but not necessarily limited to (1) any Purchasing Entity's records, (2) personnel records, and (3) information concerning individuals, is confidential information of Purchasing Entity ("Confidential Information").

14.2.1.2 Any reports or other documents or items (including software) that result from the use of the Confidential Information by Contractor shall be treated in the same manner as the Confidential Information.

14.2.1.3 Confidential Information does not include information that (1) is or becomes (other than by disclosure by Contractor) publicly known; (2) is furnished by Purchasing Entity to others without restrictions similar to those imposed by this Master Agreement; (3) is rightfully in Contractor's possession without the obligation of nondisclosure prior to the time of its disclosure under this Master Agreement; (4) is obtained from a source other than Purchasing Entity without the obligation of confidentiality, (5) is disclosed with the written consent of Purchasing Entity; or (6) is independently developed by employees, agents or subcontractors of Contractor who can be shown to have had no access to the Confidential Information.

- 14.2.2 Non-Disclosure.** Contractor shall hold Confidential Information in confidence, using at least the industry standard of confidentiality, and shall not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, other than its employees, agents or Authorized Dealers, or use Confidential Information for any purposes whatsoever other than what is necessary to the performance of Orders placed under this Master Agreement.

14.2.2.1 Contractor shall advise each of its employees and agents of their obligations to keep Confidential Information confidential. Contractor shall use commercially reasonable efforts to assist Purchasing Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information.

14.2.2.2 Without limiting the generality of the foregoing, Contractor shall advise

Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person.

14.2.2.3 Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Purchasing Entity's request, Contractor shall turn over to Purchasing Entity all documents, papers, and other matter in Contractor's possession that embody Confidential Information.

14.2.2.4 Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits, and evidence of the performance of this Master Agreement.

14.2.3 Injunctive Relief. Contractor acknowledges that Contractor's breach of **section 14.2** would cause irreparable injury to the Purchasing Entity that cannot be adequately compensated in monetary damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

14.2.4 Purchasing Entity Law. These provisions will be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.

14.2.5 NASPO ValuePoint. The rights granted to Purchasing Entities and Contractor's obligations under this section will also extend to NASPO ValuePoint's Confidential Information, including but not limited to Participating Addenda, Orders or transaction data relating to Orders under this Master Agreement that identify the entity/customer, Order dates, line-item descriptions and volumes, and prices/rates. This provision does not apply to disclosure to the Lead State, a Participating State, or any governmental entity exercising an audit, inspection, or examination pursuant to this Master Agreement. To the extent permitted by law, Contractor shall notify the Lead State of the identity of any entity seeking access to the Confidential Information described in this subsection.

14.2.6 Public Information. This Master Agreement and all related documents are subject to disclosure pursuant to the Lead State's public information laws.

14.3 Assignment/Subcontracts

14.3.1 Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, without the prior written approval of the Lead State, which shall not be unreasonably withheld.

14.3.2 The Lead State reserves the right to assign any rights or duties, including written

assignment of contract administration duties, to NASPO ValuePoint and other third parties, upon written notice to Contractor.

- 14.4 Changes in Contractor Representation.** The Contractor must, within thirty (30) calendar days, notify the Lead State in writing of any changes in the Contractor's key administrative personnel managing the Master Agreement. The Lead State reserves the right to approve or reject changes in key personnel, as identified in the Contractor's proposal. The Contractor shall propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal.
- 14.5 Independent Contractor.** Contractor is an independent contractor. Contractor has no authorization, express or implied, to bind the Lead State, Participating States, other Participating Entities, or Purchasing Entities to any agreements, settlements, liability or understanding whatsoever, and shall not to hold itself out as agent except as expressly set forth herein or as expressly set forth in an applicable Participating Addendum or Order.
- 14.6 Cancellation.** Unless otherwise set forth herein, this Master Agreement may be canceled by either party upon sixty (60) days' written notice prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon thirty (30) days' written notice, unless otherwise limited or stated in the Participating Addendum. Cancellation may be in whole or in part. Any cancellation under this provision will not affect the rights and obligations attending Orders outstanding at the time of cancellation, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration and audit. Cancellation of the Master Agreement due to Contractor default may be immediate.
- 14.7 Force Majeure.** Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, unusually severe weather, other acts of God, acts of war which are beyond that party's reasonable control, pandemics, or epidemics that would negatively impact supply chain distribution. The Lead State may terminate this Master Agreement upon determining such delay or default will reasonably prevent successful performance of the Master Agreement. This clause does not absolve Purchasing Entity of their payment obligations for goods or services received. Past due account charges will not accrue until the conclusion of the Force Majeure event, at which point Contractor shall also be expected to resume their Service obligations.
- 14.8 Defaults and Remedies**
- 14.8.1** The occurrence of any of the following events will be an event of default under this Master Agreement:
- 14.8.1.1** Nonperformance of contractual requirements;
 - 14.8.1.2** A material breach of any term or condition of this Master Agreement;
 - 14.8.1.3** Any certification, representation or warranty by Contractor in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading;
 - 14.8.1.4** Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar

days after the institution or occurrence thereof; or

14.8.1.5 Any default specified in another section of this Master Agreement.

14.8.2 Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of thirty (30) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure will not diminish or eliminate Contractor's liability for damages to the extent provided for under this Master Agreement.

14.8.3 If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:

14.8.3.1 Any remedy provided by law;

14.8.3.2 Termination of this Master Agreement and any related Contracts or portions thereof;

Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions will be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

14.9 Waiver of Breach. Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies will not operate as a waiver under this Master Agreement, any Participating Addendum, or any Purchase Order. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order will not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, any Participating Addendum, or any Purchase Order.

14.10 Debarment. The Contractor certifies that neither it nor its principals are presently debarred,

suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in public procurement or contracting by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

14.11 No Waiver of Sovereign Immunity

14.11.1 In no event will this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

14.11.2 This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

14.12 Governing Law and Venue

14.12.1 The laws of the Lead State shall govern the construction and effect of this Master Agreement. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.

14.12.2 The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

14.12.3 If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): The Lead State for claims relating to the procurement, evaluation, award, or Contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

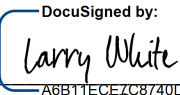

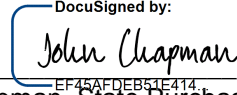

14.13 Assignment of Antitrust Rights. Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

14.14 Survivability. Unless otherwise explicitly set forth in a Participating Addendum or Order, the terms of this Master Agreement as they apply to the Contractor, Participating Entities, and Purchasing Entities, including but not limited to pricing and the reporting of sales and payment of administrative fees to NASPO ValuePoint, shall survive expiration of this Master Agreement and shall continue to apply to all Participating Addenda and Orders until the expiration thereof.

9. Contractor and/or Authorized Dealers shall be responsible for all Device pickup and return costs.
10. The maximum term on any Initial Lease Term shall be 60 months.

5. Hard Drive Removal and Surrender

- 5.1 Contractor shall ensure that all hard drive data is cleansed and purged (if capable) from the Device at the end of its Useful Life, or when any hard drive is repossessed by Contractor; or
- 5.2 At the Participating State or Entity's discretion, Contractor shall remove the hard drive from the applicable Device and provide the Purchasing Entity with custody of the hard drive before the Device is removed from the Purchasing Entity's location, moved to another location, or any other disposition of the Device. The Purchasing Entity shall then be responsible for securely erasing or destroying the hard drive.
- 5.3 If Contractor takes possession of any Device at a Purchasing Entity's location, then they shall also remove any ink, toner, and associated Supplies (drum, fuser, etc.) and dispose of them in accordance with applicable law, as well as environmental, and health considerations, or as otherwise specified in a Participating Addendum.

Contractor must disclose the price for removal and surrender of the hard drive, prior to Order placement.
- 5.5 If the hard drive is not removable, or the Device does not contain a hard drive, then Contractor must convey this to the Purchasing Entity at the time of Order placement. In the case of a non-removable hard drive, **section IV.I (5.1)** shall apply.

