ADDENDUM #1

**IT RFP FOR EPROCUREMENT SOLUTION AND IMPLEMENTATION
SERVICES**

OCTOBER 6, 2017

RFP DATE: SEPTEMBER 20, 2017

CHANGE (S): REASON FOR CHANGE:

The original linked Requirements Traceability Matric (RTM) document dated 9-20-2017 has been removed from the <http://bgs.vermont.gov/content/it-rfp-eprocurement-solution-and-implementation-services> and superseded by the new Requirements Traceability Matric (RTM) dated 10-04-2017. The revised RTM provides for grammar corrections, text updates, and renumbering to the General, Sourcing, and Contract Mgmt. Tabs.

The RTM dated 9-20-2017 is no longer available and must not be used. Be sure the RTM submitted as part of the Bid Response is dated 10-04-2017.