ATTACHMENT 1 – TOSHIBA LEASE AGREEMENT TERMS AND CONDITIONS

AGREEMENT FOR LEASE OF EQUIPMENT

a Contract Between

“Lessee”

(NAME, ADDRESS, PHONE OF LESSEE)

and

Toshiba America Business Solutions, Inc.

WHEREAS, Lessee is authorized to lease under the NASPO-ValuePoint Master Agreement (“Master Agreement”) and the State of Participating Addendum thereto; and

WHEREAS, it is deemed that the lease of this equipment is both necessary and for the good of Lessee;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. **LEASE TERM.** This Agreement shall be effective from the date of delivery and acceptance of Leased Equipment for the term set forth on the (i) Attachment 5, Toshiba Lease Order Form and if applicable Attachment 6, Toshiba Lease Order Form Schedule B (collectively an “Order Form”); or (ii) the Lessee’s Purchase Order (PO) to which this Agreement is attached, unless sooner terminated by either party as set forth in Section 6 of this Agreement.

2. **DEFINITIONS.** “**Lease Term**” means the term of this Agreement as set forth in Section 1. “**Leased Equipment**” means the (i) equipment described in the Order Form, attached to this Agreement, and which is incorporated herein; (ii) any replacement equipment provided by Lessor; and (iii) any additional equipment described under subsequent Order Forms agreed to during the term of this Agreement. “**Lessor**” means Toshiba America Business Solutions, Inc. or, if applicable, its permitted assignee.

3. **CONSIDERATION (RENT).** The parties agree that for the Lease Term, Lessor leases to Lessee the equipment described in, and for the lease payments set forth in, the Order Form, excluding meter charges, late fees and applicable taxes. Except as provided in section 6(c), lessee’s payment obligations are absolute and unconditional and are not subject to cancellation, reduction or setoff for any reason whatsoever. Lessee does not agree to reimburse Lessor for expenses, unless otherwise specified in the incorporated documents. Any intervening end to a fiscal period shall be deemed a contract renewal (not changing the overall Agreement term) or a termination as the results of legislative appropriation may be required.

4. **POSSESSION, TITLE AND RETURN.**

(a) Lessee shall have possession of the Leased Equipment for the Lease Term, unless this Agreement is earlier terminated in accordance with Section 6 below and shall keep such Leased Equipment at the location specified in the Order Form or such other location as Lessor may agree in writing.

(b) Lessor covenants that it has good title to the Leased Equipment, except any intangible property or associated services such as periodic software licenses and prepaid database subscription rights included in the Leased Equipment, if any. If the Order Form indicates that this lease is a Capital (i.e. \$1 Buyout) Lease and if this Agreement is deemed to be a secured transaction, Lessee grants Lessor a first priority security interest in the Leased Equipment to secure all of Lessee’s obligations under this Agreement, agrees not to permit any other liens on the Leased Equipment, and shall own such Leased Equipment as of the acceptance date and Lessee authorizes Lessor to record a UCC-1 to reflect such interest. At the end of the Lease Term, if Lessee is not in default, Lessor will release any security interest it may have in the Leased Equipment subject to such Capital Lease, which will be retained by Lessee.

(c) At the expiration of the term of this Agreement and provided that the Order Form does not indicate this lease is a Capital Lease, upon Lessee’s written request, Lessor shall remove the hard drive from the applicable Device and provide the Lessee with custody of the hard drive before the Device is removed from the Lessor’s location. Lessor may charge the Purchasing Entity a fee if the Purchasing Entity elects to keep the hard drive in their possession. The Lessee shall then be responsible for securely erasing or destroying the hard drive. If Lessee is not in breach of this Agreement, all costs of removing and transporting the Leased Equipment at the expiration of the Lease Term shall be the responsibility of Lessor.

(d) Risk of loss of the Leased Equipment rests with Lessor until the Leased Equipment is picked up from Lessee’s designated location, at which time risk of loss passes to Lessee.

(e) If the Order Form indicates this lease is a Fair Market Value Lease, at the end of the Lease Term and upon 30 days' prior written notice to Lessor, Lessee may purchase all, but not less than all, of the Leased Equipment AS-IS and WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION, TITLE OR VALUE, for the Fair Market Value, plus applicable sales and other taxes, if any.

5. TAXES. Lessee agrees to pay all fees, assessments, taxes and charges governmentally imposed upon Lessor's purchase, ownership, possession, leasing, renting, operation, control or use of the Leased Equipment.

6. TERMINATION.

(a) Termination by Mutual Consent. Any discretionary or vested right of renewal notwithstanding, this Agreement may be terminated upon written notice by mutual consent of both parties.

(b) Termination by Lessee without Cause. This lease may be bought out and all Leased Equipment returned to Lessor, although fair market value leases, operational leases, non-cancelable rentals and capital leases are subject to a termination charge. The termination charge is equal to the balance of unpaid lease payments and other amounts due hereunder (including any current or past due amounts) for leases and with regard to service or maintenance obligations, may not exceed more than four (4) month service and supply base or 25% of the remaining term, whichever is less.

(c) Termination for Nonappropriation. The continuation of this Agreement beyond the current fiscal period is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by Lessee's legislature, governing body and/or federal sources. If for any reason Lessee's funding is not appropriated or is withdrawn, limited, or impaired, Lessee may terminate this Agreement, and Lessor waives any and all claim(s) for damages, effective as of the end of the fiscal period in which written notice of such non-appropriation, withdrawal, limitation or impairment is provided by Lessee to Lessor. If Lessee terminates this Agreement because of non-appropriation, withdrawal, limitation or impairment of funds, Lessee will not purchase, lease or rent replacement equipment performing the same functions as the Leased Equipment during the subsequent fiscal period.

(d) Termination for Default or Breach. A default or breach may be declared with or without termination. This Agreement may be terminated by either party upon written notice to the other party for any material breach or default by the other party of any terms, conditions, covenants, or obligations of this Agreement. Notice of termination for breach or default is effective 30 days following service of notice, or upon any subsequent date specified in the notice of termination. Termination by Lessor due to Lessee's material breach or default will be subject to a termination charge, which is equal to the balance of lease payments and other amounts due hereunder (including any current or past due amounts) for leases and may not exceed more than four (4) month service and supply base or 25% of the remaining term, whichever is less, for service and maintenance charges.

7. INSURANCE. At Lessor's request, Lessee shall provide to Lessor proof that the Leased Equipment is covered for the value thereof against property loss or damage while in Lessee's possession by Lessee's program of self-insurance (if approved by Lessor and Lessor's assignee, if any) or a policy of property insurance from a qualified insurer.

8. LOSS OR DAMAGE. If any item of Leased Equipment is lost, stolen or damaged, Lessee will, at Lessee's option and cost, either: (a) repair the item or replace the item with a comparable item reasonably acceptable to Lessor; or (b) pay Lessor the sum of: (i) all past due and current lease payments and other amounts due under this Agreement; (ii) the present value of all remaining lease payments for the effected item(s) of Leased Equipment, discounted at the rate of 6% per annum; and (iii) if this lease is not a Capital Lease, the Fair Market Value of the effected item(s) of Leased Equipment. Upon Lessee's payment to Lessor under clause (b) above, Lessor will then transfer to Lessee all of Lessor's right, title and interest in the effected item(s) of Leased Product AS-IS AND WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION, TITLE OR VALUE. "Fair Market Value" means the item's fair market value at the end of the Lease Term, assuming good order and condition (except for ordinary wear and tear from normal use), as estimated by Lessor. No such loss or damage shall relieve Lessee of payment obligations hereunder.

9. WARRANTY AND MAINTENANCE OF EQUIPMENT; WARRANTY DISCLAIMER. All services performed under this Agreement shall be of workmanlike quality, consistent with the standards of the trade, profession or industry. Lessor shall assign to Lessee all manufacturer's warranties on the Leased Equipment, which shall be not less than a full six months' warranty. Lessor shall be responsible for ongoing service and maintenance of the Leased Equipment for the duration of the Lease Term. EXCEPT AS OTHERWISE STATED HEREIN, LESSOR MAKES NO WARRANTY EXPRESS OR IMPLIED, INCLUDING THAT THE LEASED EQUIPMENT IS FIT FOR A PARTICULAR PURPOSE OR THAT THE LEASED EQUIPMENT IS MERCHANTABLE. Lessee acknowledges that none of Lessor or their representatives are agents of any assignee and none of them are authorized to modify the terms of this lease or on any Schedule. No representation or warranty of Lessor with respect to the Leased Equipment will bind any assignee, nor will any breach thereof relieve Lessee of any of its obligations hereunder. THIS LEASE AGREEMENT AND EACH SCHEDULE CONSTITUTES A "FINANCE LEASE" AS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE (the "UCC"). Lessee agree that any manufacturer or Lessor warranty or service agreement is a separate and independent obligation of Lessor to Lessee, that no assignee of the Lessor shall have any obligation to Lessee with respect to such warranty or service agreement and that Lessee's obligations

under this Agreement are not subject to setoff, withholding, reduction, counterclaim or defense for any reason whatsoever including, without limitation, any claim Lessee may have against Supplier.

10. **LESSOR REMEDIES.** If Lessee default, Lessor may do one or more of the following: (a) recover from Lessee, as liquidated damages for loss of bargain and not as a penalty, the sum of: (i) all past due and current lease payments and other amounts due under this Agreement; (ii) the present value of all remaining lease payments, discounted at the rate of 6% per annum; and (iii) require Lessee to make the Leased Equipment available to Lessor for pickup at Lessee's premises (and Lessee shall be responsible for removing all data as provided in Section 4) and to pay all costs of removing and transporting the Leased Equipment; (c) charge Lessee for expenses incurred in connection with the enforcement of Lessor's remedies. If Lessor picks up the Leased Equipment, Lessor may sell, release or otherwise dispose of the Leased Equipment and apply the proceeds, less reasonable selling and administrative expenses, to the amounts due by Lessee. These remedies are cumulative, in addition to any other remedies provided by law, and may be exercised concurrently or separately. Any failure or delay by Lessor to exercise any right shall not operate as a waiver of any right. LESSOR SHALL NOT BE LIABLE FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL OR SPECIAL DAMAGES.

11. **PROPER AUTHORITY.** The parties hereto represent and warrant that the person executing this Agreement on behalf of each party has full power and authority to enter into this Agreement. Any services performed by Lessor before this Agreement is effective or after it ceases to be effective are performed at the sole risk of Lessor.

12. **LESSEE REPRESENTATIONS.** Lessee represents that: (a) this Agreement and any documents required to be delivered in connection with this Agreement (collectively, the "Documents") have been duly authorized by Lessee in accordance with all applicable laws, rules, ordinances and regulations; (b) the Documents are valid, legal, binding agreements, enforceable in accordance with their terms and the person(s) signing the Documents, if applicable, have the authority to do so, are acting with the full authorization of Lessee's governing body, and hold the offices indicated below their signatures; (c) the Leased Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee to perform such function; (d) Lessee intends to use the Leased Equipment for the entire Lease Term and shall take all necessary action to include in Lessee's annual budget any funds required to fulfill Lessee's obligations each fiscal period during the Lease Term; (e) Lessee has complied fully with all applicable law governing open meetings, public bidding and appropriations, required in connection with this lease and the debt under applicable state law; (f) unless this lease is a Capital Lease, Lessee's obligations to remit Lease Payments constitutes a current expense and not a debt under applicable state law; (g) this Agreement is binding on Lessee and Lessee's successors and assigns; and (h) all financial information Lessee has provided is true and a reasonable representation of Lessee's financial condition.

13. **ASSIGNMENT.** Lessee may not assign or dispose of any rights or obligations under this Agreement or sublease the Leased Equipment without Lessor's prior written consent. Notwithstanding anything in the NASPO ValuePoint Master Agreement and/or the Participating Addendum to the contrary, Lessor may assign all or any portion of this Agreement or its interest in the Leased Equipment; provided that service obligations on the Leased Equipment shall remain with Toshiba America Business Solutions, Inc. and expressly not with Lessor's assignee and must conform to the terms of the NASPO ValuePoint Master Agreement and the State of Participating Addendum. Lessor's assignee shall have Lessor's rights under this Agreement, but none of Lessor's obligations. Lessee agrees not to assert any claims, defenses or offsets it may have against Lessor against such assignee.

14. **AGREEMENT AND MODIFICATION.** This Agreement is made pursuant to the NASPO ValuePoint Master Agreement identified above, and the State of Participating Addendum to that Master Agreement, the terms of which are incorporated herein by reference. In the event of conflict between the Master Agreement or the State of Participating Addendum and this Agreement, the Master Agreement and the Participating Addendum shall govern and control. Unless otherwise expressly authorized by the terms of this Agreement, no modification or amendment to this Agreement shall be binding upon the parties, unless the same is in writing and signed by the respective parties hereto.

15. **TIME PRICE.** If the Toshiba Lease Order Form and Schedule indicates the lease is a Capital Lease, Lessee understands that the Leased Equipment may be purchased for cash (the "Product Cost") or purchased pursuant to this Agreement for an amount of each Lease Payment times the number of Lease Payments, less maintenance, as set forth on the NASPO Lease Order Form and Schedule and this Agreement, plus the \$1 Purchase Option amount stated on the NASPO Lease Order Form and Schedule, and by signing this Agreement, Lessee has chosen to purchase the Leased Equipment for that price. The Product Cost may be determined by dividing the Lease Payment by the lease rate factor set forth on the NASPO Lease Order Form and Schedule. Each Lease Payment under a Capital Lease includes a part of Lessor's investment in the Product Cost and a return on Lessor's investment in the Capital Lease. The total return on Lessor's investment (the total finance charge) is determined by deducting the Product Cost (as determined above) from the Time Price. The difference so determined is the return to Lessor on its investment (the total finance charge). The rate of return (finance rate) may be determined by applying to the Product Cost, the rate that will amortize the Product Cost down to the Purchase Option amount by applying as payments, the Lease Payments. For purposes of that amortization, each Lease Payment will be considered received on the date it is required to be paid under this Agreement.

16. GOVERNING LAW, JURY TRIAL WAIVER. This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of _____, without giving effect to any principle of conflict of laws that would require the application of the law of any other jurisdiction. BOTH PARTIES AGREE TO WAIVE ALL RIGHTS TO A JURY TRIAL WITH RESPECT TO THIS AGREEMENT AND THE LEASED EQUIPMENT.

17. NOTICE. All notices or other communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered personally in hand, (b) delivered by telephone, facsimile or email with simultaneous regular mail, or (c) mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above or such other address as the other party may have provided written notice of in accordance with this Section 17. For purposes of computing times from service of notice, service of notice by delivery in hand shall be effective on the date of delivery; notices that are mailed shall be effective on the third calendar day following the date of mailing.

18. RESERVED.

19. ELECTRONIC DOCUMENTATION. This Agreement may be executed in counterparts and signed by the parties manually or electronically. The executed counterpart that has Lessor's original signature and/or is in Lessor's possession shall constitute chattel paper as that term is defined in the UCC and shall constitute the original agreement for all purposes. If Lessee transmits this Agreement to Lessor by facsimile or other electronic transmission, the transmitted copy shall be binding upon the parties. Neither party may raise as a defense to the enforcement of this Agreement that it was signed or transmitted electronically.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed and intend to be legally bound thereby.

1.8 “Subscription Service” means an application or database product hosted by Contractor or its agents, including the DMS, and made available for remote access and use by Client and its Licensed Entities under a SOS.

1.9 “Support” means Contractor’s then current support and maintenance program for the relevant Product, as more fully described in the relevant SOS.

1.10 “Third Party Materials” means software and data licensed or provided by third parties. Applicable third-party license agreements and disclaimers, if any, will be provided with the relevant Products.

2. SOS. This is a master software and services agreement under which Client may place an order for one or more Products under a Statement of Services or Statement of Work, as applicable. Each order will be set forth in a written SOS or other form provided by Contractor, which is only effective when signed by both parties. The SOS will (i) specifically reference and is governed by this Agreement and (ii) identify the relevant Product being licensed, the term of license or subscription, and any other relevant terms not otherwise set forth in this Agreement. The form of SOS is attached to and made a part of this Agreement as Schedule A-1 (Statement of Services), Schedule A-2 (Statement of Work), and Schedule A-3 (Statement of Support).

3. Software License. This Section applies only in the event Client licenses Software from Contractor pursuant to a SOS. Subject to the terms and conditions of this Agreement and Client’s payment of all relevant fees, Contractor hereby grants to Client a non-exclusive, perpetual, non-transferable (except pursuant to Section 22.1), limited license to use for its internal business purposes the Software at the Licensed Entities. Client may make one copy of the Software for backup and archival purposes.

4. Subscription Services License. This Section applies only in the event Client licenses Subscription Services as a Software as a Service (“Subscription Services”) from Contractor pursuant to a SOS. Subject to the terms and conditions of this Agreement and Client’s payment of all relevant fees, Contractor hereby grants to Client a non-exclusive, non-transferable (except as otherwise set forth herein), limited license to access and use for its internal business purposes the Subscription Services in connection with the Licensed Entities. The initial term of the foregoing license will be as set forth in the applicable SOS. Client shall be solely responsible for connection of Client’s systems to a telecommunications service that provides Internet access for purposes of Client’s access and use of the Subscription Services.

5. Restrictions. Client may only use the Products as described in the applicable Documentation, including operation of Software only on the hardware and software configurations specified in the

Master Software and Services Agreement

SOS or associated Documentation. Client shall ensure the Licensed Entities comply with all applicable terms of this Agreement. Any breach of this Agreement by any employee or agent of Client shall constitute a breach by Client. Except as expressly authorized by this Agreement, Client will not (and will not allow any third party to): (i) permit any unauthorized user or any third party to access and use the Products; (ii) decompile, disassemble, or reverse engineer the Products; (iii) use the Products or any Contractor Confidential Information to develop a competing product or service; (iv) use or allow others to use any Product for the benefit of any third party; (v) use any Product, or allow the transfer, transmission, export, or re-export of any Product or portion thereof, in violation of any export control laws or regulations administered by the U.S. Commerce Department or any other government agency; or (vi) remove any copyright, trademark, proprietary rights, disclaimer or warning notice included on or embedded in any part of a Product (including any screen displays, etc.) or any other products or materials provided by Contractor hereunder. Under no circumstances, shall Contractor be liable or responsible for any use, or any results obtained by the use, of the Products in conjunction with any other software or third-party products. All such use shall be at Client's sole risk.

6. Availability of Subscription Services. The provisions of this Section apply only to Subscription Services. The Subscription Services will be available for access and use by Client in accordance with the terms set forth in the applicable SOS or Third-Party Materials. The Subscription Services will be available for access and use by Client an average of at least ninety-five percent (95%) of the time ("Availability Requirement"), excluding any period of Permitted Unavailability (as defined below). Client shall provide notice to Contractor of any unavailability for access or use and document such disruption for review by Contractor. "Permitted Unavailability" includes Planned Outages (as defined below) and any unavailability due to causes beyond the reasonable control of Contractor, including, without limitation: any software, hardware, or telecommunication failures; interruption or failure of telecommunication or digital transmission links; Internet slow-downs or failures; failures or default of third party software, vendors, or products; and unavailability resulting from the actions or inactions of Client or a failure of Client's communications link or systems. "Planned Outages" means the period during which Contractor conducts standard systems maintenance. Contractor shall use reasonable efforts to schedule Planned Outages during non-peak hours. In the event Contractor fails to achieve the Availability Requirement, Contractor shall use commercially reasonable efforts to correct the interruption as promptly as practicable. In the event Contractor fails to achieve the Availability Requirement in three consecutive months during the term of this Agreement, Client may terminate this Agreement without further obligation and receive a prorated refund of any pre-paid, unused recurring fees. Such refund shall constitute Client's sole and exclusive remedy and Contractor's sole and

exclusive liability for failure to achieve the Availability Requirement.

7. Information Security for Subscription Services. Contractor has developed, implemented, and will maintain effective information security policies and procedures that include administrative, technical and physical safeguards designed to (i) ensure the security and confidentiality of confidential information provided to it, (ii) protect against anticipated threats or hazards to the security or integrity of such confidential information, (iii) protect against unauthorized access or use of such confidential information, (iv) minimize accidental or unlawful destruction, loss, alteration or unauthorized disclosure or access of Client Data (as such term is defined in Section 8), and (v) ensure the proper disposal of confidential information. All personnel handling such confidential information have been appropriately trained in the implementation of its information security policies and procedures. Contractor regularly audits and reviews its information security policies and procedures to ensure their continued effectiveness and determine whether adjustments are necessary considering then-current circumstances including, without limitation, changes in technology, its or its vendors', contractors', and licensor's information systems or threats or hazards to confidential information. In the event of unauthorized access to confidential information or non-public personal information, each party shall cooperate with the other party, provide any notices and information regarding such unauthorized access to appropriate law enforcement agencies and government regulatory authorities, and affected individuals which are deemed necessary. Contractor shall promptly report to Client any compromise of security that it becomes aware of regarding Client Data and reasonably cooperate with Client in investigating the compromise. CLIENT ACKNOWLEDGES THAT SECURITY SAFEGUARDS, BY THEIR NATURE, ARE CAPABLE OF CIRCUMVENTION AND THAT CONTRACTOR DOES NOT AND CANNOT GUARANTEE THAT THE SUBSCRIPTION SERVICES, CONTRACTOR'S SYSTEMS, AND THE INFORMATION CONTAINED THEREIN (INCLUDING CONFIDENTIAL INFORMATION) CANNOT BE ACCESSED BY UNAUTHORIZED PERSONS CAPABLE OF OVERCOMING SUCH SAFEGUARDS. CONTRACTOR SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY SUCH UNAUTHORIZED ACCESS NOR SHALL ANY SUCH UNAUTHORIZED ACCESS CONSTITUTE A BREACH BY CONTRACTOR OF ITS CONFIDENTIALITY OBLIGATIONS HEREUNDER.

8. Ownership; Client Data.

8.1 Ownership. The Products are licensed, not sold. Except for the limited licenses granted in Sections 3 and 4, Contractor and its licensors reserve all right, title, and interest, express or implied, in and to the Products. Client acknowledges and agrees it shall not use any Confidential Information disclosed by Contractor to Client in connection with this Agreement to contest the validity of any

Master Software and Services Agreement

SOS or associated Documentation. Client shall ensure the Licensed Entities comply with all applicable terms of this Agreement. Any breach of this Agreement by any employee or agent of Client shall constitute a breach by Client. Except as expressly authorized by this Agreement, Client will not (and will not allow any third party to): (i) permit any unauthorized user or any third party to access and use the Products; (ii) decompile, disassemble, or reverse engineer the Products; (iii) use the Products or any Contractor Confidential Information to develop a competing product or service; (iv) use or allow others to use any Product for the benefit of any third party; (v) use any Product, or allow the transfer, transmission, export, or re-export of any Product or portion thereof, in violation of any export control laws or regulations administered by the U.S. Commerce Department or any other government agency; or (vi) remove any copyright, trademark, proprietary rights, disclaimer or warning notice included on or embedded in any part of a Product (including any screen displays, etc.) or any other products or materials provided by Contractor hereunder. Under no circumstances, shall Contractor be liable or responsible for any use, or any results obtained by the use, of the Products in conjunction with any other software or third-party products. All such use shall be at Client's sole risk.

6. Availability of Subscription Services. The provisions of this Section apply only to Subscription Services. The Subscription Services will be available for access and use by Client in accordance with the terms set forth in the applicable SOS or Third-Party Materials. The Subscription Services will be available for access and use by Client an average of at least ninety-five percent (95%) of the time ("Availability Requirement"), excluding any period of Permitted Unavailability (as defined below). Client shall provide notice to Contractor of any unavailability for access or use and document such disruption for review by Contractor. "Permitted Unavailability" includes Planned Outages (as defined below) and any unavailability due to causes beyond the reasonable control of Contractor, including, without limitation: any software, hardware, or telecommunication failures; interruption or failure of telecommunication or digital transmission links; Internet slow-downs or failures; failures or default of third party software, vendors, or products; and unavailability resulting from the actions or inactions of Client or a failure of Client's communications link or systems. "Planned Outages" means the period during which Contractor conducts standard systems maintenance. Contractor shall use reasonable efforts to schedule Planned Outages during non-peak hours. In the event Contractor fails to achieve the Availability Requirement, Contractor shall use commercially reasonable efforts to correct the interruption as promptly as practicable. In the event Contractor fails to achieve the Availability Requirement in three consecutive months during the term of this Agreement, Client may terminate this Agreement without further obligation and receive a prorated refund of any pre-paid, unused recurring fees. Such refund shall constitute Client's sole and exclusive remedy and Contractor's sole and

exclusive liability for failure to achieve the Availability Requirement.

7. Information Security for Subscription Services. Contractor has developed, implemented, and will maintain effective information security policies and procedures that include administrative, technical and physical safeguards designed to (i) ensure the security and confidentiality of confidential information provided to it, (ii) protect against anticipated threats or hazards to the security or integrity of such confidential information, (iii) protect against unauthorized access or use of such confidential information, (iv) minimize accidental or unlawful destruction, loss, alteration or unauthorized disclosure or access of Client Data (as such term is defined in Section 8), and (v) ensure the proper disposal of confidential information. All personnel handling such confidential information have been appropriately trained in the implementation of its information security policies and procedures. Contractor regularly audits and reviews its information security policies and procedures to ensure their continued effectiveness and determine whether adjustments are necessary considering then-current circumstances including, without limitation, changes in technology, its or its vendors', contractors', and licensor's information systems or threats or hazards to confidential information. In the event of unauthorized access to confidential information or non-public personal information, each party shall cooperate with the other party, provide any notices and information regarding such unauthorized access to appropriate law enforcement agencies and government regulatory authorities, and affected individuals which are deemed necessary. Contractor shall promptly report to Client any compromise of security that it becomes aware of regarding Client Data and reasonably cooperate with Client in investigating the compromise. CLIENT ACKNOWLEDGES THAT SECURITY SAFEGUARDS, BY THEIR NATURE, ARE CAPABLE OF CIRCUMVENTION AND THAT CONTRACTOR DOES NOT AND CANNOT GUARANTEE THAT THE SUBSCRIPTION SERVICES, CONTRACTOR'S SYSTEMS, AND THE INFORMATION CONTAINED THEREIN (INCLUDING CONFIDENTIAL INFORMATION) CANNOT BE ACCESSED BY UNAUTHORIZED PERSONS CAPABLE OF OVERCOMING SUCH SAFEGUARDS. CONTRACTOR SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY SUCH UNAUTHORIZED ACCESS NOR SHALL ANY SUCH UNAUTHORIZED ACCESS CONSTITUTE A BREACH BY CONTRACTOR OF ITS CONFIDENTIALITY OBLIGATIONS HEREUNDER.

8. Ownership; Client Data.

8.1 Ownership. The Products are licensed, not sold. Except for the limited licenses granted in Sections 3 and 4, Contractor and its licensors reserve all right, title, and interest, express or implied, in and to the Products. Client acknowledges and agrees it shall not use any Confidential Information disclosed by Contractor to Client in connection with this Agreement to contest the validity of any

Master Software and Services Agreement

Contractor intellectual property. Any such use of Contractor's information and data shall constitute a material, non-curable breach of this Agreement.

8.2 Client Data. Except for the limited license below, nothing contained in this Agreement shall be construed as granting Contractor any right, title, or interest in or to any Client provided data or other content input into the Products, including Personal Data (as defined in Section 8.3) (the "Client Data"). Client grants Contractor the perpetual, non-exclusive, irrevocable, royalty-free, worldwide, sublicensable right and license to collect, store, use, compile, modify, translate and disclose such Client Data: (i) as stated in Contractor's Privacy Policy; (ii) as required by law; (iii) in the improvement or other development of Contractor's product and services, including the Products; (iv) in aggregated form that does not identify Client; and (v) in connection with performing its obligations under this Agreement.

8.3 Personal Data. If Client or its users or any third parties acting on Client's behalf, access or use a Product to collect, store, process, transmit, by any means any information from which a person (a data subject) can be reasonably identified ("Personal Data"), Client shall ensure that all such activities and use comply with applicable laws and data subject rights. Client shall provide legally adequate privacy notices to the required parties, and obtain all necessary consents from the data subjects of the Personal Data (and parental consents where applicable), including under the Children's Online Privacy Protection Act ("COPPA"), the General Data Protection Regulation ("GDPR"), the UK General Data Protection Regulation ("UK GDPR"), California Consumer Privacy Act ("CCPA") and similar laws. Client represents to Contractor that Client has provided all necessary privacy notices, obtained all necessary consents, and possesses lawful grounds to allow Client to access and use the Products in accordance with the terms of this Agreement and applicable laws. Client is responsible for notifying Contractor if any data collected or stored using the Products must be deleted under applicable laws.

8.4 Processing of Personal Data. The storage, processing, and transmission of Client Data is an essential feature of the Products. Client consents to Contractor and its contractors, and affiliates, collecting, storing, processing, and transmitting Client Data and Personal Data included therein. This Agreement incorporates Contractor's Privacy Policy, as may be updated from time to time.

8.5 Sharing Personal Data. In addition, certain Products may provide the ability to share content with other users and third parties, which may include the ability to share and display information about an individual (e.g., name, email address, username) when such functionality. By choosing to use the applicable Products and sharing functionality, Client consents to the sharing of such information for this purpose.

8.6 Diagnostics and Telemetry Data. Contractor may store diagnostic and telemetry data about the operation of the Products, including performance, usage, configuration, and errors ("Telemetry Data"). Contractor may periodically transmit and

receive the Telemetry Data from the Products. Client Data does not include Telemetry Data. Contractor does not access or transmit Client Data as part of the Telemetry Data. Contractor retains all rights, title, and interest to the Telemetry Data.

8.7 Client Data Warranties. Client represents and warrants that it has obtained all rights, consents, and permissions necessary to input the Client Data into the Products and to grant the foregoing rights and licenses to Contractor, and that: (i) Client either owns or has the right to authorize Contractor's use of Client Data as set forth herein, (ii) the Client Data does not infringe, misappropriate, or otherwise violate any copyright, trademark, patents, trade secrets or other proprietary rights.

9. Registration. Contractor may request certain information in connection with the registration of Products, including contact name, email address, username, or password. By providing this information, Client consents to its collection and use by Contractor in accordance with Contractor's Privacy Policy, to provide non-promotional communications regarding the Products, including notices related to Client's account, transactions, update availability, Product recalls, safety concerns, or changes to our policies and terms. Client is responsible for maintaining the confidentiality of its username, password, and account information, and for all activities that occur in connection with Client's account and or under any username and password or account associated with Client's account. Client is also responsible for the accuracy of the information provided in connection with Client's account and any user thereunder, and for keeping such account information up to date. Client assumes all responsibility for any loss, theft, or other destruction of any data resulting from any failure to comply with these obligations.

10. Feedback. Client may provide suggestions, comments, or other feedback (collectively, "Feedback") to Contractor with respect to its products and services, including the Product. Feedback is voluntary and Contractor is not required to hold it in confidence. Contractor may use Feedback for any purpose without obligation of any kind. Client hereby grants Contractor an irrevocable, non-exclusive, perpetual, royalty-free license to use the Feedback in connection with Contractor's business, including enhancement of the Product.

11. Support. To the extent purchased by Client, Contractor shall provide the Support described in the applicable SOS for the Product licensed. Support includes periodic releases, and upgrades and updates to the Products as may be made generally available by Contractor to its Clients for no additional charge from time to time. Any new or additional features or functions may be offered separately and may be subject to additional access or license fees, support or maintenance charges, or other fees and costs. Contractor reserves the right to charge separately for any new Products, databases, and functionality that are not generally released to Contractor's Clients without charge.

12. Training. To the extent applicable, Contractor will provide the training services set forth in the SOS. Client shall reimburse

Master Software and Services Agreement

Contractor for all expenses and out-of-pocket costs related to onsite training.

13. Term and Renewal. This Agreement shall commence on the Effective Date and, subject to any earlier permitted termination in accordance with this Agreement, shall remain in effect with respect to each Product until the expiration of both the initial license term set forth for such Product in the applicable SOS relating thereto and any renewal terms therefore as provided in this Section 13. Each SOS will specify an initial term for the license granted with respect to each such Product.

14. Termination.

14.1 Termination for Cause. Either party may terminate this Agreement on written notice to the other party if the other party is in material breach of its obligations hereunder and fails to cure the breach within thirty (30) days of such written notice. In addition, either party may, in its sole discretion, elect to (i) terminate this Agreement on written notice to the other party upon the bankruptcy or insolvency of the other party or upon the commencement of any voluntary or involuntary winding up, or upon the filing of any petition seeking the winding up of the other party, or (ii) terminate any relevant SOSs or this Agreement, as the case may be, as and when permitted by and in accordance with Sections 6, 15.1, or 20.

14.2 Termination for Convenience. Client may terminate any SOS or this Agreement upon sixty (60) days advance written notice to Contractor, without cause if Client pays Contractor a cancellation fee equal to one hundred percent (100%) of the average actual fees charged for the prior four (4) month period, multiplied by the remaining billable months in the then applicable SOS term ("**Cancellation Fee**"). Client agrees to pay any Cancellation Fee within fifteen (15) days of the effective date of termination. Client acknowledges that such Cancellation Fee is not a penalty, but is intended to be liquidated damages, the actual damages being too difficult to determine in advance. Payment of the Cancellation Fee is the sole remedy for Client's early termination.

14.3 Effect of Termination. Upon any termination or expiration of a SOS or this Agreement, all rights and licenses granted to the Products will automatically terminate and Client shall have no further right to possess, access, or use the Products. Any termination of the Agreement shall terminate all outstanding SOS(s). On Contractor's request, Client shall provide Contractor with a signed written statement confirming that any Software has been permanently removed from Client's systems, if applicable. If termination does not result from a breach of this Agreement by Client, subject to the terms for any Third-Party Materials, Client shall have the limited right for thirty (30) days after such license termination to export or print Client entered information from the Product and not to enter any new information into the Product or use it for any other purpose. Client may, at its option and subject to the terms for any Third-Party Materials, extend the foregoing thirty (30) day period for up to six (6) months at Contractor's then current transition services rates, providing such rates do not

exceed NASPO ValuePoint Master Agreement pricing; all access to the Product during this period shall be read-only. The following Sections shall survive any termination or expiration of this Agreement: 1, 5, 10, 13, 15 (to the extent of fees accrued prior to termination), 17, 19, 21, and 22.

15. Fees.

15.1 In general. Client shall pay Contractor the fees set forth in the applicable SOSs. Following the initial year of the license term set forth in the SOS, Contractor, in its sole discretion, may increase the fees due for a renewal term on sixty (60) days written notice prior to the commencement of the renewal term, which adjustment shall be effective on the commencement of the renewal term. During the initial license term set forth in the SOS, any such annual increase shall not exceed NASPO ValuePoint Master Agreement pricing.

15.2 Payment of Invoices. All invoices shall be paid by Client within thirty (30) days of invoice date. Payments not made within forty-five (45) days shall be subject to late charges of (i) one percent (1%) per month of the overdue amount or (ii) the maximum amount permitted under applicable law, whichever is less. In the event an invoice remains unpaid forty-six (46) or more days from the invoice date, Contractor may, in its discretion, terminate the applicable SOS and suspend access to Subscription Services. Client agrees to pay all court costs, fees, expenses and reasonable attorneys' fees incurred by Contractor in collecting delinquent fees. The applicable SOS may specify certain fees to be paid by electronic funds transfer ("**EFT**"). Client hereby authorizes Contractor to initiate an EFT from Client's bank account indicated in Schedule B in an amount equal to the fees set forth in the applicable SOS in accordance with the payment terms set forth in the applicable SOS. All payments made by EFT will be paid in immediately available funds.

15.3 Taxes. All taxes, duties, fees and other governmental charges of any kind (including sales and use taxes, but excluding taxes based on the gross revenues or net income of Contractor) that are imposed by or under the authority of any government or any political subdivision thereof on the fees for the Products and Support provided by Contractor under this Agreement, shall be borne solely by Client, unless Client can evidence its tax exemption and shall not be considered a part of a deduction from or an offset against such fees. If Client loses tax exempt status, it shall pay any taxes due as part of any renewal or payment. Client shall promptly notify Contractor if its tax status changes.

15.4 Travel and other Expenses. Client will pay, or reimburse Contractor for, any out-of-pocket expenses, including, without limitation, travel and travel-related expenses, incurred by Contractor at the request of or with the approval of Client in connection with the performance of this Agreement. Reasonable and customary expenses incurred by Contractor, including without limitation expenses incurred for travel, local transportation, lodging and meals, will be billed to Client at Contractor's actual cost.

Master Software and Services Agreement

15.5 Subpoenas and Other Legal Process. In the event Contractor is requested or authorized by Client or is required by government regulation, summons, subpoena or other legal process to produce its documents, Client Data, or personnel as witnesses with respect to the Products and other services provided to Client under this Agreement, Client will, so long as Contractor is not the subject of the investigation or proceeding in which the information is sought, reimburse Contractor at its then current standard professional services rates for its time and materials services, as well as the fees and expenses of its counsel, incurred in responding to such requests.

16. Suspension of Access to Subscription Services. The provisions of this Section apply only to Subscription Services. Contractor may, in its sole discretion, suspend Client's access to a Subscription Service for any of the following reasons (i) to prevent damages to, or degradation of, the Subscription Service or Contractor's systems; (ii) to comply with any law, regulation, court order, or other governmental request; (iii) to otherwise protect Contractor from potential legal liability; or (iv) in the event an invoice remains unpaid for more than thirty (30) or more days from the invoice date. Contractor shall use reasonable efforts to provide Client with notice prior to or promptly following any suspension of access to a Subscription Service. Contractor will restore access to the Subscription Service as soon as the event giving rise to suspension has been resolved. This Section shall not be construed as imposing any obligation or duty on Contractor to monitor Client's use of the Subscription Service or the data and other content uploaded by Client to the Subscription Service.

17. Confidentiality.

17.1 Each party's Confidential Information shall remain the sole and exclusive property of that party. Each party recognizes the importance of the other's Confidential Information. In particular, each party recognizes and agrees that the Confidential Information of the other is critical to its respective businesses and that neither party would enter into this Agreement without assurance that the other party will take appropriate steps designed to preserve the confidentiality of such information and the value thereof as provided in this Section 17 and elsewhere in this Agreement. The foregoing and the other terms of this Section 17 are and will remain subject to the disclaimers set forth at the end of Sections 7 and 19. Accordingly, each party agrees as follows:

(a) Each party (i) will treat as confidential and use measures that are reasonable, and at least as protective as those it uses to safeguard the confidentiality of its own Confidential Information (but in no event less than reasonable care), to preserve the confidentiality of any and all Confidential Information that it obtains from the other party and (ii) will use or, subject to the disclaimers in Sections 7 and 19, disclose such Confidential Information solely as permitted under this Agreement;

(b) Each party may disclose the other party's Confidential Information or provide access to the same to its responsible employees and agents who reasonably need to know or access

such information in connection with the fulfillment of its obligations hereunder and may make copies of Confidential Information only to the extent permitted or contemplated under or pursuant to this Agreement; and

(c) To the extent required by applicable law or by lawful order or requirement of a court or governmental authority having competent jurisdiction over the receiving party, the receiving party may disclose Confidential Information in accordance with such law or order or requirement, subject to the following conditions: (i) as soon as possible after becoming aware of such law, order or requirement, and (ii) prior to disclosing Confidential Information pursuant thereto, the receiving party will so notify the disclosing party in writing and, if possible, the receiving party will provide the disclosing party notice not less than five (5) business days prior to the required disclosure. The receiving party will use reasonable efforts not to release Confidential Information pending the outcome of any measures taken by the disclosing party to contest, otherwise oppose or seek to limit such disclosure by the receiving party and any subsequent disclosure or use of Confidential Information that may result from such disclosure. The receiving party will cooperate with and aid the disclosing party regarding such measures. Notwithstanding any such compelled disclosure by the receiving party, such compelled disclosure will not otherwise affect the receiving party's obligations hereunder with respect to Confidential Information so disclosed.

17.2 Each party acknowledges that due to the unique nature of the other party's Confidential Information, the disclosing party will not have an adequate remedy in money or damages in the event of any unauthorized use or disclosure of its Confidential Information. In addition to any other remedies that may be available in law, in equity or otherwise, the disclosing party shall be entitled to seek injunctive relief to prevent such unauthorized use or disclosure.

17.3 On the expiration or termination of the Agreement, the receiving party shall promptly return to the disclosing party all copies, whether in written, electronic, or other form or media, of the disclosing party's Confidential Information, or destroy all such copies and, if requested by the disclosing party, certify in writing to the disclosing party that such Confidential Information has been destroyed. Each party's obligations of non-disclosure regarding Confidential Information are effective as of the Effective Date and will expire three years from the date first disclosed to the receiving party.

18. Limited Warranty. Contractor warrants to Client that for a period of sixty (60) days from delivery or initial use by Client, the Product shall operate in substantial conformity with its Documentation. Third Party Materials are subject to the terms set forth in the applicable third-party license agreements and disclaimers, if any, will be provided with the relevant Products. If Client purchases or procures any third-party products or services as part of the Products that are not provided with their own agreement or terms, Contractor shall pass through or assign to the Client the rights Contractor obtains from the manufacturers, vendors or licensors of such products and services (including

Master Software and Services Agreement

warranty and indemnification rights), all to the extent that such rights are assignable. To the extent that such rights are not assignable by Contractor, Contractor agrees that Client may assert or enforce any right Contractor may have to enforce such representations, warranties and covenants, or if such can only be enforced by Contractor under its own name, upon written request by Client, Contractor shall take all reasonable action requested by Client to enforce such representations, warranties and covenants. Notwithstanding the foregoing, Client's sole and exclusive remedy, and Contractor's sole and exclusive liability, for a breach of the foregoing warranties shall be the provision of Support services, replacement of a Product if necessary, or a credit for the pre-paid portion of the applicable fee for the affected Product, as determined in Contractor's sole discretion.

19. Disclaimer of Warranties. EXCEPT AS PROVIDED IN SECTION 18 (LIMITED WARRANTY), THE PRODUCTS, SUPPORT, TRAINING, AND ANY OTHER SERVICES ARE PROVIDED "AS IS" AND "AS-AVAILABLE," WITH ALL FAULTS, AND WITHOUT WARRANTIES OF ANY KIND. CONTRACTOR AND ITS VENDORS AND LICENSORS DISCLAIM ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT, QUALITY OF INFORMATION, TITLE, AND NON-INFRINGEMENT. ALL THIRD-PARTY MATERIALS ARE PROVIDED AS-IS, WITHOUT WARRANTIES OF ANY KIND. CONTRACTOR MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, RELATING TO ANY PRESENT OR FUTURE METHODOLOGY EMPLOYED IN ITS GATHERING OR REPRODUCING OF ANY THIRD-PARTY MATERIAL, OR AS TO THE ACCURACY, CURRENCY OR COMPREHENSIVENESS OF THE SAME. CLIENT EXPRESSLY AGREES AND ACKNOWLEDGES THAT USE OF PRODUCTS IS AT CLIENT'S SOLE RISK. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY CONTRACTOR OR ITS AUTHORIZED REPRESENTATIVES SHALL CREATE ANY OTHER WARRANTIES OR IN ANY WAY INCREASE THE SCOPE OF CONTRACTOR'S OBLIGATIONS HEREUNDER. CONTRACTOR IS NOT ENGAGED IN RENDERING LEGAL OR OTHER PROFESSIONAL SERVICE. IF LEGAL OR OTHER EXPERT ASSISTANCE IS REQUIRED, THE SERVICES OF A COMPETENT PROFESSIONAL SHOULD BE SOUGHT. CLIENT ASSUMES ALL RESPONSIBILITY WITH RESPECT TO ANY DECISIONS OR ADVICE MADE OR GIVEN AS A RESULT OF THE USE OF THE PRODUCTS. CLIENT AGREES THAT THE PRODUCTS ARE NOT INTENDED TO REPLACE CLIENT'S PROFESSIONAL SKILL AND JUDGMENT AND ARE NOT A SUBSTITUTE FOR THE ADVICE OF AN ATTORNEY OR OTHER PROFESSIONAL.

THE PRODUCTS MAY BE USED TO ACCESS AND TRANSFER INFORMATION, INCLUDING CONFIDENTIAL

INFORMATION, OVER THE INTERNET. CLIENT ACKNOWLEDGES AND AGREES THAT CONTRACTOR AND ITS VENDORS AND LICENSORS DO NOT OPERATE OR CONTROL THE INTERNET AND THAT: (I) VIRUSES, WORMS, TROJAN HORSES, OR OTHER UNDESIRABLE DATA OR SOFTWARE; OR (II) UNAUTHORIZED THIRD PARTIES (E.G., HACKERS) MAY ATTEMPT TO OBTAIN ACCESS TO AND DAMAGE CLIENT'S DATA, WEB-SITES, COMPUTERS, OR NETWORKS. CONTRACTOR SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY SUCH ACTIVITIES NOR SHALL ANY SUCH ACTIVITIES CONSTITUTE A BREACH BY CONTRACTOR OF ITS OBLIGATIONS OF CONFIDENTIALITY HEREUNDER.

20. Indemnity. Contractor will indemnify and defend Client from any claim, demand, action, proceeding, judgment, or liability arising out of a claim by a third-party that Client's use of a Product in conformance with the terms of this Agreement infringes a United States patent issued as of the Effective Date or copyright of that third party. The foregoing indemnification obligation of Contractor is contingent upon Client promptly notifying Contractor in writing of such claim, permitting Contractor sole authority to control the defense or settlement of such claim, and providing Contractor reasonable assistance in connection therewith. If a claim of infringement under this Section 20 occurs, or if Contractor determines a claim is likely to occur, Contractor will have the right, in its sole discretion, to either: (i) procure for Client the right or license to continue to use the Product free of the infringement claim; or (ii) modify the Product to make it non-infringing, without loss of material functionality. If either of these remedies is not reasonably available to Contractor, Contractor may, in its sole discretion, immediately terminate the relevant SOS(s) and return the prorated portion of any prepaid, unused fees for future use of the infringing Product. Notwithstanding the foregoing, Contractor shall have no obligation with respect to any claim of infringement that is based upon or arises out of (the "Excluded Claims"): (xi) the use or combination of the Products with any hardware, software, products, data or other materials not provided by Contractor; (xii) modification or alteration of the Products by anyone other than Contractor; (xiii) Client's use of Products in excess of the rights granted in this Agreement; (xiv) any Third Party Materials; (xv) a breach of Client's representations or warranties; or (xvi) the negligence or more culpable acts or omissions (including recklessness or willful misconduct) by Client or any third party on behalf of Client. The provisions of this Section 20 state the sole and exclusive obligations and liability of Contractor and its licensors and suppliers for any claim of intellectual property infringement arising out of or relating to the Products or this Agreement and are in lieu of any implied warranties of non-infringement, all of which are expressly disclaimed.

21. Limitation of Liability and Damages. NEITHER CONTRACTOR NOR ITS VENDORS AND LICENSORS SHALL HAVE ANY LIABILITY TO CLIENT OR ANY THIRD PARTY FOR ANY LOSS OF PROFITS, SALES, BUSINESS,

Master Software and Services Agreement

DATA, OR OTHER INCIDENTAL, CONSEQUENTIAL, OR SPECIAL LOSS OR DAMAGE, INCLUDING EXEMPLARY AND PUNITIVE DAMAGES, OF ANY KIND OR NATURE RESULTING FROM OR ARISING OUT OF THIS AGREEMENT, THE PRODUCTS, AND ANY SERVICES RENDERED HEREUNDER. THE TOTAL LIABILITY OF CONTRACTOR AND ITS VENDORS AND LICENSORS TO CLIENT OR ANY THIRD PARTY ARISING OUT OF THIS AGREEMENT, THE PRODUCTS, AND ANY SERVICES RENDERED HEREUNDER FOR ANY AND ALL CLAIMS OR TYPES OF DAMAGES SHALL NOT EXCEED THE TOTAL FEES PAID OR PAYABLE HEREUNDER BY CLIENT DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO LIABILITY. The allocations of liability in this Section 21 represent the agreed, bargained-for understanding of the parties and Contractor's compensation hereunder reflects such allocations. The limitation of liability and types of damages stated in this Agreement are intended by the parties to apply regardless of the form of lawsuit or claim a party may bring, whether in tort, contract or otherwise, and regardless of whether any limited remedy provided for in this Agreement fails of its essential purpose.

22. General Provisions.

22.1 Assignment. Client may not assign this Agreement without Contractor's prior written authorization, which shall not be unreasonably withheld. Any such permitted assignment, however, shall not increase the scope (including any material change in the size of Client's organization) of the license granted hereunder without payment of Contractor's then-current fees for any increased scope. Any delegation or assignment in violation of the foregoing provisions shall be void and deemed a material breach of this Agreement. This Agreement will bind and inure to the benefit of the parties and their respective successors and permitted assigns.

22.2 Amendment and Waiver. This Agreement may not be modified or amended except by a writing signed by both parties. No waiver of any breach of any provision of this Agreement shall constitute a waiver of any breach of the same or any other provision hereof, and no waiver shall be effective unless made in writing and signed by an authorized representative of the waiving party.

22.3 Governing Law. This Agreement will be governed by, and construed and interpreted according to, the substantive laws of the State of the Client. This choice of venue is intended by the parties to be mandatory and not permissive in nature, and to preclude the possibility of litigation between the parties with respect to, or arising out of, this Agreement in any jurisdiction other than that specified in this Section. Each party waives any right it may have to assert the doctrine of *forum non conveniens* or similar doctrine or theory or to object to venue with respect to any proceeding brought in accordance with this Section. EACH PARTY HEREBY WAIVES ITS RIGHT TO A JURY TRIAL IN

CONNECTION WITH ANY DISPUTE OR LEGAL PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE SUBJECT MATTER HEREOF.

22.4 Severability. In the event that any provision of this Agreement is held to be illegal, or otherwise unenforceable, such provision will be severed, stricken and replaced with a legal and enforceable provision which most closely reflects the intent of the parties with respect thereto and the remainder of this Agreement shall continue in full force and effect; provided, however, that if the severing and striking of such provision results in a material alteration of this Agreement not able to be appropriately addressed through a replacement provision as contemplated above, the remaining provisions of this Agreement shall be adjusted equitably so that no party benefits disproportionately.

22.5 Entire Agreement; Purpose and Effect of Agreement. This Agreement, together with the SOS(s) and any other exhibits and attachments hereto and thereto, constitutes the entire agreement between the parties regarding its subject matter and supersedes any and all prior or contemporaneous letters, memoranda, representations, discussions, negotiations, understandings and agreements, whether written or oral, with respect to such subject matter. In the event of a conflict between the body of this Agreement and any SOS, exhibit, other attachment, this Agreement, or the Client's purchase order, the Client's purchase order shall govern.

22.6 Notices. Any notice required or permitted to be given by either party under this Agreement will be made in writing and shall be deemed to have been received upon delivery by hand, by facsimile (followed by delivery of a hard copy thereof within five (5) business days of such facsimile) or via Federal Express, or an equivalent reputable courier service, expense prepaid, addressed to the party as set forth on the signature block hereof or to such other address as a party may designate in writing to the other party.

22.7 Relationship of Parties. The parties to this Agreement are independent contractors; there is no relationship of agency, partnership, joint venture, employment or franchise between the parties. Neither party has the authority to bind the other or to incur any obligation on its behalf.

22.8 Force Majeure. If either party is prevented from performing any of its obligations under this Agreement due to any cause beyond the party's reasonable control, including, without limitation, an act of God, fire, flood, explosion, war, strike, embargo, government regulation, civil or military authority, acts or omissions of carriers, transmitters, providers of telecommunications or Internet services, vandals, or hackers (a "force majeure event"), time for that party's performance will be extended for the period of the delay or inability to perform due to such occurrence without liability to the other party; provided, however, that Client will not be excused from the payment of any sums of money owed by Client to Contractor after the force majeure event concludes. In addition, neither party will have the

right to claim damages or to terminate this Agreement because of a force majeure event.

22.9 Reserved.

22.10 No Third-Party Beneficiaries. Except for Contractor's suppliers and licensors, this Agreement shall not be construed to make Licensed Entities or any other person or entity, a third-party beneficiary hereof.

22.11 Counterparts. This Agreement may be signed in counterparts, all of which upon execution and delivery shall be considered an original and together shall constitute one agreement. Signed facsimile copies of this Agreement will legally bind the parties to the same extent as original documents.

22.12 Export Control. Client agrees that it will not in any form export, re-export, resell, ship, or divert or permit to be exported, re-exported, resold, shipped or diverted, directly or indirectly, any product or technical data or software furnished hereunder, or the direct product of such technical data or software, in violation of the laws, regulations, rules or orders or any jurisdiction, including applicable import and export laws.

22.13 Government Restricted Rights. The Products are provided with Restricted Rights. Use, duplication or disclosure by the Government is subject to restrictions set forth in subparagraphs (a) through (d) of the Commercial Computer Software Restricted Rights at FAR clause 52.227-19 or in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 et seq. or its successor. The Products are proprietary data, all rights of which are reserved under the copyright laws of the United States.
